Indian Feminisms - Geetanjali Gangoli 2016-05-23

Contributing to debates on feminism, this book considers the impact made by feminists in India from the 1970s. Geetanjali Gangoli analyses feminist campaigns on issues of violence and women's rights, and debates on ways in which feminist legal debates may be limiting for women and based on exclusionary concepts such as citizenship. She addresses campaigns ranging from domestic violence, rape, pornography and son preference and sets them within a wider analysis of the position of women within the Indian state. The strengths and limitations of law reform for women are addressed as well as whether legal feminisms relating to law and women's legal rights are effective in the Indian context. The question of whether legal campaigns can make positive changes in women's lives or whether they further legitimize oppressive state patriarchies is considered. The recasting of caste and community identities is also assessed, as well as the rise of Hindu fundamentalism and the ways in which feminists in India have combated and confronted these challenges. Indian Feminisms will interest researchers and students in the areas of feminism, law, women's movements and social movements in India, and South Asia more generally.

Careers Digest - 1977

Love's Rite - Ruth Vanita 2005-10-20

Why should the state's refusal to recognize a union as marriage mean that the union is not a marriage? In Love's Rite Ruth Vanita asks this challenging question in order to emphasize that mutual consent and family and community recognition validate a marriage—and this support frequently extends to same-sex marriages as well. When people claim the right to marry, their sex or sexuality is not intrinsic to that right, although social prejudice makes it appear so. Moreover, it cannot be denied that a multitude of events and depictions in vastly different cultures, times and places, all point to the possibility of same-sex love and commitment being recognized and accepted. Marriage is a universal rite of passage that can, in the right circumstances, become 'the perfect ceremony of love's rite'. Vanita examines the twin phenomena of same-

sex weddings and same-sex joint suicides (mostly female) that have been reported from many parts of India. She argues that these couples, when they choose to marry or die together, invoke long-standing but fluid Indian legal, religious, and literary-cinematic traditions to declare their love to the world. Using her intimate knowledge of ancient Indian textual history, the author demonstrates that same-sex love and relationships are deeply rooted in Indian culture—and compares the cultural and legal implications of same-sex marriage in India with those in the West. The international debate on same-sex marriage is relevant to all democratic societies today. Ruth Vanita brings a fresh perspective to this debate, suggesting that same-sex marriage dwells at the heart, not on the margins, of culture.

Reading 'Bollywood' - S. Banaji 2006-05-23

This book explores representations of gender, sexuality and ethnicity in Hindi films, in the socio-political context and in terms of how young audiences in India and the UK construct them. In-depth interviews, observations and photographs provide insights into spectatorship and comparison with theories about Hindi film and popular culture.

Language Ideologies and the Vernacular in Colonial and Postcolonial South Asia - Nishat Zaidi 2023-09-29

This volume critically engages with recent formulations and debates regarding the status of the regional languages of the Indian subcontinent vis-à-vis English. It explores how language ideologies of the "vernacular" are positioned in relation to the language ideologies of English in South Asia. The book probes into how we might move beyond the English-vernacular binary in India, explores what happened to "bhasha literatures" during the colonial and post-colonial periods and how to position those literatures by the side of Indian English and international literature. It looks into the ways vernacular community and political rhetoric are intertwined with Anglophone (national or global) positionalities and their roles in political processes. This book will be of interest to researchers, students and scholars of literary and cultural studies, Indian Writing in English, Indian literatures, South Asian languages and popular culture. It will also be extremely valuable for

language scholars, sociolinguists, social historians, scholars of cultural studies and those who understand the theoretical issues that concern the notion of “vernacularity”.

The Limits of Sexuality Education - Ketaki Chowkhani 2023-12-19

This book explores different strands of thinking about sexuality education in contemporary urban India. It interrogates the limits of sexuality education as we know it today by rethinking adolescent masculinities in middle-class urban India. This book contributes to the wide gap in theorising sexuality education and adolescent masculinities in urban India. It presents an adolescent perspective on sexuality education, looks at adolescent love from the school teachers’ perspective, and tries to understand a teacher’s negotiations with student romance. It unravels the sexual and romantic lives of adolescents and examines the circulation of sexual knowledge and sources of information on sex that adolescent boys in India have access to. This book uncovers the limits of sexuality education by examining State, feminist, Christian, and sexological materials on sexuality education in Mumbai and Delhi. Based on detailed research and narratives from teachers, young men, and women, the book explores adolescent male romance and its affective registers, adolescent male sexual knowledge, and the regulation of romance in school spaces. This book will be of interest to students and researchers of education, sexuality and gender studies, masculinity studies, sex education as well as those interested in education policy, education politics, educational research, and inclusion and special education. Located at the intersection of sexuality studies, education, masculinity studies, and cultural studies, it will also appeal to those working in sexuality education in urban India within the complex web of the middle classes, consumerism, post-feminism, romance, adolescent masculinities, and cinema.

