I, Eliza Hamilton - Susan Holloway Scott 2017-09-26

The strong-willed, heroic wife of Alexander Hamilton tells her story in this historical novel by the bestselling author of *The Secret Wife of Aaron Burr*. As the daughter of a respected general, Elizabeth Schuyler is accustomed to socializing with dignitaries and soldiers. But no visitor to her parents' home has affected her so strongly as Alexander Hamilton, a charismatic, ambitious aide to George Washington. They marry quickly, and despite the tumult of the American Revolution, Eliza is confident in her husband and in her role as his helpmate. But it is in the aftermath of war, as Hamilton becomes one of the country's most important figures, that she truly comes into her own. In the new capital, Eliza becomes an adored member of society, respected for her fierce devotion to Hamilton as well as her grace. Behind closed doors, she astutely manages their expanding household and assists her husband with his political writings. Yet some challenges are impossible to prepare for. Through scandal, betrayal, heartbreak, and tragedy, she is tested again and again. In the end, it will be Eliza's strength that makes her not only Hamilton's most crucial ally in life, but also his most loyal advocate after his death, determined to preserve his legacy while pursuing her own path through the nation they helped shape together. "Scott expertly handles the complex history and complicated romance, moving the personal and political plots briskly. Readers will be captivated by the affecting portrait Scott has painted of Eliza as an American patriot who was witness and counsel to Alexander's enduring legacy." —Publishers Weekly (starred review) "Your next Hamilton obsession." —Bustle

Dear Canada: A Prairie as Wide as the Sea - Sarah Ellis 2011-09-01

Ivy Weatherall is just 11 years old when her family leaves England for the promised riches of Canada's expanding West. They've come to join her uncle for the available land, the lush harvests, and the opportunity for success. But in Milorie, Saskatchewan, their dreams crumble into dust when they reach Uncle Alf's small sod hut and discover that jobs are scarce, and that they can barely make ends meet. Ivy's relatives pack up and head back to England, but to Ivy, Canada is full of wonder and beginning to feel like home. There are challenges in her new life, but Ivy's feisty character and her sense of wonder for a prairie as wide as the sea make her adventure one that readers won't easily forget. Vetted by a historical expert, this book contains maps, period illustrations/documents, and an extensive historical note.

Alex and Eliza - Melissa de la Cruz 2017-09-26

1777. Albany, New York. As battle cries of the American Revolution echo in the distance, servants flutter about preparing for one of New York society's biggest events: the Schuylers' grand ball. Descended from two of the oldest and most distinguished bloodlines in New York, the Schuylers are proud to be one of their fledgling country's founding families, and even prouder still of their three daughters - Angelica, with her razor-sharp wit; Peggy, with her dazzling looks, and Eliza, whose beauty and charm rival those of both her sisters, though she'd rather be aiding the colonists' cause than dressing up for some silly ball. Still, Eliza can barely contain her excitement when she hears of the arrival of one Alexander Hamilton, a mysterious, rakish young colonel and General George Washington's right-hand man. Though Alex has arrived as the bearer of bad news for the Schuylers, he can't believe his luck - as an orphan, and a bastard one at that - to be in such esteemed company. And when Alex and Eliza meet that fateful night, so begins an epic love story that would forever change the course of American history.

Ever heard of keeping your friends close and your enemies closer? That's exactly what Ally Lockwood has to do when the hottest guy at Fairview High, and her sworn nemesis, moves in with her family for senior year. Most girls would do anything to live across the hall from Chase Williams, but Ally isn't fooled by his good looks or brooding charm. She's been on the wrong side of him for years, and knows all too well how sly and manipulative he truly is. She's desperate to get rid of him. Luckily, her friends have a genius plan to ensure Ally's over-protective father kicks Chase out of the house for good. All she has to do is convince him to date her and make sure they get caught...

When You Came Back - Yesenia Vargas 2016-07-08

Katia just saw the last person she'd ever expect. Brian, who she hasn't seen since they were nine years old. Because he moved away without saying goodbye. Brian, who was her best friend in fourth grade and made her laugh and made forts with her in the woods. Who left her alone when she needed him most. Now he's back. Her best friend, Adam, isn't thrilled. Except Brian's completely different than she remembers. He's not the boy next door anymore. There's a darkness inside him, and he won't tell her what caused it. But Katia knows the Brian she remembers is still inside there somewhere. She's seen a flicker of it in his eyes when he comes in close and tells her to stay away. She's determined to find the real Brian. And to find out what happened.

Adorkable - Cookie O'Gorman 2019-12-03

"Captivating, fun, and totally swoon-worthy! This is the kind of story my reader heart craves." —Rachel Harris, New York Times bestselling author of *Eyes on Me* Available in print for the first time, and with exclusive bonus content only found in the print version! Fall in love with Sally and Becks all over again. Adorkable (ah-dor-kuh-bul): Descriptive term meaning to be equal parts dorky and adorable. For reference, see Sally Spitz. Seventeen-year-old Sally Spitz is done with dating. Or at least, she's done with the horrible blind dates/hookups/sneak attacks her matchmaking bestie, Hooker, sets her up on. There's only so much one geek girl and Gryffindor supporter can take. Her solution: She needs a fake boyfriend. And fast. Enter Becks, soccer phenom, all-around hottie, and Sally's best friend practically since birth. When Sally asks Becks to be her F.B.F. (fake boyfriend), Becks is only too happy to be used. He'd do anything for Sal—even if that means giving her PDA lessons in his bedroom, saying she's "more than pretty," and expertly kissing her at parties. The problem: Sally's been in love with Becks all her life—and he's completely clueless. This book features two best friends, one special-edition Yoda Snuggie, countless beneath-the-ear kisses, and begs the question: Who wants a real boyfriend when faking it is so much more fun?

