Two Times Intro - Michael Stipe 2011-08-30

"Michael Stipe's photo-journal of Patti Smith's celebrated return to touring . . . Patti's image burns into pictures with weird radioactive mystery."

—Spin This book comprises Michael Stipe's intimate and evocative photos of Patti Smith on tour in 1995, along with other cultural celebrities who appeared with her, such as Allen Ginsberg. In addition to text by Stipe, William S. Burroughs, and Patti Smith, there is also commentary from Thurston Moore, Kim Gordon, Lenny Kaye, Tom Verlaine, and more. "This isn't a traditional book of portraits . . . The

overwhelming mood is one of disjunction, claustrophobia, exhaustion, temporariness—and the effect is raw and intimate."

—Publishers Weekly "An energetic and gracious tribute to not only a great artist, but also to a powerful moment in her oeuvre—and to those who contributed to it and shared in it." —New York Journal of Books "Stipe's personal friendship lends something greater to the overall vision of this book. It isn't simply a set of snapshots of performances, but rather a collection of rare moments. The personal nature of the anthology makes it all the more enticing and enjoyable. Smith, in all her glory and awe-inspiring talent, is portrayed in the truest light." —Verbicide Magazine "A fascinating book . . . including appearances by Allen Ginsberg, Gregory Corso, Tom Verlaine, the members of Sonic Youth and more . . . and the short text tributes to Smith by these people, scattered throughout the manuscript, are well worth your time." —Chicago Center