Love's Rite - Ruth Vanita 2021-08

(This) Absorbing New Book Shows How Subtly And Imaginatively Indian Attitudes Toward Same-Sex Unions Have Evolved Over The Centuries&And Offers A Marvelously Global Perspective Characterized By Profound Historical Understanding, Impeccable Scholarship, And A

Rare And Delightful Precision Of Feeling. - Terry Castle, Professor At Stanford University, Editor Of The Literature Of Lesbianism. Why Should The State S Refusal To Recognize A Union As Marriage Mean That The Union Is Not A Marriage? In Love S Rite Ruth Vanita Asks This Challenging Question In Order To Emphasize That Mutual Consent And Family And Community Recognition Validate A Marriage-And This Support Frequently Extends To Same-Sex Marriages As Well. When People Claim The Right To Marry, Their Sex Or Sexuality Is Not Intrinsic To That Right, Although Social Prejudice Makes It Appear So. Moreover, It Cannot Be Denied That A Multitude Of Events And Depictions In Vastly Different Cultures, Times And Places, All Point To The Possibility Of Same-Sex Love And Commitment Being Recognized And Accepted. Marriage Is A Universal Rite Of Passage That Can, In The Right Circumstances, Become The Perfect Ceremony Of Love S Rite . Vanita Examines The Twin Phenomena Of Same-Sex Weddings And Same-Sex Joint Suicides (Mostly Female) That Have Been Reported From Many Parts Of India. She Argues That These Couples, When They Choose To Marry Or Die Together, Invoke Long-Standing But Fluid Indian Legal, Religious, And Literary-Cinematic Traditions To Declare Their Love To The World. Using Her Intimate Knowledge Of Ancient Indian Textual History, The Author Demonstrates That Same-Sex Love And Relationships Are Deeply Rooted In Indian Culture- And Compares The Cultural And Legal Implications Of Same-Sex Marriage In India With Those In The West. The International Debate On Same-Sex Marriage Is Relevant To All Democratic Societies Today. Ruth Vanita Brings A Fresh Perspective To This Debate, Suggesting That Same-Sex Marriage Dwells At The Heart, Not On The Margins, Of Culture. An Effortless Combination Of Empathy, Moral Conviction And Deep Cultural Sensitivity -Ashis Nandy

The Continuum Complete International Encyclopedia of Sexuality -

Robert T. Francoeur 2004-01-01

--A completely updated one-volume edition of the 4-volume International Encyclopedia of Sexuality--Includes nearly 60 countries and places--12 not previously covered--by more than 200 authorities--It is the only

reference work of its kind in any language
Times of India Illustrated Weekly - 1986

Indian Sex Life - Durba Mitra 2020-01-07

"During the colonial period, Indian intellectuals--philologists, lawyers, scientists and literary figures--all sought to hold a mirror to their country. Whether they wrote novels, polemics, or scientific treatises, all sought a better understanding of society in general and their society in particular. Curiously, female sexuality and sexual behavior play an outside role in their writing. The figure of the prostitute is ubiquitous in everything from medical texts and treatises on racial evolution to anti-Muslim polemic and studies of ancient India. In this book, Durba Mitra argues that between the 1840s and the 1940s, the new science of sexuality became foundational to the scientific study of Indian social progress. The colonial state and an emerging set of Bengali male intellectuals extended the regulation of sexuality to far-reaching projects that sought to define what society should look like and how modern citizens should behave. An exploration of this history of social scientific thought offers new perspectives to understand the power of paternalistic and deeply violent claims about sexual norms in the postcolonial world today. These histories reveal the enduring authority of scientific claims to a tradition that equates social good with the control of women's free will and desire. Thus, they managed to dramatically reorganize their society around upper-caste Hindu ideals of strict monogamy"--

Young Muslim Women in India - Kabita Chakraborty 2015-12-14

This book, based on extensive, original research, details the changing lives of youth living in slum communities (bustees) in Kolkata (formerly Calcutta). Using young people's own photos, art and narratives, the book explores how Muslim girls and young women are contributing to, and impacted by, changing youth culture in India. We are invited into the risky world of mixed-sex dance taking place in clandestine spaces in the slums. We join young people on their journeys to find premarital romance and witness their strategic and savvy risk taking when participating in transgressive aspects of consumer culture. The book

reveals how social changes in India, including greater education and employment opportunities, as well as powerful middle class Muslim reform discourses, are impacting youth the very local level. More than just fantasy we see that Bollywood is an important role model which young people consult. By carefully negotiating risks and performing multiple identities inspired by modernity, globalization and, most of all, Bollywood culture, young people actively participate in a changing India and disrupt dominant discourses about slum youth as poor victims who are excluded from social change.

