

Shakespeares Queer Children Sexual Politics And Contemporary Culture

The Shakespearean World - Jill L Levenson 2017-03-27

The Shakespearean World takes a global view of Shakespeare and his works, especially their afterlives. Constantly changing, the Shakespeare central to this volume has acquired an array of meanings over the past four centuries. "Shakespeare" signifies the historical person, as well as the plays and verse attributed to him. It also signifies the attitudes towards both author and works determined by their receptions. Throughout the book, specialists aim to situate Shakespeare's world and what the world is because of him. In adopting a global perspective, the volume arranges thirty-six chapters in five parts: Shakespeare on stage internationally since the late seventeenth century; Shakespeare on film throughout the world; Shakespeare in the arts beyond drama and performance; Shakespeare in everyday life; Shakespeare and critical practice. Through its coverage, *The Shakespearean World* offers a comprehensive transhistorical and international view of the ways this Shakespeare has not only influenced but has also been influenced by diverse cultures during 400 years of performance, adaptation, criticism, and citation. While each chapter is a freshly conceived introduction to a significant topic, all of the chapters move beyond the level of survey, suggesting new directions in Shakespeare studies - such as ecology, tourism, and new media - and making substantial contributions to the field. This volume is an essential resource for all those studying Shakespeare, from beginners to advanced specialists.

The Routledge Guide to William Shakespeare - Robert Shaughnessy 2013-05-13

Demystifying and contextualising Shakespeare for the twenty-first

century, this book offers both an introduction to the subject for beginners as well as an invaluable resource for more experienced Shakespeareans. In this friendly, structured guide, Robert Shaughnessy: introduces Shakespeare's life and works in context, providing crucial historical background looks at each of Shakespeare's plays in turn, considering issues of historical context, contemporary criticism and performance history provides detailed discussion of twentieth-century Shakespearean criticism, exploring the theories, debates and discoveries that shape our understanding of Shakespeare today looks at contemporary performances of Shakespeare on stage and screen provides further critical reading by play outlines detailed chronologies of Shakespeare's life and works and also of twentieth-century criticism The companion website at www.routledge.com/textbooks/shaughnessy contains student-focused materials and resources, including an interactive timeline and annotated weblinks.

Shakespeare Without Women - Dympna Callaghan 2002-09-11

First published in 1999. Routledge is an imprint of Taylor & Francis, an informa company.

Shakespeare's Sonnets - James Schiffer 2013-04-15

Shakespeare's Sonnets: Critical Essays is the essential Sonnets anthology for our time. This important collection focuses exclusively on contemporary criticism of the Sonnets, reprinting three highly influential essays from the past decade and including sixteen original analyses by leading scholars in the field. The contributors' diverse approaches range from the new historicism to the new bibliography, from formalism to feminism, from reception theory to cultural materialism, and from

biographical criticism to queer theory. In addition, James Schiffer's introduction offers a comprehensive survey of 400 years of criticism of these fascinating, enigmatic poems.

The Reel Shakespeare - Lisa S. Starks 2002

This collection models an approach to Shakespeare and cinema that is concerned with the other side of Shakespeare's Hollywood celebrity, taking the reader on a practical and theoretical tour through important, non-mainstream films and the oppositional messages they convey. The collection includes essays on early silent adaptations of 'Hamlet', Greenway's 'Prospero's Books', Godard's 'King Lear', Hall's 'A Midsummer Night's Dream', Taymor's 'Titus', Polanski's 'Macbeth', Welles 'Chimes at Midnight', and Van Sant's 'My Own Private Idaho'.

