Gabriel's Inferno - Sylvain Reynard 2012-08-23

From bestselling author Sylvain Reynard comes the haunting, unforgettable tale of one man's salvation and one woman's sensual awakening . . . Enigmatic and sexy, Professor Gabriel Emerson is a well-respected Dante specialist by day, but by night he devotes himself to an uninhibited life of pleasure. He uses his notorious good looks and sophisticated charm to gratify his every whim, but is secretly tortured by his dark past and consumed by the profound belief that he is beyond all hope of redemption. When the sweet and innocent Julia Mitchell enrolls as his graduate student, his attraction and mysterious connection to her not only jeopardizes his career, but sends him on a journey in which his past and his present collide. An intriguing and sinful exploration of seduction, forbidden love, and redemption, *Gabriel's Inferno* is a captivating and wildly passionate tale of one man's escape from his own personal hell as he tries to earn the impossible—forgiveness and love. 'You're only a magnet for mishap, Miss Mitchell, while I am a magnet for sin.'

Sexuality in Islam - Abdelwahab Bouhdiba 2013-02-01

Originally published in 1985. Beginning with the Qur'an, Abdelwahab Bouhdiba confronts the question of male supremacy in Islam, and the strict separation of the masculine and the feminine. He gives an account of purification practices, of Islamic attitudes towards homosexuality, concubinage, legal marriage and of the sexual taboos laid down by the Qur'an. He assesses present-day sexual practice, including eroticism, misogyny and mysticism and concludes that the sexual alienation - and even oppression - of modern Muslim women is the result not of the Islamic vision of sexuality, but of social and economic pressures.

Woman Desired, Woman Desiring - Daniele Flamenbaum 2020-05-15

The book is written for a popular audience--women (and men) who wish to explore the deep roots of their own sexuality in order to find more ease, creativity, and satisfaction in their sexual relations. Included are numerous examples from the author's long experience as a gynecologist who found she had to go beyond the limitations of her Western medical training in order to explain the recurrent gynecological ailments of her women clients. She found successful perspectives and remedial practices through Chinese medicine, psychoanalysis, and a transgenerational approach.
