**The Exercise of Biopower through Race and Class in the Harry Potter Series** - Nilay Erdem Ayyıldız 2020-08-14

This book offers a biopolitical analysis of J. K. Rowling's globally-known Harry Potter series, including Jack Thorne and John Tiffany's stage production of Rowling's story, *Harry Potter and the Cursed Child* (2016). It indicates that modern children's fantasy school stories both perpetuate power inequalities as an effective dispositif of bioengineering, and simultaneously provide a political dissident perspective to power relations through an impossible fantasy world parallel to the real one. It applies Michel Foucault's biopolitical analytics, referring to his key works to reveal that race and class are used interactively as an agent for the exercise of biopower, in addition to Michael Hardt and Antonio Negri's rereading of Foucauldian biopolitics and biopower, introducing the concepts of "multitude," "the common," and "the Empire" to decipher the relationship between power and resistance besides the types and results of resistance in relation to biopolitics and biopower. As such, the book will appeal to undergraduates, academics, and all readers interested in modern fantasy works and school stories as well as critical theories, including those of Foucault and Hardt and Negri, particularly biopolitical analytics.

*Peace, Love & Tear Gas* - Thomas Vergouwen 2013

*A Partner in Holiness* - Rabbi Jonathan P. Slater, DMin 2014-07-17

Find inspiration for a satisfying spiritual life of practice through the combination of contemporary mindfulness meditation and classical Hasidic spirituality. The soul yearns to feel connected to something greater and to know happiness despite personal suffering and seemingly endless need. Surprisingly, the perspectives of the late eighteenth- and nineteenth-century Hasidic spiritual teachers offer a radically different Jewish theology that speaks directly to today's spiritual seekers whose faith has been shattered by both modernity and the Holocaust. These masters taught of interdependence, interconnectedness, selflessness, service and joy, anticipating the insights of contemporary science and twenty-first-century spirituality. Bringing together the teachings of beloved Hasidic master Rabbi Levi Yitzhak of Berdichev (1740-1809) and the practice of mindfulness meditation, Rabbi Jonathan P. Slater reveals a new entrance into Jewish spiritual life. Covering the Five Books of Moses, these two volumes present accessible translations of selections from *Kedushat Levi*, R. Levi Yitzhak's Hasidic Torah commentary, which emphasizes our spiritual capacity to transform consciousness and so our life experience. The selections are paired with Rabbi Slater's commentaries to illuminate their message. "The lessons in *Kedushat Levi* were not originally intended as intellectual curiosities or as demonstrations of R. Levi Yitzhak's brilliance. They were meant to inspire religious passion and deeper spiritual practice. I believe that these teachings will come to life in us when we bring them into our lives in practice." —from the Introduction

**EarthGut: The Story of Peace, Love and Microbes** - Tami S. Hay 2019-12-12

A poetic and loving inquiry into creating sustainable, plant-based practices, *EarthGut* awakens readers to the questions we must address to prevent humanity's destructive trajectory. It is the story of our journey through peace, love, and the rich microbial realm into becoming grounded in a world rooted in change and disconnection. We are deeply connected with the earth, and its health or mistreatment is manifest in our guts. Within these pages, love, science, and story lead us to reflect on our role as stewards of the earth and each other, a reminder of our responsibility to be of service and to remain well for the next seven generations. Thus, *EarthGut* is centered on knowledge and a heartfelt sense of why peace, love, and our microbiome matters in these precarious times. Our awakening is critical and requires an exploration of both our gut health and our interconnection with the earth. Full of valuable knowledge and practices to help readers begin their journey to wellness, *EarthGut* is not only meant for seekers of health and individuals with digestive disorders and disease, but also to people with other health issues and those

seeking to practice peace. It helps to connect the dots along our journey in a way that is gentle and real, full of both story and science. Embrace the journey to living a healthful, purposeful life. In the reunion of peace, love, and microbes, we find our remembrance, our way home to a kinder planet. There is hope for all to heal.

[Crisis in the Global Mediasphere](#) - J. Lewis 2010-11-29

*Crisis in the Global Mediasphere* examines the evolution of contemporary global crises as an effect of mediation and cultural change. The book argues that a crisis consciousness has emerged through the interaction of crisis conditions and a more expansive human desire for pleasure.

*Peace Love Yoga* - Andrea R. Jain 2020

"In *Peace Love Yoga*, Jain analyses growing spiritual industries and their coherence with neoliberal capitalism. "Personal growth," "self-care," and "transformation" are just some of the generative tropes in the narrative of these industries. Jain illuminates the power dynamics underlying what she calls neoliberal spirituality, illustrating how spiritual commodities are rooted in concerns about deviancy, not only in the form of low productivity but also forms of social deviancy. Jain, however, does not just offer one more voice bemoaning the commodification of spirituality as a numbing device through which consumers ignore the problems of neoliberal capitalism or as the corruption or loss of "authentic" religious forms. Instead, she asks what we should make of subversive spiritual discourses that call on adherents to think beyond the individual and even out into the environment, claims to counter the problems of unbridled capitalism with charitable giving or "conscious capitalism," challenges to the imperialism behind the appropriation and commodification of products from yoga to mindfulness, calls for women's empowerment, and efforts to greenwash commodities, making them more environmentally "friendly" or "sustainable." Rather than a mode through which consumers ignore, escape, or are numbed to the problems of neoliberal capitalism, many spiritual commodities, corporations, and entrepreneurs, Jain suggests, do actually acknowledge those problems and, in fact, subvert them; but they subvert them through mere gestures. From provocative taglines printed across t-shirts or packaging to calls for "conscious capitalism," commodification serves as a strategy through which subversion itself is contained"--

