## **How to Satisfy Your Woman**

- Larry Lewitan 2010-08

Why are most women unhappy with their man's performance in bed? Why do most men not have a clue how to sexually satisfy their woman? The author maintains that sexual unhappiness in a relationship is caused by the man's lack of experience, knowledge and understanding when it comes to satisfying his woman. He also maintains that sex is the most important pillar in a relationship, and that without good sex no relationship can survive! These are strong statements, and the book offers powerful solutions by going to the root cause of sexual unhappiness among couples. Written in explicit, uninhibited language, the kind that men can understand, this is an uncensored guidebook that

instructs men on how to satisfy their woman. It holds nothing back. The sexual techniques that it details, as well as the wisdom that it presents, will allow men to be able to sexually satisfy their woman the way she dreams of being satisfied. Women will read it too. They'll enjoy the tongue-in-cheek humor and be thrilled that one of the world's best kept secrets (how to make love to a woman) is finally coming out of the closet. If their men don't buy this book, it's certain they'll be buying it for them.

Do It My Way - Joel Block  
2013-08

Do It My way - The New Sexually Assertive Woman describes the emergence of a new type of woman who is comfortable sexually asserting herself to her partner. Such a woman directs her partner in how to satisfy her sexually. Its message to women who are not finding satisfaction in sex is that they must teach their

partner on how to give them good sex. They do this by explicitly telling their partner what to do, when to do it, and how to do it so that they experience sexual satisfaction. Such women know that their partner loves it when they take such an active role in sex and that sex is better for both of them. The new sexually assertive woman frees herself from the bondage of the good girl stereotype that only bad girls take an active role in sex.

- Charles Clinton 2022-11-17

Women are incredibly enthusiastic about sex. It is one action that is beneficial to their mental health. A woman feels fulfilled after a sexual encounter. A woman feels like a true woman after an extraordinary sexual experience. One reason for this is that a woman will go to any lengths to cling to and adore a man who can sexually please her. There is the knowledge you need to have about the nature of a woman when it comes to sex. You need to understand why "sex is a woman." "In this book, you will find the complete truth about pleasing a woman sexually." It goes beyond sticking your penis into the vagina. You must understand how to get a woman's attention. Understand why "sex is a woman" before continuing. Learning how to stimulate a woman for a long

time is essential. You must be able to handle the intricacies of the woman's physical makeup to contribute to her sexual fulfilment and happiness. To truly conquer fast ejaculation during sex with a lady and stay long in her eager vagina, you must first understand the causes of it. You will learn about all these things as you go through this book *How to Satisfy a Woman in bed, The Magical Formula for Multiple Orgasms* Before creating this well-known book on *How to Satisfy a Woman in bed, The Magical Formula for Multiple Orgasms*-I spoke with close to 2500 women. Every single one of them had faked an orgasm during sex at some point in their lives, with 60% of them doing so every time, I discovered when I asked them about their pleasure with their sex lives. These women need a book designed for guys that explains why their women are staging orgasms and what they can do to stop it, not another fancy sex manual with intricate positions. Many of the assumptions men frequently

hold about what a woman wants in bed are examined by Charles Clinton. He explains what repels women and what attracts them The author also talks about the value of love and commitment in marriage, romantic fantasies, and the advantages of excellent health for enhancing sexual energy. A more straightforward, down-to-earth manual on how to give and receive sexual pleasure has been written. You can use this book as a license to appease your beloved wife and girlfriend. When making love, a man is obsessed with numerous thoughts, such as: Is she enjoying it? Is she staging the orgasm to boost my male ego? What if she meets a different man who is more effective at it? Do not worry; this book has got you covered because it teaches you how to discover every woman's erogenous zones, where and when to start after initiating foreplay, and the best sexual positions that can give her multiple orgasms easily. Once you follow the steps highlighted in this book, your

woman must acknowledge you as an actor in the game and always ask for more sex. This book is an antidote to divorce and unpleasable sex.

Anonymous 2009-12

LEARN HOW TO SATISFY ANY WOMAN WITH A SMALL PENIS: That is what this book is about. Do you worry about your Penis size? Do you feel less confident? If so, then you need to read this book. With the right knowledge of good sexual techniques you will be able to satisfy any woman anytime. Sexual satisfaction in

women does not depend on the size of your manhood but how you use it. This book will help any man bothered by the size of his penis to identify and correct any distorted beliefs he may have regarding his penis. Much of the distorted ways of thinking about sexuality stem from the fact that many of the men who have this problem have exposed themselves to a lot of pornography. One of the many problems related to pornography is that it misrepresent what human sexuality is about; replacing intimacy and love with simple and raw sex. We recommend that men who watch a lot of porn and who suspect that they may be suffering in part because of this would definitely benefit from this book on adult sex education. It will help them gain a better perspective on what normal sexuality is actually about.
