volumes from our bestselling  
authors. SAFE HAVEN

Ebenezer Scott is done being a mercenary. All this retired soldier of fortune wants is to finally have some peace and quiet. Though when schoolteacher Sally Johnson's life is put in danger, Eb will do anything to keep her safe. Sally doesn't want his help—or his advances—but Eb is determined to protect her, and to prove he's exactly what Sally needs, one kiss at a time. Sally used to dream of the day Eb held her in his powerful embrace. But he broke her heart six years ago, and she can't trust him to not hurt her

again. But when someone threatens her and her nephew, the reclusive mercenary is the only one she can turn to. Now Eb must risk it all to win the sweet-natured beauty over...before it's too late. FREE BONUS STORY INCLUDED IN THIS VOLUME! His Secret Child by Lee Tobin McClain When a storm strands Fern Easton and Carlo Camden at a dog rescue farm, it's hard for her not to be won over by how capable he is with her foster child. Carlo has returned home to be a father to a daughter he never knew existed. But he might just have found the woman of his dreams, too... Previously published.

Soldiers of Fortune - Diana Palmer 2000

As part of Silhouette's 20th anniversary in 2000, Diana Palmer is featured in this

special 3-in-1 collector's edition, which includes the very first book, "Soldiers of Fortune, " as well as the sequels, "The Tender Stranger" and "Enamored." These stories feature daring and passionate heroes who were once mercenaries in the Central American jungle.

Soldier of Fortune Guide to How to Become a Mercenary - Barry Davies 2013-03-01

Mercenaries perform one of the most dangerous and feared jobs in the world. Their task is to go into remote locations and remove their targets by any means necessary. They are "hired hands," and have no remorse for their actions. Along with Soldier of Fortune magazine, Barry Davies teaches you the training and knowledge that goes into being a mercenary. Davies will also go into the history of the profession and show how it has evolved. It's always been about the money, but in this book, you will learn all the skills that you must acquire before you take your first job. You will learn:

- Where and how to find

- work
- How to understand and apply the most modern tactics
- What languages to master
- Which weapons are preferred
- How to disappear after you've completed your job

Mercenaries are usually trained as part of the best Special Forces, including American Delta Force, British SAS, French Foreign Legion, Marines, SBS, SEALs, and many others. This guide will teach you everything you've ever needed to know about becoming a mercenary, and also how to excel at it with information on weapons, escape plans, and overall safety. Remember, Article 47 of the Geneva Convention states that "a mercenary shall not have the right to be a combatant or a prisoner of war." Getting caught is not an option, and in this manual, you will learn how to avoid that at all costs.

Mercenaries and War - National Defense University Press 2019-12-18

Mercenaries are more powerful than experts realize, a grave oversight. Those who assume

they are cheap imitations of national armed forces invite disaster because for-profit warriors are a wholly different genus and species of fighter. Private military companies such as the Wagner Group are more like heavily armed multinational corporations than the Marine Corps. Their employees are recruited from different countries, and profitability is everything. Patriotism is unimportant, and sometimes a liability.

Unsurprisingly, mercenaries do not fight conventionally, and traditional war strategies used against them may backfire.

**Soldier of Fortune** - Diana Palmer 2014-04-15

For Gabby Darwin, working as a paralegal for one of the most famous criminal lawyers in Chicago was a full-time job. J.D. was demanding, and never gave Gabby a thought—until the unforeseen happened and they were on a secret mission to Central America to track down terrorist kidnapers. There, Gabby saw J. D.'s wildest, most dangerous side. She found out about his

mercenary past, and saw real hunger for her growing in his dark, indulgent eyes. And she'd thought he was such a civilized man! Already J. D. had taken Gabby's heart, leaving her helpless with fear and breathless with desire....