**Heaven on Earth—A Journey Home** - Michelle Chartrand 2018-01-05

Throughout this lifetime, you have believed yourself to be a separate individual. What if that were false? What if your reality was much more than that? Life, boundless and free, infinite and eternal, the experience of unconditional love? *Heaven On Earth—A Journey Home* delves into the realization that there are no separate individuals. There is only Life. Life does its thing, whether or not it is recognized, and with that realization comes great peace. The suffering, the stories, the chaos, and the emotional roller coaster ride end. Any identity tied into the self-beliefs, concepts, and stories dissolve, and Life's vastness, beauty, and love are revealed. What appeared to require effort becomes effortless. Life simply happens. It is what is. Life expresses itself through every form and every form is Life. There is no separation. Liberation is the end of the dream of separateness. Look within and see if you can find a separate self. Seeing through the illusion is the end of suffering.

[Peace, Love and Jesus](#) - Thomas Ragland 2017-01-26

A consideration of how the Buddhist and Taoist ideas resonate through the Jesus parables, stories, and teachings. A consideration of what this would have meant in the context of the Third Jewish Roman War that lasted from the years 132 through 135. A consideration of Emperor Hadrian. A consideration of the fabled Gnostic teacher Basilides. A consideration of the fall of Messianic Judaism. A consideration of what this all would have meant to those standing in Aelia Capitolina in the aftermath of so much destruction. *Christian Anarchism* - Alexandre Christoyannopoulos 2022-02-17

Christian anarchism has been around for at least as long as "secular" anarchism. Leo Tolstoy is its most famous proponent, but there are many others, such as Jacques Ellul, Vernard Eller, Dave Andrews or the people associated with the Catholic Worker movement. They offer a compelling critique of the state, the church and the economy based on the New Testament.

*Resistance* - William Morris 2022-02

Resistance is a book of poems with photographs or a book of photographs with poems depending on your perspective. The book is comprised of three sections titled respectively: On Survival, On Hope, and On Love. The poems range from the expression of impassioned pleas for deliverance from constraint and evil to the simple affirmation of romantic love. With poetry by William Morris and photography by Jackie Malden, this book is dedicated to Veronica, Jackie's cousin and William's wife. Bios William Morris William Morris heads the Next Century Foundation, an international charity devoted to fostering peace and reconciliation in war zones. He is a former broadcaster, editor and publisher. He lives and works in Ludgvan, Cornwall. He is eclectic in his writing, composing everything from nonsense verse to novels, one of which, titled Springfield the Novel, was also published by Westphalia Press. Awarded an honorary doctorate by Bolton University for his work promoting peace in the Middle East, William is a frequent traveler to pivotal Mid East countries such as Iraq, Egypt, Gaza, and Libya. William is often accompanied in his travels by Ambassador Mark Hambley, who has acted as an informal ear and critic for this work. Jackie Malden Jackie Malden is an artist and photographer based in Oxford, England. She walks every day with her little dog Teddy, and photographs nature ... anything that catches her eye, from the emergence of the smallest wild flower to the vastness and beauty of a sunset. Natural light is the inspiration for many of the images in this book with spring and autumn being favourite seasons. In keeping with her love of nature, she is also a paper collage artist specialising in British birds and wildlife. She exhibits in the annual Oxfordshire Artweeks, and cards of her work sell in shops around the UK as well as online, under her married name Jackie Richards: [www.lovefromtheartist.com](http://www.lovefromtheartist.com).

**Law, Morality and Power: Global Perspectives on Violence and the State** - 2020-04-28

This volume is a collection of the chapter presentations contributed by participants in the 4th Global Conference on Evil, Law & the State: Issues in State Power and Violence. The conference drew together a number of scholars from different backgrounds: law, politics, philosophy, religious studies, literature and cinema.

*Gandhi and King* - Michael Nojeim 2004-05-30

The lives and work of Mohandis Karamchand Gandhi and Martin Luther King Jr. have much to teach us about nonviolent resistance to oppression. This book presents a comparative analysis of their legacies that demonstrates how powerful peace and love can be, even in the face of hate-filled oppression, aggression, and violence. No two individuals had a greater impact on the 20th century's monumental struggles for freedom, justice, and peace. Gandhi showed the world that steadfastly and nonviolently adhering to the truth gave the world a practical alternative to the madness of war and violence. King used nonviolence to realize his dream of a beloved community and to beckon his white countrymen to live up to the lofty ideals bequeathed to them by America's founders. The two men came from widely divergent cultural, religious,

economic, and political backgrounds and settings, yet they both wielded nonviolent weapons effectively. This comparison not only demonstrates the broad applicability of nonviolent principles; it also highlights the importance of merging high ideals with a practical program that produces positive results in people's lives.

