I Love Jesus, But I Want to Die - Sarah J. Robinson 2021-05-11

A compassionate, shame-free guide for your darkest days “A one-of-a-kind book . . . to read for yourself or give to a struggling friend or loved one without the fear that depression and suicidal thoughts will be minimized, medicalized or over-spiritualized.”—Kay Warren, cofounder of Saddleback Church What happens when loving Jesus doesn’t cure you of depression, anxiety, or suicidal thoughts? You might be crushed by shame over your mental illness, only to be told by well-meaning Christians to “choose joy” and “pray more.” So you beg God to take away the pain, but nothing eases the ache inside. As darkness lingers and color drains from your world, you’re left wondering if God has abandoned you. You just want a way out. But there’s hope. In *I Love Jesus, But I Want to Die*, Sarah J. Robinson offers a healthy, practical, and shame-free guide for Christians struggling with mental illness. With unflinching honesty, Sarah shares her story of battling depression and fighting to stay alive despite toxic theology that made her afraid to seek help outside the church. Pairing her own story with scriptural insights, mental health research, and simple practices, Sarah helps you reconnect with the God who is present in our deepest anguish and discover that you are worth everything it takes to get better. Beautifully written and full of hard-won wisdom, *I Love Jesus, But I Want to Die* offers a path toward a rich, hope-filled life in Christ, even when healing doesn’t look like what you expect.

Get Over Yourself! - Patti Novak 2008-12-30

True love doesn’t just happen, notes professional matchmaker Patti Novak. You have to work for it—and want it. Forget eight-minute speed dates or online dating sites with twenty-page questionnaires that promise a scientifically calculated perfect match. The fact that you both like golf, stamp collecting, and pizza with anchovies is great, but it won’t mean a thing if you don’t feel that zing. But before there can be sparks, there have to be dates. And before the first date, you need to get over yourself! Taking a tough-love approach, and in her signature straight-shooting style, Patti will show you how to fix what needs to be fixed, reach your core, and identify who you are and what you want in a partner. She uses a three-part common-sense formula: • Getting Over What? Assess your dating weaknesses, recognize what’s not working, and adjust your expectations. Delve into your personal history and past relationships, and pinpoint the issues

that have been holding you back. • Almost Over It Fine-tune your attitude, your look, and your behavior to maximize your dating chances. Novak lays out strategies to help you deal with the brutal dating monsters you find along the way. • Over It Learn the do's and don'ts of the first date, the second date, and beyond. Remember, it's not a job interview or therapy session. Pretend you're meeting a new friend, not a prospective husband or wife. Finding your one and only isn't about having the right shoes or a flat stomach. It's about being true to yourself, being vulnerable, and being ready for love. Whether you're new to the dating scene, divorced and looking, or just trying to reach that second date, Get Over Yourself! will help you get the love you've always wanted and deserve.

Fracture is coming soon and features Landon & Everleigh's story, a fake dating enemies to lovers romance! I need a date for a fraternity event. A respectable one, even if she's a tad prissy. And I know just who to ask. Everleigh Peters. Even though her cold atmosphere drives me crazy, I know she won't hesitate to say yes. She's crushing on me just like all the girls on campus. I mean, can you blame them? I'm a catch. I didn't expect us to have fun together. Or that I'd want her as my date to all the parties. Or even that she'd end up using me also to appease her stuffy, overbearing parents. As one fake date turns into many, I think I'm enjoying the best of both worlds. Yet when lines begin to blur, past mistakes return, and secrets reveal themselves, hurt knocks me sideways and reminds me this is all fake. Just like I wanted. Just like I deserved. All books will be standalones, and while the series will be more enjoyable if read in order, the books can be read as complete standalone stories.

So without further adieu this is the poetry of my life. I have been writing since I was around 14 or 15 years of age, but I have been very vocal about what I want to do with my life and that is writing any and everything. I have had a passion for writing since I was 12 as far as I can remember. Writing will always be my first and last true love in my life. I have seen how much my writing has matured over the years and I am very proud of the pieces you will read throughout this book. I am still writing but the very last poem is my latest piece and I am so grateful for the opportunity to share the world with my talent. Many people will look at this and judge or say these poems are not good and I am okay with that, I know that throughout the obstacles in my life the only thing that kept me sane was my writing and my ability to write and for a while I wasn't writing. I thought I had lost the passion or even worse the gift of being able to write and it took me a minute to know that that wasn't true. I have told

