I'm Your Girl - J.J. Murray 2010-03-01

For public library clerk Diane Anderson, reading romance novels and living vicariously is far easier than attracting a flesh-and-blood man of her own. It seems she's too voluptuous in the wrong places to attract the kind of black man

her mama requires as a son-in-law. . .and just exotic enough to attract the kind of white man Mama forbids. But there's something about that lost-looking guy who comes into the library one afternoon. And when he reveals that Diane is his muse, well, she can't help being intrigued. . . After months spent mourning a personal tragedy, novelist Jack Browning is struggling to get back to work. Under pressure to write his second novel, Jack hits the library for ideas. The clerk who helps him is smart, sassy--and curvy in all the right places. He finds himself thinking of Diane as he creates the heroine of his book. And soon, she's knocking down the wall he'd built around himself, becoming the inspiration for his art. . .and maybe even for his life. . . "Murray writes a gentle romance about cultural differences and deep commonalities in a unique tale about white-black relationships." --Booklist [How to Attract Women If You're Not That Attractive](#) - Enrique Voltaire 2017-04-13

scientific evidence, I mean cited peer-reviewed literature, not pop evolutionary psychology or the "law of attraction." You won't be reading anecdotes telling you about my "successes" or opinions; you'll be learning the practical steps necessary for the specific changes you want to manifest in your life. The Guyde is divided into four sections: Part I - Psychology Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more. Part II - Social Skills For many men, the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your body language and vocal tonality to project

confidence and charisma. Part III - Physical Attractiveness Part III will teach you how to improve your physical features. The first two chapters detail the most clinically effective approaches to diet and exercise. We'll also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating The final portion of The Guyde deals with dating, in this version, in a heterosexual male context. You'll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and "ghosting." You'll learn how to interact physically while being sensitive to your date's wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into, and you'll come to understand a bit about what it's like to date from a woman's perspective, including many of the cultural factors they face