The Illustrated Weekly of India - 1986-04

Indian Book Industry - 1976

Lovestruck Sweetheart Edition - Ronald Molmisa 2015-09-15

Green is in! Idamay mo na ang lovelife mo sa healthy living mo. Ready ka na bang i-give up ang high blood, insomnia at migraine sa kakaisip kung compatible kayo? You-and-me-against-the-world ba ang peg mo kahit may mali sa sitwasyon ninyo? Linya mo ba ang "Walang makakapigil sa amin!" masunod lang ang puso mo? Gusto mo nang palitan ang relationship status mo nang seryosohan pero tingin mo naman sa pag-aasawa ay bahay-bahayan lang. Alamin kung ano ang itsura ng maayos at tamang relasyon that will stand the test of time. Bago mo ibook ang dream wedding venue mo, basahin mo muna ang librong ito. Maniwala kang may forever dahil may isang klase ng love na talaga namang pang-out of this world.

The Modern Review - Ramananda Chatterjee 1955

Includes section "Reviews and notices of books".

Gender and Sexuality in Ghanaian Societies - Martha Donkor 2022-09

This book studies the diversity of Ghanaian women's sexual expression in a patriarchal society that prioritizes heteronormativity and analyzes the ways Ghanaian women negotiate the patriarchal system to make meaning of their sexual lives.

Faith + Action = Miracle - Keith Skillicorn 2006

The gripping story of two people putting their faith into practice by

helping the people of Madhya Pradesh and Bihar in India through famine and many other difficulties. They organise building, mechanical, agricultural and other projects, and they deal with many medical situations while developing a particular expertise in treating leprosy. Once you start reading this book you will not put it down till finished.

[Dancing With Siva](#) - Satguru Sivaya Subramuniyaswami 2003-06

This 1,008-page sourcebook answers many questions to quench the soul's thirst for God and Self-knowledge. Every spiritually-inclined human being will be enriched by the path revealed in this extraordinary book. India's tolerant and diverse vision of the Divine is all here: meditative, devotional, philosophical, scriptural and yogic. In question-and-answer style, *Dancing with Siva* guides the aspirant deep into the Hindu heart. Lavishly illustrated with 165 black and white reproductions of paintings from India. Resources include a Hindu timeline, comparisons of 12 world religions, a children's primer and more.

Health, Culture and Religion in South Asia - Assa Doron 2013-09-13

Health, Culture and Religion in South Asia brings together top international scholars from a range of social science disciplines to critically explore the interplay of local cultural and religious practices in the delivery and experiences of health in South Asia. This groundbreaking text provides much needed insight into the relationships between health, culture, community, livelihood, and the nation-state, and in particular, the recent struggles of disadvantaged groups to gain access to health care in South Asia. The book brings together anthropologists, sociologists, economists, health researchers and

development specialists to provide the reader with an interdisciplinary approach to the study of South Asian health and a comprehensive understanding of cutting edge research in this area. Addressing key issues affecting a range of geographical areas including India, Nepal and Pakistan, this text will be essential reading for students and researchers interested in Asian Studies and for those interested in gaining a better understanding of health in developing countries. This book was published as a special issue of *South Asian History and Culture*.

[A Bibliography of Bertrand Russell](#) - Kenneth Blackwell 2003-09-02

From 1895, the year he published his first signed article, to four days before his death in 1970 when he wrote his last, Bertrand Russell was a powerful force in the world of mathematics, philosophy, human rights and the struggle for peace. During those years he published 70 books, almost as many pamphlets and over 2,000 articles, he also contributed pieces to some 200 books. The availability of the Bertrand Russell Archives at McMaster University since 1968 has made it possible for the first time to compile a full, descriptive bibliography of his writings. The *Collected Papers* are based on it. Fully annotated, the *Bibliography* is textually oriented and will guide the scholar, collector and general reader to the authoritative editions of Russell's works. It includes references to the locations of all known speeches and interviews, and reproductions of the dust-jackets of Russell's books. Blackwell, Ruja and Turcon have cooperated for nearly 20 years on the new *Bibliography*. Lord Russell saw the extensive additions for it near the end of his life and declared: 'I am impressed.'