my life in more ways than one in my poetry and you will see that as you read them in this book. It took me a long time to find the strength to create this book. I hope you really take in my work and understand me a little more. Thank you for willing to read and understand me through my poetry, this was a long overdue project for me. Can you believe it? Can you believe it? that at 13 I was depressed Can you believe it? that I'm afraid of my past coming back to haunt me Can you believe it? that at 14 I was happy Can you believe it? that my happiness didn't last long Can you believe it? that I turned to pain as a way out Can you believe it? that I turned to music as a way out also Can you believe it? that at 15 I fell in love Can you believe it? that my first love hurt me deeply can you believe that for a brief second I was happy Can you believe it? that I was still turning to pain and music as a way out Can you believe it? that i'm still 15 and I'm still afraid of my past Can you believe it? that I'm now afraid for my future Life and love I once met a girl who at 15 fell in Love with a guy who was 19 they dated for a month and it was the worst month of her life she realized that she was in love but he wasn't when they broke up she was heart broken she kept it all inside she had other boyfriends but she didn't want them she wanted him by the time she was single he found someone new and fell in love again heartbroken she begin to go to pain and music to deal with the heartbreak of losing the one she loves Knowing the unknown What is love? Love is laughing so hard you can't Breath Love is smiling till it hurts Love is crying till you can't cry no More What is life? Life is tears Life is smiles Life is mistakes and lessons What is me and you? I don't know what you and me is Is it love? is it forever? Is it never? I don't know Do you know what me and you are? Do you know if it is love? if it is Forever? If it is never? do you know? In life there is a sense of the Unknowing You never know what life holds for us So you chose your path in life Love is unknowing You could mistake love for lust Love won't last forever In both love and life There is a sense of the unknowing Can you figure it out Invisible girl invisible girl that's me no one can see me invisible is me invisible girl that's me no one can hear me invisible is me invisible girl that's me the ghost of darkness invisible is me invisible girl that's me proud of it invisible is me invisible girl that's me embracing it invisible is me I am I am pretty smart funny I am an actor a singer a poet I am a writer a painter a song writer I am different human undefined Human Human This one word has a lot to say can it be defined Human It defines anybody who can define it everybody can Human can be a person dead or alive so can it be defined Human it can be defined it defines me I am H.U.M.A.N Dead dreams I have high hopes in my life I want to be an actor some day I have the skills to do a lot of things I have low hopes in my life I do not think I can be a poet or actor some day I do not think I have the skills for that I have no hope in my life I think I am still the indivisible girl I have no hope in my life I have no dreams My dreams are dead Blinded by the past Blinded by the fear. But turns around and threats to leave How do I live like this? Wanna leave? But I know I'll be right back A vicious cycle I'm stuck in How do I get out of it? Don't know what to do. Tired of this life Trying to figure out what to do Know I love him Know I can't live without How do I live? I can't believe a word he says I can't trust his word Tired of the cycle I'm in Just wanna scream out Just wanna break out of it Don't know how? Don't know what to do anymore. Life flashing before my eyes Wishing that dying was faster Painless, but slow death An inner war Everyday there is a war inside me My heart and my mind fighting My heart screams out louder Than my mind, but there's still war My heart and mind fight everyday My mind can say one thing My heart another Screaming at the top of their lungs at each other And then silence is left As one battle has ended, but the war hasn't It's an everyday battle Between my heart and mind Everytime the battle ends I'm left to decide who's right? My heart or my mind Who I should listen to? My heart or my mind. I somehow mistakenly choose my mind My mind I always seems to listen to My heart always seems to silence or cage it, but never free it. I have a heart caged away. I have a heart screaming to be listened to A heart wanting to be free. There's a war inside me everyday A war I can only stop by freeing my heart from its cage Love, scary? Love, scary? Maybe There's always something to be afraid Love is one Love, hurtful? No, it may seem like it but no It's peaceful to love in caged It's beautiful. Love, scary? Yeah, but it's worth it. Loving someone unconditional and uncaged is worth it Questions Question after question swirl in my mind everyday Question after question form in my head that I am and was to scared to ask you and them Hate fueling up in my body everyday since the day Hate pouring out of me at people that dont deserve it For so long I have been afraid of the dark For so long I have been afraid of you... of myself and how far this razor can go For so long I have been guilty of it all. Question after question make shape in my mind everyday Question after question runs through my mind like a track star everyday Depression is getting stronger and stronger as time goes by Life goes on and time goes on without a care in the world for us humans and our emotions To afraid to speak to you or anyone about the incident To afraid everyday to sleep in the dark every night My fear and hatred and anger and depression takes over and overwhelms me like boulders daily Question after question pushed deeper and deeper into the back of my mind Question after question cloud my mind like a thick fog Long nights and rough mornings get harder and harder to deal with All the booze and drugs in the world don't help clear the fog On a daily basis I look for some type of numbing to just be okay for one night Just in search of one night of bliss and peace.....
