What To Do When You Don't Have A Book Coming Out & Even More Sage Advice

Angela Slatter 2022-03-01 "Your career is unlikely to be a constant stream of hits, accolades, festival circuits — and that's kind of good, because if you're constantly on-the-road, it's hard to write and create." In these essays, Angela Slatter — the celebrated author of the Sourdough stories, the Verity Fassbinder series, and (as A.G. Slatter) All The Murmuring Bones — tackles just what it takes to sustain a writing career after your book has launched. Building on years of blog posts, keynotes, and articles, *What To Do When You Don't Have A Book Coming Out* explores ways you stay visible and sustain a writing career, with advice on doing public readings, applying for grants, engaging with your community, and surviving the fallow periods when the next release seems very distant. Whether you're a new writer trying to plot out your career, or an existing fan of Slatter's writing looking for yet more sage advice, this chapbook provides a second look at the philosophy and processes of one of Australia's most acclaimed writers of fantasy and horror.

While it's a story about two particular families coming together as one, it also explores the nature of family generally, the imperfections, jealousies, and secrets that lie side by side with its loyalties, unconditional love, and frankness. Family are the friends you can't avoid. Erin's advice to her son on living with family is somewhat longer and more positive than Lord Chesterfield's 18th Century advice to a young man contemplating marriage: "Don't..."
