**Her** - Jane Jesmond 2023-05-25

**YOU THINK YOU'VE HEARD MY STORY BEFORE...** At twenty-seven, I'm too young to be a widow. I'm trying my best to start over though: new city, new job running my own little shop. I try to fade into the background where I can, but the police won't let me disappear completely. There are too many unanswered questions about the night my husband died. **YOU THINK YOU**

**KNOW ME...** I even have a new lodger, Elizabeth. She's friendly, but definitely not a friend. Beautiful, too - tall and slim with the sort of swishy blonde hair I've always coveted. She smiles at me when we pass on the stairs. It occurs to me then that I don't know the first thing about her. ...**BUT YOU'RE SO, SO WRONG.** If I were to tell you what happened to us next, you wouldn't believe me. You might believe Elizabeth - she's the type who people trust - until it's too late. I guess you'll have to find out for yourself. If you read one book this year, make it this one. A tense, gripping psychological thriller for anyone who raced through *The Girl Before*, *Behind Her Eyes*, or *The Girl on the Train*.

The Houseshare - Carla Kovach 2022-08-16  
Behind closed doors is a secret someone is willing to kill for. I walk into the bright, open living room of my new apartment, and I know this is the fresh start I've been dreaming about. As I double lock my pretty red door each night, I feel like I can finally be happy. I can finally be safe. But when I'm woken one night by the sound of my neighbours arguing through the wall. I swear I hear one of them saying my name. Why would they be talking about me? Michaela and Kirsty seem so nice, always stopping to chat when we pass in the hallway, and inviting me round for a glass of wine after work. I know I'm being paranoid, but then my favourite hair clip goes missing and I start to feel like someone's watching me. Nobody was meant to know where I am. And I was careful. I did everything right. The Street Party - Claire Seeber 2021-06-08  
The party was supposed to be the highlight of the summer. If only I'd known that night would destroy our lives... All the neighbours were laughing, drinking out of plastic glasses and getting along. I almost felt happy. Almost forgot about the terrible argument earlier and the sinister messages I'd been receiving from a strange address all week, threatening to expose the lies behind my perfect life. As we finished with the red and gold fireworks and welcomed everyone back to our house, I believed that everything would be okay. But I didn't know who I was inviting in. I never could have imagined what would happen here, in our home, after I'd gone up to bed. Everyone saw something different. It's my daughter's word against the story the boy from down the road is telling. But how can I find out what really happened that night without everyone finding out the truth about me? An absolutely gripping story of the secrets you would do anything to keep hidden, with a twist you just won't see coming.
