A few years ago there was a man who posted on a PUA forum called So Suave and had his own blog called Pook's Mill. Sadly Pook disappeared from the scene, but his teachings live on in this ebook.

No More Mr Nice Guy Robert A. Glover 2022-02-18 Originally published as an e-book that became a controversial media phenomenon, No More Mr. Nice Guy! landed its author, a certified marriage and family therapist, on The O'Reilly Factor and the Rush Limbaugh radio show. Dr. Robert Glover has dubbed the "Nice Guy Syndrome" trying too hard to please others while neglecting one's own needs, thus causing unhappiness and resentment. It's no wonder that unfulfilled Nice Guys lash out in frustration at their loved ones, claims Dr. Glover. He explains how they can stop seeking approval and start getting what they want in life, by presenting the information and tools to help them ensure their needs are met, to express their emotions, to have a satisfying sex life, to embrace their masculinity and form meaningful relationships with other men, and to live up to their creative potential.

No More Christian Nice Guy Paul Coughlin 2007-03 A refreshing perspective on being good reveals how being nice doesn't necessarily mean being good and utilizes the biblical model of Christ as an example of a real man, showing men how to become genuinely masculine by being both gentle and bold. Bestseller From #1 New York Times bestselling author Julia Quinn comes the story of Francesca Bridgerton, in the sixth of her beloved Regency-set novels featuring the charming, powerful Bridgerton family, now a series created by Shondaland for Netflix. **FRANCESCA'S STORY** In every life there is a turning point. A moment so tremendous, so sharp and breathtaking, that one knows one's life will never be the same. For Michael Stirling, London's most infamous rake, that moment came the first time he laid eyes on Francesca Bridgerton. After a lifetime of chasing women, of smiling slyly as they chased him, of allowing himself to be caught but never permitting his heart to become engaged, he took one look at Francesca Bridgerton and fell so fast and hard into love it was a wonder he managed to remain standing. Unfortunately for Michael, however, Francesca's surname was to remain Bridgerton for only a mere thirty-six hours longer—the occasion of their meeting was, lamentably, a supper celebrating her imminent wedding to his cousin. But that was then . . . Now Michael is the earl and Francesca is free, but still she thinks of him as nothing other than her dear friend and confidant. Michael dares not speak to her of his love . . . until one dangerous night, when she steps innocently into his arms, and passion proves stronger than even the most wicked of secrets . . .

Friend Zoned Jennifer Sucevic 2016 Is it wrong to suddenly find yourself crushing on your best friend? The one person who has always been there for you? I'm kind of thinking that it is. What I know for sure is that absolutely no good can possibly come from it. My relationships tend to expire long before the gallon of milk sitting idly in my fridge. So why would I want to screw up the best relationship I've ever had? No brainer- I wouldn't. And yet I still can't stop noticing the way his piercing blue eyes pin me right in place. Or the unexpected urge I have to drag my fingers through his short thick blond hair. And those killer abs I sometimes catch a fleeting glimpse of when he stretches that big muscular body of his next to me in class? Yeah, you know it's bad when your panties instantly flood on the spot. And don't even get me started on the way soft cottony t-shirts fit across his ridiculously broad shoulders...Nope... I should most definitely not be noticing any of this. Nor should I want to claw out the eyes of the waitress who keeps flirting with him right in front of my face...Clearly you can see why I'm starting to freak out here. So, exactly how do I go about getting rid of these traitorous feelings that have oh-so-unexpectedly taken root? How do I rewind time to when I wanted nothing more than a platonic friendship from him? I haven't the faintest clue... I just know that I have to try my damndest to stop these nonsensical feelings from becoming even more entrenched. Because Sam is the one person I can't afford to lose. He's my absolute everything. Without him... yeah, I can't even begin to imagine my life without him filling it. I refuse to throw away eight solid years of friendship on fickle feelings of sexual attraction. So, no matter what happens, I can't give in to these feelings. Piece of cake, right? Wrong. So, so wrong.

The Dictionary of Obscure Sorrows John Koenig 2021-11-16 NEW YORK TIMES BESTSELLER "It's undeniably thrilling to find words for our strangest feelings...Koenig casts light into lonely corners of human experience...An enchanting book. " —The Washington Post A truly original book in every sense of the word, *The Dictionary of Obscure Sorrows* poetically defines emotions that we all feel but don't have the words to express—until now. Have you ever wondered about the lives of each person you pass on the street, realizing that everyone is the main character in their own story, each living a life as vivid and complex as your own? That feeling has a name: "sonder." Or maybe you've watched a thunderstorm roll in and felt a primal hunger for disaster, hoping it would shake up your life. That's called "lachesism." Or you were looking through old photos and felt a pang of nostalgia for a time you've never actually experienced.

That's "anemoia." If you've never heard of these terms before, that's because they didn't exist until John Koenig set out to fill the gaps in our language of emotion. The Dictionary of Obscure Sorrows "creates beautiful new words that we need but do not yet have," says John Green, bestselling author of *The Fault in Our Stars*. By turns poignant, relatable, and mind-bending, the definitions include whimsical etymologies drawn from languages around the world, interspersed with otherworldly collages and lyrical essays that explore forgotten corners of the human condition—from "astrophe," the longing to explore beyond the planet Earth, to "zenosyne," the sense that time keeps getting faster. The Dictionary of Obscure Sorrows is for anyone who enjoys a shift in perspective, pondering the ineffable feelings that make up our lives. With a gorgeous package and beautiful illustrations throughout, this is the perfect gift for creatives, word nerds, and human beings everywhere.