Shakespeare, Trauma and Contemporary Performance - Catherine Silverstone 2012-02-06

Shakespeare, Trauma and Contemporary Performance examines how contemporary performances of Shakespeare's texts on stage and screen engage with violent events and histories. The book attempts to account for - but not to rationalize - the ongoing and pernicious effects of various forms of violence as they have emerged in selected contemporary performances of Shakespeare's texts, especially as that violence relates to apartheid, colonization, racism, homophobia and war. Through a series of wide-ranging case studies, which are informed by debates in Shakespeare, trauma and performance studies and developed from extensive archival research, the book examines how performances and their documentary traces work variously to memorialize, remember and witness violent events and histories. In the process, Silverstone considers the ethical and political implications of attempts to represent trauma in performance, especially in relation to performing, spectatorship and community formation. Ranging from the mainstream to the fringe, key performances discussed include Gregory Doran's *Titus Andronicus* (1995) for Johannesburg's Market Theatre; Don C. Selwyn's New Zealand-made film, *The Maori Merchant of Venice* (2001); Philip Osment's appropriation of *The Tempest* in *This Island's Mine* for London's Gay Sweatshop (1988); and Nicholas Hytner's *Henry V* (2003)

for the National Theatre in London.

Screening Gender in Shakespeare's Comedies - Magdalena Cieślak 2019-04-19

This book analyzes how twenty-first century film and television adaptations of Shakespeare's comedies interpret gender-related concepts of their source texts. Examining the negotiations between early modern and contemporary gender politics, Cieślak identifies the main strategies of accommodating early modern gender constructs for today's audiences.

Victorian Appropriations of Shakespeare - Robert Sawyer 2003

Swinburne, it may also be used to promote more conservative policies and literary interpretations in other writers such as Robert Browning and Charles Dickens."

Shakespearean Echoes - Kevin J. Wetmore Jr. 2015-05-07

Shakespearean Echoes assembles a global cast of established and emerging scholars to explore new connections between Shakespeare and contemporary culture, reflecting the complexities and conflicts of Shakespeare's current international afterlife.

Filming Shakespeare in the Global Marketplace - M. Burnett 2007-01-31

This exciting new title investigates the explosion of Shakespeare films during the 1990s and beyond. Linking fluctuating 'Shakespeares' with the growth of a global marketplace, the dissolution of national borders and technological advances, this book produces a fresh awareness of our contemporary cultural moment.

Arden Shakespeare Complete Works - William Shakespeare 2014-03-10

This revised edition of the Arden Shakespeare Complete Works includes the full text of *Double Falsehood*, which was published in the Arden Third series to critical acclaim in 2010. The play is an eighteenth century rewrite of Shakespeare's "lost" play *Cardenio* and as such is a fascinating testament to the original. A short introduction outlines its complex textual history and the arguments for including it within the Shakespeare canon. The Complete Works contains the texts of all Shakespeare's plays, poems and sonnets, edited by leading Shakespeare scholars for the renowned Arden series. A general introduction gives the reader an

overall view of how and why Shakespeare has become such an influential cultural icon, and how perceptions of his work have changed in the intervening four centuries. The introduction summarises the known facts about the dramatist's life, his reading and use of sources, and the nature of theatrical performance during his lifetime. Brief introductions to each play, written specially for this volume by the Arden General Editors, discuss the date and contemporary context of the play, its position within Shakespeare's oeuvre, and its subsequent performance history. An extensive glossary explains vocabulary which may be unfamiliar to modern readers.

Shakespeare's Queer Children - Kate Chedgzoy 1995

This book argues that Shakespeare is not the exclusive possession of any one social group or cultural formation, but has provided an enabling and empowering resource which has allowed 'other' radical voices to be heard.

William Shakespeare, Measure for Measure - Kate Chedgzoy 2000

This study explores the intertwining of politics, sexuality, and the social order in *Measure for Measure*.

Shakespeare's Perfume - Richard Halpern 2016-01-29

Starting with St. Paul's argument that the Greeks were afflicted with homosexuality to punish their excessive love of statues, Richard Halpern uncovers a tradition in which aesthetic experience gives birth to the sexual—and thus reverses the Freudian thesis that erotic desire is sublimated into art. Rather, Halpern argues, sodomy was implicated with aesthetic categories from the very start, as he traces a connection between sodomy and the unrepresentable that runs from Shakespeare's Sonnets to Oscar Wilde's novella *The Portrait of Mr. W.H.*, Freud's famous essay on Leonardo da Vinci, and Jacques Lacan's seminar on the ethics of psychoanalysis. Drawing on theology, alchemy, psychoanalysis, philosophy, and literary criticism, Shakespeare's *Perfume* explores how the history of aesthetics and the history of sexuality are fundamentally connected.