**Mercenaries** - Col. Michael Lee Lanning 2007-12-18  
SOLDIERS OF \$\$ Privateers, contract killers, corporate warriors. Contract soldiers go by many names, but they all have one thing in common: They fight for money and plunder rather than liberty, God, or country. Now acclaimed author and war vet Michael Lee Lanning traces the compelling history of these fighting machines—from the “Sea Peoples” who fought for the pharaohs’ greater glory to today’s soldiers for hire from private military companies (PMCs) in Iraq and

Afghanistan. What emerges is a fascinating account of the men who fight other people's wars—the Greeks who built an empire for Alexander the Great, the Nubians who accompanied Hannibal across the Alps, the Irish who became the first to go global in their search for work. Soldiers of fortune have always had the power to change the course of war, and Lanning examines their pivotal roles in individual battles and in the rise and fall of empires. As the employment of contract soldiers spreads in Iraq and America's War on Terrorism—the U.S. paid \$30 billion to PMCs in 2003 alone—Mercenaries offers a valuable inside look at a system that appears embedded in our nation's future. Mercenary's Woman Ebenezer Scott is done being mercenary. All this retired soldier of fortune wants is to finally have some peace and quiet. But when schoolteacher Sally

Johnson life is put in danger, Eb will do anything to keep her safe. Yet Sally doesn't want his help - or his advances. Eb is determined to protect her, and to prove he's exactly what Sally needs - one kiss at a time. Sally used to dream of the day Eb held her in his powerful embrace. But he broke Sally's heart six years ago, and she can't trust him to not hurt her again. But when someone threatens her, and her nephew, the reclusive mercenary is the only one she can turn to. Now Eb must risk it all to win the sweet-natured beauty over...before it's too late. The Winter Soldier Most everyone in town steered clear of taciturn Cy Parks. However, lovely young Lisa Monroe wasn't exactly quaking in her boots at the sight of Cy; instead, she electrified the formidable loner with her sweetly tantalising kisses. Their fiery passion escalated when the winter soldier returned to the line of duty...and claimed the lovely Lisa as his wife, but only to shield her from a revenge-

seeking desperado. Against his own will, Cy found himself getting mighty possessive over this enchanting woman who needed the type of safeguarding only he could provide. But who would protect the beguiling bride from him?

**Soldiers of Fortune** - Richard Harding Davis 1897

A romance of America's nascent imperial power, Richard Harding Davis's *Soldiers of Fortune* recounts the adventures of Robert Clay, a mining engineer and sometime mercenary, and Hope Langham, the daughter of a wealthy American industrialist, as they become caught up in a coup in Olancho, a fictional Latin American republic. When the coup, organized by corrupt politicians and generals, threatens the American-owned Valencia Mining Company, Clay organizes his workers and the handful of Americans visiting the mine into a counter-coup force. Written on the eve of the Spanish-American War, *Soldiers of Fortune* casts the young

American as the dashing, hypermasculine hero of the new military and economy. A huge best-seller, the novel did its part to push the nation into war against Spain, and stands as one of the most important texts in the literature of American imperialism. The appendices, which bring together primary materials by writers and politicians such as Rebecca Harding Davis, Theodore Roosevelt, Jose Martí, Mark Twain, Herbert Spencer, and others, address such issues as social Darwinism, masculinity, and ideas of Anglo-American superiority.

**The Mercenaries** - Lindsay McKenna 2017-06-01

Hunter's Woman Whatever Hunter wanted...Hunter got. And the long, lean military man wanted his woman back from the moment he set his piercing gaze on her again. Ty Hunter might have let Dr Catt Alborak walk away once, but not even a passionate Texas hellion like her could escape him a second time. This time his mission was personal. He vowed to give the

stubborn beauty everything he'd foolishly denied her once...his heart, his soul - and most of all, his child. Hunter's Pride The tougher Hunter was...the harder he was bound to fall. But that didn't stop rugged mercenary Devlin Hunter from shrugging off his boss's order to partner up with pretty Kulani Dawson on his latest mission. After all, a man had his pride - and this man worked alone. But Kulani wasn't about to let Dev stalk off into dangerous territory without a guide. And after a few nights fraught with danger - and passion - Dev's biggest battle was keeping his beautiful partner from stealing his heart and destroying his vow to never ever fall in love!

The Untamed Hunter  
 Rock-solid, hard-bitten and no stranger to danger, mercenary Shep Hunter was going to run his latest mission without interference from Dr Maggie Harper - the woman who'd stubbornly walked away from him years ago. But Maggie had some definite ideas about how to handle their covert

assignment - and her passionate persuasion told Shep she knew just how to handle him! Now the strong soldier of fortune wondered if he could keep beautiful Maggie under his command without giving up his hardened heart...

