chatters. In *We Love, We Laugh, We Cook*, Becky—a butter and bacon loving mama—and Rachel—a vegan bean eating daughter—share stories of their crazy, wonderful, and sometimes challenging lives as Rachel becomes a mother herself. Becky is messy; Rachel craves order. Becky forgets what month it is; Rachel is an organizational genius. (At least before baby arrives.) Sprinkled throughout are the lip-smacking, nourishing recipes they love to make and share. From food for a family reunion of thirty, to lunch for a party of one in a high chair, to a hot meal for a sick friend, the authors demonstrate grace, acceptance, and love to others through the bonding gifts of humor, attentive listening, and cooking ... whether diners prefer beef or tofu in their stew.

**Ziggy Marley and Family Cookbook** - Ziggy Marley 2016-10-11

"[Ziggy's] first collection of recipes pays homage to the flavors of his youth and the food he loves to cook for

his wife and five children." --People.com "The musician, his family, and a few well-known chefs all contributed recipes, which are vibrant with fresh vegetables, herbs, and signature Jamaican ingredients like allspice berries and Scotch bonnet peppers . . . Readers will enjoy the vivid, colorful photos of the food and Marley's family." --Booklist "With a health-focused approach, Ziggy Marley reveals memories and food traditions in his new family cookbook." --Ebony "Ziggy rolls up his sleeves to produce Vegetarian Hash, dumplings, Jerk Chicken, Tofu in Coconut Curry, Fish Soup, Caribbean Salsa, Hempseed Pesto, Date and Kale Smoothie, Frittata, Mancakes, Mamá Carmelita's flan and even offers the best recipe for baking Stout Gingerbread. Simply explained, gluten-free, organic fruits and vegetables combine to make healthy, vegetarian, vegan and non-vegetarian meals." --The New York Beacon "The book features updated versions of favorite Jamaican and Rastafarian-inspired meals from those closest to him. Along with Marley's own creations, like the sublime Coconut Dream Fish and aforementioned Mancakes, recipes include his wife Orly's morning oatmeal, his sister Karen's lentil soup, recipes from his daughter Judah and mother-in-law, fresh juices like those his father enjoyed and contributions from several renowned chefs." --Parade "Ziggy Marley and Family Cookbook is a medley of lively recipes like Roasted Yam Tart and Coconut Dream Fish." --Family Circle "Filled with enticing photos, the book includes the recipes of Marley and those close to him, including sister Karen and daughter Judah. It's a celebration of food and family. Containing meat and fish dishes, as well as vegan and vegetarian creations, it draws not only from the Jamaican and Rastafarian cultures that nurtured Marley, but also his wife Orly's Israeli-Iranian roots." --The Mercury News "An exquisite and delectable menu of succulent food." --Crave "The book is inspired by Jamaican meals Ziggy enjoyed while growing up--but with an up-dated healthy spin. It features contributions by wife Orly, sister Karen and daughter Judah. --The Chronicle Journal "Marley delivers a book full of flavors that appeal to the taste buds but also to clean eating . . . There is truly something here for every adventurous and organic-conscious foodie from the Marley family kitchen." --Insights Magazine "This is no typical island cookbook; rather, it's an innovative collection of healthful recipes from his family's Rastafarian and Jamaican roots, combined with dishes from his wife's Persian/Israeli background." --Palo Alto Daily News As the oldest son of Bob and Rita Marley, Ziggy was raised with both traditional Jamaican food and the more natural and healthy "ital" food of the family's Rastafari culture. The fifty-four recipes included in the book, inspired by Ziggy's youth and accompanied by beautiful photos, are contributed by Ziggy, his wife Orly, his sister Karen, as well as renowned chefs Bruce Sherman (Coconut Carrot Curry), Ben Ford (Escabeche, Escovitch), and Leonie McDonald (Caribbean Salsa). Many of the recipes are vegetarian, vegan, and/or gluten-free. From the introduction by Ziggy Marley: "I first started dabbling in the kitchen as a teenager. I enjoyed making cornmeal porridge, and it helped me to begin appreciating the idea of nourishment, the idea that food can make your body feel better. I would make Irish moss and some of my dad's juices...Our Rasta culture was different than regular Jamaican culture. We used to have both sides then, because my auntie would cook the more traditional Jamaican food. On the other side, our Rasta culture drew us to a different way of eating. My father would always have a lot of juices and greens and nuts. We were introduced to ital food--fresh, organic, and nutritious, less salt."

**Ten Thousand Tongues: secrets of a layered kitchen** - Nandita Godbole 2018-12-04

Strong matriarchs in the author's family are the inspiration for "Ten Thousand Tongues." These are stories of perseverance, and of a deep-rooted appreciation of family legacies that inspire and shape reverence to one's culinary heritage. This biographical fiction is about eight women who find refuge, solace, and strength in their constantly evolving relationship to family and each other, through the foods they cooked and later, the dishes they are most often remembered by. It captures their essence through narratives from within and around their homes, their lives intersecting briefly, as mothers and as daughters. The main characters of this book navigate the constructs of religious boundaries, between Hinduism and Judaism, and definitions of identity in India and the United States. Despite their flawed relationships, their modest kitchens create indelible memories. Their domestic life is sometimes their burden, and at other times their sanctuary, and yet, long after the kitchen fires are cold, the warmth of old-fashioned comfort foods continue to nourish both body and spirit. Their narratives lead readers through the food pathways that finally culminate in Ana's kitchen, far away from where the stories first began. Immortalized through iconic comfort foods, eight women effortlessly manage to create a unique and lasting culinary legacy that spans many generations. Look for a companion cookbook of the same name to pair with the novel for a complete immersive experience.

Lisa Faulkner Like most mums, Lisa Faulkner is always thinking of recipes for her family which are tasty and nourishing. Talking to other mothers and swapping recipes has been the greatest source of inspiration for her, so she invited those of her friends who are mothers to share their secrets in her brand new cookbook, From Mother to Mother.