Shakespeare's Literary Lives - Paul Franssen 2016-01-21

In this book, Franssen investigates the use of Shakespeare as a fictional

character in different literary genres, periods and cultures.

Bisexual Imaginary - Bi Academic Intervention 1997-01-01

This collection of essays focuses on historical and contemporary representations of bisexuality - both "real" and "imagined" - in literature, film and the visual arts. They ask questions concerning what it means to desire both men and women and explores the role of bisexuality in the construction of every person's sexual identity.

Almost Shakespeare - James R. Keller 2004-09-14

In the past two decades, *Othello* has tried out for the basketball team, *Macbeth* has taken over a fast food joint and *King Lear* has moved to an Iowa farm--Shakespeare is everywhere in popular culture. This collection of essays addresses the use of Shakespearean narratives, themes, imagery and characterizations in non-Shakespearean cinema. The essays explore how Shakespeare and his work are manipulated within the popular media and explore topics such as racism, jealousy, misogyny and nationality. The submissions concentrate on film and television programs that are adaptations of Shakespearean plays, including *My Own Private Idaho*, *CSI-Miami*, *A Thousand Acres*, *Prospero's Books*, *O, 10 Things I Hate About You*, *Withnail and I*, *Get Over It*, and *The West Wing*. Each chapter includes notes and a list of works cited. A full bibliography completes the work; it is divided into bibliographies and filmographies, general studies and essays, derivatives based on a single play, derivatives based on several, and derivatives based on Shakespeare as a character. Instructors considering this book for use in a course may request an examination copy here.

Sibling Relations and Gender in the Early Modern World - Naomi J. Miller 2017-05-15

While the relationships between parents and children have long been a staple of critical inquiry, bonds between siblings have received far less attention among early modern scholars. Indeed, until now, no single volume has focused specifically on relations between brothers and sisters during the early modern period, nor do many essays or monographs address the topic. The essays in *Sibling Relations and Gender in the Early Modern World* focus attention on this neglected area, exploring the

sibling dynamics that shaped family relations from the fifteenth through the seventeenth centuries in Italy, England, France, Spain, and Germany. Using an array of feminist and cultural studies approaches, prominent scholars consider sibling ties from a range of interdisciplinary perspectives, including art history, musicology, literary studies, and social history. By articulating some of the underlying paradigms according to which sibling relations were constructed, the collection seeks to stimulate further scholarly research and critical inquiry into this fruitful area of early modern cultural studies.

Shakespeare Survey - Stanley Wells 2002-11-28

Shakespeare Survey is a yearbook of Shakespeare studies and production. Since 1948 Survey has published the best international scholarship in English and many of its essays have become classics of Shakespeare criticism. Each volume is devoted to a theme, or play, or group of plays; each also contains a section of reviews of the previous

year's textual and critical studies and of major British performances. The books are illustrated with a variety of Shakespearean images and production photographs. The current editor of Survey is Peter Holland. The first eighteen volumes were edited by Allardyce Nicoll, numbers 19-33 by Kenneth Muir and numbers 34-52 by Stanley Wells. The virtues of accessible scholarship and a keen interest in performance, from Shakespeare's time to our own, have characterised the journal from the start. For the first time, numbers 1-50 are being reissued in paperback, available separately and as a set.

Selling Shakespeare to Hollywood - Emma French 2006

Filmed Shakespeare criticism has largely centred on aesthetic critiques of filmic devices, or on comparisons between the film and the source text. Employing a new angle, this book explores the reasons why contemporary filmed Shakespeare prompts cultural anxiety about high-culture adaptation.
