Mind the Gap Karen Gurney 2020-03-05 'This book taught me so much about female desire. A must read!' Cherry Healey Did you know that there is an orgasm gap of around 30% between heterosexual couples when they have sex? In *Mind The Gap*, Dr Karen Gurney, a clinical psychologist and certified psychosexologist, explores not just this gap, but the gaps in our knowledge of so much of the most important new science around sex and desire. In this book, you will learn that nearly everything that you've been led to believe about female sexuality isn't actually true. And that, despite what you might think, it is possible to simultaneously feel little to no spontaneous desire and have a happy and mutually satisfying sex life long term. Exploring the mismatch between ideas about sex in our society and what the science tells us, *Mind The Gap* also explains how this disconnect lies at the root of many of our sexual problems. Combining science with case studies, practical exercises and tips, this is a book for anyone who wants to better understand the mechanics of desire and futureproof their sex life, for life.

A Curious History of Sex Kate Lister 2020-02-06 This is not a comprehensive study of every sexual quirk, kink and ritual across all cultures throughout time, as that would entail writing an encyclopaedia. Rather, this is a drop in the ocean, a paddle in the shallow end of sex history, but I hope you will get pleasantly wet nonetheless. The act of sex has not changed since people first worked out what went where, but the ways in which society dictates how sex is culturally understood and performed have varied significantly through the ages. Humans are the only creatures that stigmatise particular sexual practices, and sex remains a deeply divisive issue around the world. Attitudes will change and grow - hopefully for the better - but sex will never be free of stigma or shame unless we acknowledge where it has come from. Based on the popular research project *Whores of Yore*, and written with her distinctive humour and wit, *A Curious History of Sex* draws upon Dr Kate Lister's extensive knowledge of sex history. From medieval impotence tests to twentieth-century testicle thefts, from the erotic frescoes of Pompeii, to modern-day sex doll brothels, Kate unashamedly roots around in the pants of history, debunking myths, challenging stereotypes and generally getting her hands dirty. This fascinating book is peppered with surprising and informative historical slang, and illustrated with eye-opening, toe-curling and meticulously sourced images from the past. You will laugh, you will wince and you will wonder just how much has actually changed.

The Billionaire Erotic Romance Jessica Scott 2020-04 Isabelle and Richard Hughes have been married for over half their lives, now in their fifties and with Richard making a lot of money running a real estate firm, Isabelle should want for nothing. And that was how she felt until her husband told her how long he would be leaving this time. He had never left her for three weeks before and now she would have to figure out what to do with her time - perhaps a charity event would keep her busy. She didn't expect, however, all the men that she would be around as she prepared for it and just how helpful they wanted to be. Isabelle is familiar with the modern world, but not familiar enough to know that many younger men are attracted to older women and are not afraid to show that attraction. How will she handle all of them? How will she make sure to keep her new wants hidden from her husband - does she even want to? An adventure through her new found sexuality awaits in this story.

Real Sex Mike Lousada 2017-05-30 The more modern culture shines its light on sex, the longer the shadow it casts. This shadow is commercialism, pornography and shame. This approach to sexuality distorts it to create performance pressure, increasing numbers of sexual 'dysfunctions' and a fundamental disconnect from ourselves and others. Yet sexuality is one of the most important paths to happiness, simply because it requires us to engage all the other aspects of ourselves. To have deeply satisfying sex we must engage the mind, the body and our feelings. *Real Sex* will show you how almost everything that our society has tried to teach you about your sexuality is misleading or simply wrong. *Real Sex* is a journey into the heart of your sexual self; a way of creating meaningful and fulfilling intimacy. It sets out seven keys that will teach you how to love and accept your mind, body, feelings, desires and sexuality at a deeper level, leaving behind feelings of guilt, insecurity and shame. *Real Sex* offers a new, integrated idea of sexuality that holds a positive perspective of the sexual beings that we are; longing for intimacy and aliveness that we know deep down makes our lives meaningful.