#theboyfrienddare - Yesenia Vargas 2019-02-15

Will a game of truth or dare ruin their friendship—or turn it into something more? Lena has never kissed a boy for anything other than fun. So when a dare turns into kissing her best guy friend, Ian, she does not expect for fireworks to go off. The problem? Ian wants his ex-

girlfriend back. And to do that, he dares Lena to become his fake girlfriend and remind his ex just what she's missing out on. But it's all just pretend, right? Except the longer this dare goes on, the more Lena falls for Ian. A guy who makes her laugh, cheers her on the soccer field, and... makes kissing for real not so scary. Will this fake relationship mess up their friendship for good? Or take it to the next level? Fans of *To All The Boys I've Loved Before* will fall in love with this next installment of the *#BestFriendsForever* series. Grab book 4 and continue this popular new series today!

Sleepover with the Enemy - Maggie Dallen 2021-01-06

Locked in a school overnight with her arch nemesis? Nope. Nothing could go wrong with this plan. Chaperone the middle-school co-ed sleepover, they said. It'll be fun, they said. Too bad they forgot to tell Max that the boys' chaperone was none other than Alex Luven, AKA the bane of her existence. Max could survive one night with the enemy, though. Right? It wasn't like they had to be friends, just allies. Because when it came to watching a bunch of hormonally challenged tweens, it was clear that this was war. These little heathens didn't want to play Monopoly, they wanted to play Spin the Bottle and Seven Minutes in Heaven. Worse? They thought it was hilarious to watch their chaperones go head to head in a heated game of Truth or Dare. One night had never felt so long. But when it's all over and these opponents go back to their respective corners, the future is far from clear. With secrets exposed and a certain kiss in a closet under their belts, no one knows where things stand anymore. Are Max and Alex still enemies? Or is it possible that the fine line between love and hate was real...and they'd crossed it?

The Silence Between Us - Alison Gervais 2019-08-13

Faced with the challenges of transitioning from a Hard of Hearing School to a Hearing high school, Maya has more than a learning curve. But what if she has more to learn about herself and how far she is willing to push for what she believes in? Perfect for contemporary fiction fans, *The Silence Between Us* is a novel that doesn't shy away from the real-life struggles of high school, heart break, and d/Deaf culture. Schneider Family Book Award, Best Teen Honor Book 2020 Torn from her Hard of Hearing school when her mother's job takes them across the country, Deaf teen Maya must attend a hearing school for the first time since her hearing loss. As if that wasn't hard enough, she also has to adjust to the hearing culture, which she finds frustrating. When her new friends and classmates start pushing into Maya's thoughts about what it means to be Deaf, it clashes with her idea of self-worth and values. Looking past graduation towards a future medical career, Maya knows nothing, not even an unexpected romance, will derail her pursuits or cause her to question her integrity. Wattpad sensation Alison Gervais writes a stunning portrayal of the Deaf and Hard of Hearing culture in this clean YA contemporary romance. Drawing from her own deaf experience and relationship with the HoH community, Gervais provides a personal interview and commentary on cochlear implants. *The Silence Between Us* mixes lighthearted romance with deeper social issues facing minority groups. "The Silence Between Us? is eminently un-put-down-able." (NPR) "Gervais deftly renders both the nuanced, everyday realities of life with disability and Maya's fierce pride in her Deafness, delivering a vibrant story that will resonate with Deaf and hearing audiences alike." -?Booklist "A solid addition to middle/high school fiction that allows for deep discussion about stereotypes concerning disabilities."?School Library Journal "This is a great YA contemporary (clean) romance that follows Maya as she navigates a new school and plans for her future. The addition of representation by a Deaf character was really beautifully done. Highly recommend for people looking for a sweet, engaging, and educational romantic read." (YA and Kids Book Central)

Jo & Laurie - Margaret Stohl 2020-06-02

Bestselling authors Margaret Stohl and Melissa de la Cruz bring us a romantic retelling of *Little Women* starring Jo March and her best friend, the boy next door, Theodore "Laurie" Laurence. 1869, Concord, Massachusetts: After the publication of her first novel, Jo March is shocked to discover her book of scribbles has become a bestseller, and her publisher and fans demand a sequel. While pressured into coming up with a story, she goes to New York with her dear friend Laurie for a week of inspiration--museums, operas, and even a once-in-a-lifetime reading by Charles Dickens himself! But Laurie has romance on his mind, and despite her growing feelings, Jo's desire to remain independent leads her to turn down his heartfelt marriage proposal and sends the poor boy off to college heartbroken. When Laurie returns to Concord with a sophisticated new girlfriend, will Jo finally communicate her true heart's desire or lose the love of her life forever?

Instant Karma - Marissa Meyer 2020-11-03

In *New York Times* bestselling author Marissa Meyer's young adult contemporary romance, a girl is suddenly gifted with the ability to cast instant karma on those around her - both good and bad. Chronic overachiever Prudence Barnett is always quick to cast judgment on the lazy, rude, and arrogant residents of her coastal town. Her dreams of karmic justice are fulfilled when, after a night out with her friends, she wakes up with the sudden ability to cast instant karma on those around her. Pru giddily makes use of the power, punishing everyone from public vandals to mean gossips, but there is one person on whom her powers consistently backfire: Quint Erickson, her slacker of a lab partner. Quint is annoyingly cute and impressively noble, especially when it comes to his work with the rescue center for local sea animals. When Pru resigns herself to working at the rescue center for extra credit, she begins to uncover truths about baby otters, environmental upheaval, and romantic crossed signals—not necessarily in that order. Her newfound karmic insights reveal how thin the line is between virtue and vanity, generosity and greed . . . love and hate... and fate.