**Highway to Hell** - John Geddes 2007

'Anyone entering Iraq must travel the road from Amman to Baghdad along the Fallujah by-pass and around the Ramadi Ring Road. It's the most dangerous trunk route in the world used as a personal, fairground shooting gallery by insurgents and Islamists with rocket propelled grenades and Kalashnikovs. For newcomers to the country it's terrifying -- but hell only really begins when that first journey ends''Present-day Iraq- a crucible of torture, chemical warfare and Islamic terrorism, and straddling over it all the mighty US Army and its allies; but there's another western army in Iraq that dwarfs the British contingent and is second only in size to the US Army itself.It's a disparate and

anarchic multi-national force of men gathered from twenty or more countries numbering some 30,000. It's a mercenary army of men and a few women with guns for hire earning an average of \$1,000 dollars a day. They are in Iraq to provide security for the businessmen, surveyors, building contractors, oil experts, aid workers and, of course, the TV crews who have flocked to the country to pick over the carcass of Saddam's regime and help the country rebuild. Not since the days when the East India Company used soldiers of fortune to depose fabulously wealthy Maharajas and conquer India for Great Britain, and mercenaries fought George Washington's Continental Army for King George, has such a large and lethal independent fighting force been assembled. Once upon a time such men were called freelances, mercenaries, soldiers of fortune or dogs of war, but today they go under a different name- private military contractors. There's a far more fundamental sea change, too,

as women have joined their ranks in significant numbers for the first time, bringing a new and interesting dynamic into the equation. In Iraq today the majority of their number are men who come from 'real deal' Special Forces units or former soldiers from regular units and regiments; all of them know what they're about and rub shoulders together more or less comfortably with at least a shared understanding of basic military requirements. One such man is John Geddes, ex-SAS warrant officer and veteran of a fistful of hard wars who became a member of the private army in Iraq for the eighteen months immediately following George W. Bush's declaration of the end of hostilities in early May 2003. Now, for the first time, John Geddes will reveal the inside story of this extraordinary private army and the private war they are still fighting with the insurgents in Iraq.

Reproduction of the original.

**Southern Soldiers of Fortune** - Leslie North  
Three heart-pounding military romances featuring strong, sexy Navy SEALs...and the feisty women who steal their hearts... The Southern Soldiers of Fortune are tough, loyal, and fiercely protective of those they love—to an almost maddening degree. Former Navy SEALs who are now part of the elite mercenary organization, these

men fall hard for the remarkable, independent women who manage to crack the shells around their jaded hearts—no matter how much they try to resist. Unfortunately for these men, the women they love have a knack for putting their lives in danger, and send these tough guys on missions that would make a military operation seem like a walk in the park. For these women, having a big, bossy man take over their lives is more than a little annoying. But maybe having a gorgeous guy keeping them safe from sure disaster isn't the worst thing that can happen. Sexy SEALs, strong women, secret babies, and instant families, the Southern Soldiers of Fortune have it all. Fall in love with this steamy military box set...

MERCENARY'S WOMAN

"Retired" soldier of fortune Ebenezer Scott was a bad boy to the core. Schoolteacher Sally Johnson was the fresh scrubbed beauty from across the street. When Sally's life was put in danger, Ebenezer fought to protect her. But this sweet-natured beauty yearned for so much more. She dreamed of a lifetime of love in Ebenezer Scott's big, strong arms. Could she slip through his ironclad defenses and become this beloved

mercenary's bride? THE WINTER SOLDIER Everyone in Jacobsville, Texas, steered clear of taciturn Cy Parks. Except spirited Lisa Monroe. To shield the lovely Lisa from a revenge-seeking desperado, the winter soldier claimed her as his bride. Clearly, Cy was getting possessive of this alluring woman who needed the type of safeguarding only he could provide. But who

would protect the beguiling bride from him?

**The Last Mercenary** - Diana Palmer 2014

Micah Steele is forced to pick up his gun once again when Callie Kirby, a woman from his past, is kidnapped by his sworn enemy, and Lily Germaine helps Noah Laramie get his life back on track after he loses an arm in Afghanistan.