*Peace Love Resistance* - Jettie Woodruff 2016-11-11

My name is Tobias Thomas Sheffield. I would like to tell you a story about the girl who changed my life forever. This is deeper than a love story, this is a connection that most never find; something that occurs once every few lifetimes or so. I was written in her, she was written in me, we were written in the stars. Before you invest your time in our story, I should warn you. If you don't believe in love at first sight or you rely on an unbending system to give your life a false sense of security and meaning, you should probably skip our story. On the contrary, if you can get to know us with an open mind, pretend for a little bit that you may have been systematically lied to your entire life, then my hope is that Tristan will have the same impact on you as she did me. I'm a better man because of her, and I hope that you find something potentially life-changing in her as well. She made me someone I didn't know I wanted to be. For her. For me. For humanity. From the author I was a lot a bit pissed off when I wrote this. Some points are direct and in your face. Just a heads up before you invest your time.

**Purpose - Volume I** - Noura Books 2018-02-28

2018 Readers' Favorite Award-Winner "For readers who want to find the peace and serenity that come with living with a purpose... This is a book that offers readers a powerful path to use meditation as a tool to transform their lives." "This is an exceptional book for all who strive to grow and empower themselves... I found this book inspirational and empowering because I am the one finding my own answers through meditation." A guide on finding our purpose, removing self-doubt and fear while improving happiness, positive thoughts, love, relationships, and intuition - "Purpose -Volume I" is an exploration of the meaning of purpose: What is purpose? What is our purpose? How do we find it? Where do we look? What gets in the way of seeing it? What other questions can we ask ourselves? Is it possible to have clarity about ourselves that enables us to understand ourselves totally so we never have to rely on any belief? If we can look and see clearly for ourselves, are beliefs necessary? Some of the topics this book explores include but aren't limited to the following: "Using meditation as a tool for self-inquiry and observation "Mastering the mind through the mastery of love, which doesn't oppose "Empowering ourselves through mastery of the mind "Love as our natural state, which can be hidden or denied but never destroyed "Darkness as the false in us to be undone through total understanding of ourselves "Unity of purpose as the foundation of our thinking versus the belief in separation as the foundation of our thinking "The strength of unity in relation to mental strength "How fear and violence arise in our thinking "Uncovering our resistance to life and freeing ourselves from that resistance "Relationships, death, intuition, intelligence, greed, joy, forgiveness, and integrity "Respecting the power of belief "Boundaries versus defenses "Duality versus nonduality "The mastery of love versus the mastery of darkness "Purpose Reviewed By Christian Sia for Readers' Favorite A first volume for a promising, refreshing, and inspiring series, Purpose - Volume I: Meditation on Love, Relationship, Fear, Death, Intuition, And Power by Noura is a ground-breaking self-help book that is both insightful and intelligently crafted, a book for readers who want to generously embrace life and find the peace and serenity that come with living with a purpose. In this guide, the author helps readers to understand their inner resistance to change and to reality, and what stands in their way of living life fully, touching brilliantly on important topics like forgiveness, the gift of difficult relationships, handling limitations and transforming them into opportunities, understanding the darkness that slowly steals into the human soul and mastering it, and a lot more. This is a book that offers readers a powerful path to use meditation as a tool to transform their lives. The book is packed with information and startling revelations, insights into the beauty of meditation and what it takes to allow it to transform and enrich our lives. Noura's writing is limpid and one can feel its graceful power moving through every word and every sentence she writes. The message goes straight to the heart of the reader. The author has the uncanny gift

of making readers think about the reality, compelling them to see the inner meaning of things that could otherwise seem absurd. You will change the way you look at yourself, at others, and at life after reading Purpose - Volume I: Meditation on Love, Relationship, Fear, Death, Intuition, and Power. It's a gift for people seeking a meaningful way of leading their lives.

Love Is the Resistance - Ashley Abercrombie 2021-08-31

When it comes to disagreement, we are in perpetual fight-or-flight mode. Rather than respond with a posture of compassion and connection, we are encouraged to "resist" others personally and politically. Either we engage in fruitless arguments with people who refuse to see things our way or we retreat to our echo chambers where everyone agrees with us. But the real resistance, the kind that helps us grow, is

learning to love others--especially those who disagree with us. If you're tired of seeing your real-life and online communities in turmoil and you long to be an agent of peace, understanding, and reconciliation, it's time to join a new kind of resistance movement--one that pushes us toward personal transformation. Grounded in Scripture and illustrated with compelling true stories, this new book from Ashley Abercrombie will help you gain the confidence to communicate and connect with others, stop avoiding necessary tension, and resolve your internal and external conflicts. When we make love our habitual reaction to the conflicts and divisions in our lives, we'll find that we can stay true to our convictions without sacrificing our relationships.
