Love Ain't Nothing but Sex Misspelled - Harlan Ellison 2014-04-29

Tales of love, sex, and relationships as only "one of the great . . . American short story writers" can tell them (The Washington Post Book World). A one-night stand begins a tragic journey that consumes a man's soul in "Neither Your Jenny Nor Mine." Afraid to interact with men who would condemn her as ugly, a young woman imagines herself living the love lives of every woman she sees until one daydream becomes a nightmare in "Mona at Her Windows." On "A Path Through the Darkness," a man struggles to understand his attraction to a cruel, morbid woman. Multi-award-winning author Harlan Ellison shatters the rose-colored glasses view of romance in these and other stories, coming to understand the elusive power of love about in terms of the primal passions and emotional onslaughts human beings engage. Insightful and devastating, these are realistic depictions of men and women desperate to connect and communicate, only to discover that love doesn't conquer all. Includes: "The Resurgence of Miss Ankle-Strap Wedgie," "The Universe of Robert Blake," "G.B.K.—A Many Flavored Bird," "Neither Your Jenny Nor Mine," "Riding the Dark," "Train Out," "Moonlighting," "What I Did on My Vacation this Summer by Little Bobby," "Hirschhorn, Age 27," "Mona at Her Windows," "Blind Bird, Blind Bird, Go Away from Me!," "Passport," "I Curse the Lesson and

Bless the Knowledge," "Battle Without Banners," "A Path," "Through the Darkness," "A Prayer for No One's Enemy," "Punky & the Yale Men"

Sexual Dysfunction in Men - David L Rowland 2012-01-01

"By far the best professional book ever published about understanding, assessing, and treating male sexual dysfunction." Sexual dysfunctions in men, such as erectile dysfunction, ejaculatory disorders, and low sexual desire, are typically sources of significant distress for men. This

book, being published with the companion volume *Sexual Dysfunction in Women*, provides general therapists with practical, yet succinct evidence-based guidance on the diagnosis and treatment of the most common male sexual disorders encountered in clinical practice. It assumes that mental health professionals and other clinicians without expertise in the field of sex therapy have much to offer these men by combining a multidisciplinary understanding of issues surrounding sexual problems with their general clinical knowledge and expertise. With tables and marginal notes to assist orientation, the book is designed for quick and easy reference while at the same time providing more in-depth understanding for those desiring it. The book can serve as a go-to guide for professional clinicians in their daily work and is an ideal educational resource for students and for practice-oriented continuing education. Recent Praise: "Simply put, this is by far the best professional book ever published about understanding, assessing, and treating male sexual dysfunction. David Rowland examines the biopsychosocial model of sexual function and dysfunction and applies a multi-dimensional, complex approach to understanding and changing male sexual dysfunction. This book makes a major contribution to the field and should be on the bookshelf of every psychologist, physician, and couple therapist treating men individually or in couple therapy." Barry McCarthy, Professor of Psychology, American University, Washington DC; certified marriage and sex therapist; coauthor of *Men's Sexual Health and Sexual Awareness* (5th ed.) "David Rowland's text is an important addition to the literature and belongs in every therapist's library. It is especially valuable because it is designed to help the generalist deal with sexual problems and is written clearly with a practical emphasis." Robert Taylor Segraves, MD, PhD, Professor of Psychiatry emeritus, Case Western Reserve University, Cleveland, OH; Editor of *Journal of Sex and Marital Therapy* "Written for both professionals and the general population, David Rowland's work provides a comprehensive, scholarly review of men's sexual problems and up-to-date treatments. He concisely examines physiological and psychological causes and provides the

theoretical underpinnings necessary for accurate diagnosis and treatment. This compact volume is a valuable source of useful information succinctly covering an all-too-often ignored area of human function and interaction." Diane Morrissette, PhD, Psychotherapist specializing in sex and relationship counseling, Palo Alto, CA "The interdisciplinary expertise of Dr. David Rowland makes this comprehensive book on sexual dysfunction in men an essential read for any professional. The excellent descriptions of assessment and treatment will prove enlightening to medical health providers as well as anyone in the mental health field. The inclusion of the empirical evidence of varying treatments will help clinicians focus on the most

efficacious approach. Sex Dysfunction in Men is a welcomed addition to evidence-based practice." Lin Myers, Professor of Psychology, California State University, Stanislaus, researcher, educator, clinician in the field of sexology for over 25 years, full member of the International Academy of Sex Research, and a member of SSTAR, and ASSECT