The Damsel Victoria Vale 2019-03-11 The Honourable Mr. Robert Stanley is heartbroken ... After losing the love of his life to another man, he stumbles into a public house looking to drown his sorrows. The last thing he expects is to be approached with a scandalous proposition. When Lady Cassandra Lane offers him one night in an upstairs room with her, he leaps at the chance despite her stipulation that he submit to her every whim. He wants nothing more than to lose himself and forget his pain; allowing someone else control seems a small price to pay for it. Little does he know that one night will have the power to change everything. Lady Cassandra Lane is in a constant state of rage... After her brutal assault at the hands of a lord, she's had her name and reputation dragged through the mud. Her family and friends have turned their back on her, and she's become a social outcast. Deciding to take control of her circumstances, she sets out to find a man with whom she can overcome her anxiety over physical intimacy. Robert Stanley seems like an ideal choice—someone she can use for her own ends and discard once she is done. However, she never anticipates that their one encounter will lead to a craving for more. Even when she fights him, all he wants is to save her from herself ... Robert cannot understand why he responds so readily to Cassandra's dominant nature, or the cruelty fueled by her anger. Nevertheless, he is drawn to her like a moth to a flame—despite the possibility that she will only hurt him in the end. As he falls rapidly under her spell, he begins to uncover Cassandra's deep, dark secrets, as well as her hidden pain. My Dirty Sexy Life Lulu F 2019-08-17 Do you know what it's like to be a successful female lawyer in one of the biggest cities in the world having all your fantasies and erotic desires? My name is Lulu, I achieved all the goals I set for myself: success, money, and power. It's definitely not easy for an immigrant who started from the bottom line. But there was one thing I was ashamed of, or better, I was embarrassed to let people know... it was my sex addiction. We as women all know how it is... You can be the most successful businesswoman basing on your skills. But if there is something

shameful or negative in your private life that goes public, you're done. It was not easy to hide my unspeakable parallel life, and I always had a sense of guilt about this. Every time I followed my instincts, a part of me had to dissociate from what I was doing to be the perfect woman that everyone admired. Until someone special helped me to understand that sharing is caring and therefore, I had to share what made me anxious, my secret life. It's not a novel, it's not a fantasy of a frustrated woman who dreams about erotic adventures behind her desk... It's my life. The story of a young girl who came to the USA and became a woman, in all senses, freeing all her sexual paradigms and making it a weapon in her favor. In this second book, Lulu returned to her home on the other side of the world, Paris, after a phone call from her mom along with the tragic news. As much as she didn't want to visit Paris so soon, the tragedy has brought her back to France, to discover the dirty secrets about her family. Back to Washington, Lulu has changed her point of view about her life, now it's time to focus on achieving the goals of her own and doing the things that she wants/needs... To continue the erotic adventure of Lulu F., it's a coming of age story filled with beautiful prose and, more than that, it's a reflection on the all-consuming power of sex and attraction. The classic tale of a good girl gone bad storyline. Incubus Inc. Randi Darren 2020-02-07 ((Minor Spoiler and Warning at the bottom of the blurb. Please read all the way through.)) Sameerixis, or Sam for those who actually know him, isn't what you'd call normal. He had been a door-to-door salesman, of sorts. One that peddled wares, wishes, and whims to anyone willing to pay his prices. Except that life is gone now. His old business model had been modernized. Email, phone contacts, letters, flyers, business cards, and scheduled consultations. Sam was a man trapped in place by his own success. And loving it. Additionally, he was also the owner of a Private Military Company that specialized in dealing with criminals or those wanted by a government. His goals were simple. Rebuilding his strength, establishing a comfortable life for himself and others, and taking from Jenaphila as much as he could. As he works to complete those objectives though, Sam's going to run up against some of the biggest players in any of the planes. And make enemies out of more than a few. Everything is changing faster than Sam would like it to. Heading right toward what might just be the end of the prime plane itself. Warning: This novel explores dark subjects, and what people will give up of themselves, and each other, to get what they want. The main character is written as a demon from another plane in a tough situation, and will not make choices that line up with societal and cultural norms. It contains adult themes and moral ambiguities. As with my previous work, explicit scenes are found within. It has violence and a harem relationship.

