

Sex For One The Joy Of Selfloving

Sex by Design - Betty Dodson, Ph.d. 2016-04-20

America's Most Honest Memoir

Betty Dodson's memoir is the story of one woman's struggle to liberate female sexuality while enjoying her own. In the 70s, as the feminist movement evolved, focusing on various platform issues including equal pay and voter registration, Betty latched on to sexual liberation as a symbol for self-empowerment. Realizing that so many women weren't enjoying sex, she asked, "How could women ever be truly equal if they were reliant on men for their sexual satisfaction?" She quickly became the leader of the sex-positive feminist movement. And the rest is history.

He Comes Next - Ian Kerner 2009-10-13

Transform Yourself from "Passion Victim" to Passionista! In the smash hit She Comes First, Ian Kerner singlehandedly waged battle against male sexual "ill-cliteracy," and women everywhere benefited from his "viva la vulva" philosophy of female pleasure. Now, in Passionista, it's time to learn all about what turns men

on—and makes them stay on. In this point-by-point, "blow-by-blow" guide, Kerner makes giving as much fun as receiving as he covers every angle of male sexuality, unlocks the secrets of satisfaction, and offers knowledgeable answers to the questions every woman wonders about. His advice is the closest you'll ever come to waking up in a guy's skin and knowing what truly makes him sexually tick. Written in the same witty, insightful, and utterly readable voice that has made *She Comes First* and *Be Honest—You're Not That Into Him* either so popular, *Passionista* is the empowered woman's guide to enjoying sex to the fullest—and ensuring that he does the same.

Neo-Victorian Humour - 2017-06-06

Highlighting neo-Victorian humour's crucial role in shaping contemporary revisions of nineteenth-century

culture, this volume explores the major aesthetic, ideological and ethical issues raised by refracting the past through a comic lens, especially through self-conscious irony, parody, and black humour.

Basics - Carlin Ross
2017-02-24

Betty Dodson ran Bodysex workshops for over 25 years. They grew out of the consciousness raising groups feminists started in the 1970's. Women would gather together and talk first person about their personal lives. Betty took it one step further and had women answer two questions: how do you feel about your body & how do you feel about your orgasm. She called her workshops "physical and sexual consciousness raising" which she later shortened to "Bodysex." Betty and Carlin filmed a workshop in 2011 and, based upon demand, started running groups again. It became clear that women

wanted to run their own workshops following Betty's model of body pride, sisterhood, and independent orgasm. To date, we've certified 45 women to run workshops in 10 countries and 17 states. This book is a manual describing how to run a workshop from beginning to end. Our hope is that Bodysex spreads across the globe so that future generations of women can learn how to love themselves and their bodies

reality. This is, simply put, a beautiful book.' Elizabeth Gilbert, author of Eat, Pray, Love and Big Magic 'During a time where misinformation is spreading faster than ever and people are finding it hard to keep it real, Fearne shows us the power of living in our truth. She has a magical way of making us feel understood through her compelling storytelling, while showing us a path to a more authentic life.' Vex King, author of Good Vibes, Good Life 'This book is going to help a lot of people.' Philippa Perry, author of The Book You Wish Your Parents Had Read 'Loved it - without judgement, but with a cheeky wink of wisdom, Fearne gives you the tools that she's learned on her own journey.' Skin, Skunk Anansie 'We need truth talkers more than we ever have right now. Wild, bold, connected truth talkers. Fearne takes our hand and shows us how to be one by treading the wild, vulnerable path first.' Sarah Wilson, author of First, We Make the Beast Beautiful Fearne Cotton's voice is

familiar to millions, whether that's through television, radio or on her hugely successful Happy Place podcast. Her voice is her career, her livelihood and the way she communicates with her audience and her loved ones. So, when Fearne's doctor told her she was at risk of needing a throat operation followed by two weeks of being unable to speak, she found herself facing a period of unexpected contemplation. As she considered what silence would mean, Fearne began to think about other times her voice had gone unheard - as a young woman, as 'just the talent', as the foil to louder, more dominant figures. She found herself wondering, at what point do we internalise this message, and start silencing ourselves? When do we swallow down our authentic words to become pleasers and compromisers at the cost of our own happiness or wellbeing? Speak Your Truth dives into all the ways we learn to stay quiet for the wrong reasons, and explores how to find your voice, assert yourself

condom on a banana.

Sex for One - Betty Dodson

1996-03-12

The classic guide to fully enjoying the pleasures of self-love, full of warmth, intelligence, and informative line drawings—from a renowned sex educator featured on Netflix’s the goop lab with Gwyneth Paltrow Confronting one of our last and most deeply rooted taboos—masturbation—noted sex expert and pro-sex feminist Betty Dodson, Ph.D., takes the shame out of self-love by creating a straightforward and appealing guidebook that reveals masturbation as a satisfying, vital form of sexual expression. Dr. Dodson demonstrates how anyone can learn to make love alone with feelings of guilt or loneliness, and explains why masturbation is sexually and spiritually fulfilling for both men and women. Not only is it the safest sex, but sharing masturbation can also be a sensual treat for couples who want to learn more about each other’s sexual responses. Sex for One

demonstrates that self-loving is not just for times in-between lovers or for social misfits.

Masturbation is the joyful and ongoing love affair that each of us has with ourselves throughout childhood, adulthood, and the golden years of old age.

This is not your standard sex book. This book is the antidote to the many gimmick-oriented sex guides and manuals; Dr. Klein shows us how to reorient how we think about sex in order to experience a truly different way of being sexual. "Marty Klein is the Steve Jobs of sex advice. . . . Sexual Intelligence is a work of enormous wisdom and expansiveness, and will inspire readers, regardless of

Getting Off - Jamye Waxman
2007-11-02

Masturbation is like tuning a radio -- you don't know what frequencies you'll enjoy until you play with the knobs.

Masturbation has a complicated stigma attached to it; everybody is doing it, but not everybody talks about it. Some were told that touching oneself would cause cute kittens to die, some were told masturbation led blindness.

Getting Off: A Woman's Guide to Masturbation is here to debunk those masturbation myths, and reinforce the truth.

Masturbation is a totally natural and normal way for women to connect with and find pleasure in their bodies.

Fun, informative, and illustrated, Getting Off provides women with a wealth of masturbation knowledge -- its history, the mechanics of it, the joys of sexy toys -- plus clear, concise tips on getting off. Foreword by Betty A.

Author Jane Mathews believes that to be truly content living alone, it pays to examine every aspect of your life-relationships, health, home, finances, interests and spirituality-and then take action. No matter what your unique situation, there's something here for you. Jane provides the map and you choose the route to a more joyful, contented life.
