Don't Date Your Best Friend - Mahi Mistry

He is her best-friend. She is the girl next door. Will they be ever more than just friends? Kiara Sharma and Ethan Kane had been best friends since they were children. They'd shared everything in their eighteen years together except romance. But that all changed at the beginning of their senior year. Kiara began noticing Ethan's washboard abs when he hopped out of the pool, dripping wet after swim practice. Ethan began gazing at Kiara's golden skin in a bikini as a grown woman instead of the girl next door he grew up with. That kiss should have never happened. It was just one moment in a lifetime of moments, but they both felt its power. They knew the thrumming in their veins and desperation in their bodies might give them all they ever wanted or ruin everything if they followed it. They should have never kissed. But it's too late to take that choice back, so they have a new one to make. Fall for each other and risk their friendship or try to forget one little kiss that might change everything. *Don't Date Your Best Friend* is the first book in the funny, sweet, and steamy *The Unfolding Duet*. If you like raw emotions, diverse characters, swoon-worthy romance with sizzling hot scenes, then you'll love Mahi Mistry's *The Unfolding Duet*. Buy *Don't Date Your Best Friend* to read the sweet, steamy romance today! Previously known as *Unfolding Ethan*.

Alli's Life Songs - Emma Johnson 2020-05-08

Allison Swanson felt her life was arranged the way it was supposed to be. She was a professional woman in her early fifties who accepted the daily routine of life: working and coming home to her two beloved cats. After one failed marriage and a bittersweet romance, she felt "safe" with her existence. That all changed when she met Daniel Kelley, a hero, an irritant, and, eventually, her love. Daniel brought with him a ready-made family, which included his six-year-old grandson, Elliott. Allison began a personal evolution that changed her perception about everything. *Alli's life songs* paint the portrait of this evolution. Life circumstances would bring Allison immense joy and heartbreaking tragedy. Along the way, she discovered the heroes in her life. Her faith-sometimes fragile, sometimes imperceptible, but always present-would carry her through.

Why Art Criticism? A Reader - Julia Voss 2022-04-20

How is art criticism to be understood within an expanding artistic field? A look at its history and its manifestations within globalized conditions shows the variety of the genre, of the criteria and of the styles of writing. This reader is an attempt to bring a diverse range of art-critical voices and perspectives into conversation with each other, with texts from the 18th century to the present. The editors Beate Söntgen

and Julia Voss have invited colleagues from various geographical and intellectual backgrounds to present and discuss the art critics of their choice, choosing one example from their respective bodies of work to comment upon. How have these writers approached art criticism? Which styles do they employ? What makes them extraordinary? What can we learn from their writings today, and why is it important in its contemporary context? BEATE SÖNTGEN (*1963) is professor of art history at Leuphana University Lüneburg. She studied art history, philosophy, and modern German literature in Marburg and Berlin. She is director of the DFG Research Training Group "Cultures of Critique: Forms, Media, Effects" and co-director of the program "PriMus - Doctoral Studies in Museums." JULIA VOSS (*1974) is an honorary professor at Leuphana University Lüneburg. She studied art history, modern German literature, and philosophy in Berlin and London. She is herself an art critic and journalist and was deputy head of the arts section of the *Frankfurter Allgemeine Zeitung*.

Worth Waiting For - Tilly Tennant 2020-09-18

On an ordinary, grey day a little bit of magic is about to happen on a street corner near you... At twenty-seven, Ellie Newton's life revolves around telling other people's stories. As a go-getting journalist for the *Millrise Echo*, she's always tuned into the latest goings-on. But covering school fundraisers and shopping trolley thefts has started to lose its shine. Ellie loves her hometown, but with the serious lack of romantic prospects and a career that has stalled, she's beginning to wonder if she should try her luck in the big city after all. Until she hears about a story that definitely has something special... Soulful musician Ben was heartbroken when his girlfriend, the love of his life, Gemma, walked out on him without a word. But rather than mope around the house he's decided this calls for a grand gesture, and a bunch of flowers just isn't going to cut it. Ben has set up camp on Gemma's street and is determined to stay there, in the freezing February weather, until she realises how much he loves her and that he will do anything to make her happy. The story has everything Ellie loves - broken hearts, old-fashioned romance, a rather handsome man - and she decides to do everything she can to help Ben get Gemma back, including taking his story to the national news. But as Ellie and Ben join forces to reunite him with the girl of his dreams, could their story lead them somewhere more unexpected? A perfect feel-good romantic read that will make you laugh and cry. Fans of *One Day in December*, *Lucy Diamond* and *Jill Mansell* will be totally enchanted by this heart-warming tale. Previously published as *The Man Who Can't Be Moved*.