With honesty and wit, she talks about her struggle to live a celibate life. Never dodging tough terms like "confession" and "sin," Winner grounds her discussion of chastity first and foremost in Scripture. She confronts cultural lies about sex and challenges how we talk about sex in church. Her biblically grounded observations and suggestions will be especially valuable to unmarried Christians struggling with the sexual mania of today's culture. Real Sex is essential reading for Christians grappling with chastity and a valuable tool for pastors.

Sex Material Victoria Ashley 2022-05-05 Sex Material... It's what I'm known around town for. A rock-hard body, covered in tattoos with a sizeable bulge that women spend their nights fantasizing about. Women track me down, needing someone that will take them rough without holding back. They find me because they need a distraction from reality. They need something to get their mind off of the boyfriend who screwed them over or the job promotion they got passed over on at work. Sometimes it's just because they need someone reckless in the bedroom before settling down with the right one. 'Cause I'm not that guy. Nowhere close. I'm not the suit wearing, flower-buying guy you take home to meet the parents. I'm not the guy who will make you feel all warm and fuzzy inside. Not anymore. I was boyfriend material once. Would've even made a good husband. Until one night changed everything. These women come to me because they need an escape to cope with the real world, but none of them know I need it more than them. I need something to make me feel alive. Something to get my heart beating again. Then Cami shows up in my hometown, broken-hearted and pissed off at the world, needing an escape from her cheating ex. She's the only one that doesn't want to use my body. In fact, she wants nothing to do with it and has no problems telling me so. She's interested in one thing only from me-to move into my rental property. But the problem with that is the more we fight, the deeper she buries herself in my soul. Sex material is what I'm good at, but for the first time, it may not be enough.

Magnificent Sex Peggy J. Kleinplatz 2020-03-10 Winner of the 2021 SSTAR Consumer Book Award! What makes sex magnificent? What are the qualities of extraordinary erotic intimacy and what are the elements that help to bring it about? Is great sex the stuff that people remember nostalgically from the "honeymoon" phase of their relationships, or can sex improve over time? *Magnificent Sex* is based on the largest, in-depth interview study ever conducted with people who are having extraordinary sex. It gathers the nuggets for remarkable sex from the "experts", distilling them into an attainable blueprint for ordinary lovers who want to make erotic intimacy grow over the course of a lifetime. Looking at factors including individual and relational qualities, empathic communication and the myths and realities of magnificent sex, this book offers accessible and evidence-based guidance for lovers and therapists alike. It is replete with frank and often humorous interviews with straight and LGBTQ individuals and couples, those who are "vanilla" and "kinky", monogamous and consensually non-monogamous and healthy and chronically ill. This illuminating book explores the implications of the findings to develop a model that effectively tackles the common problems of low desire and frequency. The "cure" for low desire is to create desirable sex!

Gotta Have It Rachel Kramer Bussel 2011-02-01 Every word counts in each of these stories that get right to the point. Rachel Kramer Bussel has gathered together a plentitude of short, original erotica stories spanning every way you can "get it on" in every kind of setting, with a wild and wide variety of sexual orientation -- quickie sex threesomes, sex toys, public sex, BDSM, fetishes, fantasies and MUCH more. These stories aren't all about quickie sex, though there's plenty of that. There are strangers who meet and know right away they must have each other, neighbors, travelmates, coworkers, as well as long-term couples such as those in "After Ten Years" and "Remembering the Wrinkles" who are looking for ways to hold on to that spark. There are stories of sex in libraries, vacation sex, and lots of outdoor sex, in the rain, in the street—all over. There are pecan rolls dripping in caramel, and meals where lovers feast on nothing but each other. There are even a few stories with no actual sex in them at all and readers will have plenty of fun finding them!
