Good Old Sussex by the Sea - Tim Quelch 2020-02-24

Tim Quelch's nostalgic account of growing up with Sussex football and cricket in the 1960s is a rollercoaster ride of triumphs and woes, bringing to life many local heroes of yesteryear and shining light on a police corruption scandal. The book is a must for fans of Brighton & Hove Albion, Sussex County Cricket Club and Hastings United.

History of Sussex - Source Wikipedia 2013-09
 Please note that the content of this book primarily consists of articles available from

Wikipedia or other free sources online. Pages: 40. Chapters: Portsmouth and Arundel Canal, History of Worthing, Clovelly-Kepplestone, Crabbet Arabian Stud, Sussex County Cricket Club, St Cyprian's School, Wealden iron industry, Clayton Tunnel rail crash, Lewes avalanche, Rape, Ascham St. Vincent's School, Sussex county cricket teams, Rape of Bramber, Lord Lieutenant of Sussex, Sussex by the Sea, Prince of Wales Ground, Worthing Rural District, Earl of Sussex, Baron Ponsonby of Shulbrede, Wealden cloth industry, Royal New Ground, Royal Brunswick Ground, Fold Villages, Custos Rotulorum of Sussex, Twitten. Excerpt: Sussex (), from the Old English 'S s axe' ('South Saxons'), was a county in the south east of England. The foundation of the Kingdom of Sussex is recorded by the Anglo-Saxon Chronicle for the year AD 477, saying that Aelle arrived at a place called Cymenshore in three ships with his three sons and killed or put to flight the local inhabitants. The foundation story is regarded as somewhat of a myth by most historians, although the archaeology suggests that Saxons did start to settle in the area in the late 5th century. The Kingdom of Sussex became the county of Sussex; then after the coming of Christianity; the see originally founded in Selsey, was moved to Chichester in the 11th century. The See of Chichester was coterminous with the county borders. In the 12th century the see was split into two archdeaconries centred at Chichester and Lewes. After the Reform Act of 1832 Sussex was divided into the eastern division and the western division, these divisions were coterminous with the two archdeaconries of Chichester and Lewes. Sussex ceased to exist as a political entity in 1974, when, under an act of parliament, its eastern division became the

county of East Sussex and the western division the county of West Sussex. There are several organisations that still..

Bats, Baronets and Battle - Tim Dudgeon
2013-03-26

Bats, baronets and Battle is more than just about cricket. This is a history full of colourful characters eccentric baronets with a fondness for gambling, forthright women who wished to take their role and the game beyond an excuse to wear a pretty dress, and brothers from local villages who played the sport at the highest levels home and abroad. If Sussex was the cradle for the earliest of cricket, the villages around Battle were there at the games birth. From Georgian times and the murky world of 18th century politics, Tim Dudgeon traces Battle crickets role from its role in 18th century Georgian gambling through the fear of 19th century rural unrest and the dawn of the professional game to the tragic impact of two world wars and into the modern era. The story he uncovers is an intriguing one that has local people and communities at its heart, but throws light on their links with events and forces that have shaped our world today.

Sussex County Cricket Club - Paul Weaver
2008-06-01

The history of Sussex, the oldest of the county cricket clubs, is nothing if not dramatic. In 2003, after an excruciating wait of 164 years, Sussex seized the Championship title for the first time. Since then, they have been the dominant force in the domestic game, winning the title twice more in 2006 and 2007, and the C&G Trophy in 2006. That first Championship five years ago was the subject of the critically acclaimed *The Longest Journey*. Now authors Paul Weaver and Bruce Talbot return to explain why this has been the richest period in the club's already vivid history. Going behind the scenes, Weaver and Talbot talk to players and coaches, old and new, to explore the big questions surrounding the club. Why, they ask, did a club with some of the most exciting players in the game find the big prize so elusive for so long? And how, after a revolution in 1997, did the club embark on one of the headiest voyages in the history of county cricket? For fans who want to discover all this and more, *Sussex County Cricket Club: The Golden Age* is a must-buy.
