Hilarious and helpful, The Wander Woman's Phrasebook belongs in every woman traveler's carry-on.

Lilith: The Power of the Woman's Spirit in the Age of Aquarius - Ed Russo 2014-08-06

Embrace the darkness for there you will find the light. We all have been told in this patriarchal system that to look for salvation is to look upward and outward to a god or gods to worship. We are not here to worship, but to look inside ourselves and embrace who we are and grow to our full potential. Inanna is the archetypal Goddess of love and war. Her descent into the Underworld is a reflection of our journey of going inward to face our true nature. When we fight this, we then are at war

with nature. Lilith is Inanna's handmaiden as we ourselves can also become partners with Inanna. Realizing who we are we then embrace the balance with the female archetype with the male archetype which will bring us wholeness as women become stronger and men and women come to love themselves. This new perspective is what is taken place as we enter into the Age of Aquarius.

Soul Mates - the Formula - Vincent Sylvan 2013-02-12

Vincent Sylvan has created a formula using astrological influences as a guidepost for finding ones soul mate. This formula gives the readers action steps on how to narrow their search along the way, to identify this mystical person that Vincent believes we all have. These are methods the author has tested and applied himself on his own quest in finding his soul mate. After many years of research, his first marriage for seventeen years, not being able to succeed, he experienced divorce and failure. This triggered him to find the answers more than ever before, and past the prime of his life, Sylvan had an awakening and developed the formula to find his other half of his soul, the only person who can inspire him to be a better person and take him to greater heights than he could have ever dreamt of by himself or with any other woman. Putting into practice the secret to his revelation, he finds her on the Internet, the hardest place to find his soul mate, to put his formula to the test. The results surpassed his expectations. Vincent realized once more the importance for everyone to find their soul mate, to live a life of wonders. That is why he created this book. The Aquarian Gospel of Jesus the Christ: The Philosophic and Practical Basis of the Religion of the Aquarian Age of the World and of The Church Universal - Levi H.

Dowling

What is an Age? Astronomers tell us that our sun and his family of planets revolve around a

central sun, which is millions of miles distant, and that it requires something less than 26,000 years to make one revolution. His orbit is called the Zodiac, which is divided into twelve signs, familiarly known as Aries, Taurus, Gemini, Cancer, Leo, Virgo, Libra, Scorpio, Sagittarius, Capricorn, Aquarius and Pisces. It requires our Solar System a little more than 2100 years to pass through one of these signs, and this time is the measurement of an Age or Dispensation. Because of what Astronomers call "the precession of the Equinoxes" the movement of the sun through the signs of the Zodiac is in order reverse from that given above. Exact Time of the Beginning of an Age. Regarding this matter there is a disagreement among astronomers; but in this Introduction we are not called upon to give the reasons of the various investigators for their opinions; there are enough well authenticated facts for our present purposes. It is conceded by all critical students that the sun entered the zodiacal sign Taurus in the days of our historic Adam when the Taurian Age began; that Abraham lived not far from the beginning of the Arian Age, when the sun entered the sign Aries. About the time of the rise of the Roman empire the sun entered the sign Pisces, the Fishes, and the Piscean Age began, so that early in this Age Jesus of Nazareth lived. What is the Piscean Age? This question requires further consideration. The Piscean Age is identical with the Christian Dispensation. The word Pisces means fish. The sign is known as a water sign, and the Piscean Age has been distinctly the age of the fish and its element, water. In the establishment of their great institutions John the Harbinger and Jesus both introduced the rite of water baptism, which has been used in some form in all the so-called Christian Churches and cults, even to the present time. Water is the true symbol of purification. Jesus himself said to the Harbinger before he was baptized: "All men must be washed, symbolic of the cleansing of the soul." (Aquarian Gospel 64:7.) Fish was a Christian Symbol. In the earlier centuries of the Christian Dispensation the fish was everywhere used as a symbol. In his remarkable book, "Christian Iconography," Didron says: "The fish, in the opinion of antiquarians generally, is the symbol of Jesus Christ. The fish is sculptured upon a

number of Christian monuments, and more particularly upon the ancient sarcophagi. It is also upon medals, bearing the name of our Savior and also upon engraved stones, cameos and intaglios. The fish is also to be remarked upon the amulets worn suspended from the necks by children, and upon ancient glasses and sculptured lamps. "Baptismal fonts are more particularly ornamented with the fish. The fish is constantly exhibited placed upon a dish in the middle of the table, at the Last Supper, among the loaves, knives and cups used at the banquet." In the writings of Tertullian we find this statement: "We are little fishes in Christ our great fish." The last two thousand years, comprising the Piscean Age, has certainly been one of water and the many uses of that element have been emphasized, and sea and lake and river navigation has been brought to a high degree of efficiency. What is the Aquarian Age? The human race is today standing upon the cusp of the Piscean-Aquarian Ages. Aquarius is an air sign and the New Age is already noted for remarkable inventions for the use of air, electricity, magnetism, etc. Men navigate the air as fish do the sea, and send their thoughts spinning around the world with the speed of lightning.

connections and the power of sacred sex as a path to the divine. When Armando's magical painting of Jesus and Mary Magdalene goes on display in the Medici Chapel and is viewed by thousands, the painting's power coalesces with Aquarian vibrations to trigger a mass kundalini rising within the Chapel, activating the sacred bones in the reliquaries. To Have, to Hold, and to Never Let Go - Cattina C. Coleman 2012-12-28

I am a woman of many attributes and as impressive as my background is I too find it hard to juggle a relationship, family, friends, and my career. With a two year old son, a new found relationship with a handsome young man who is just a year younger than me but so much wisdom he could teach a teacher; still pursuing my Doctorate Degree in Business, and building a company from the ground up; has definitely put my life in the fast lane. The inspiration to my book was having seen male friends of mine who are battling their own love lives and or the family. I wanted to create a book to help guide them in a path where they too can understand where we women are coming from when we ask them a million and one questions about relationships and family. So in my book *To Have, To Hold, and To Never Let Go*, I am letting men know the inner thoughts and acts of women and show how we are not that much different from you guys in the sense of commitment. The same thoughts you men have us women have too; we just go about them a little differently. So in this book allow these chapters to guide you men on how *To Have a Woman, Hold a Woman, and To Never Let Her Go*.

*The F*ckhead Guide to Astrology* - Fckhead 2005-05

The F*ckhead Guide to Astrology is the ultimate antidote for all you boring yuppies, neo-hipsters and punk wannabes who think there might be some validity to spirituality/western philosophy/astrology but are just too fed up with the WE-ARE-ONE, GOD-IS-LOVE, WE-ARE-ALL-GOD-N-WE-ARE-ALL-LOVE post-hippie claptrap still controlling the market, and all who wanna barf at the mention of L. Ron Hubbard (we feel you). In under 200 pages, underground author/Tourette's Syndrome survivor F*CKHEAD lovingly yet ruthlessly dissects the pop psychology dumping ground that is Astrology: signs are described, signs are decried, signs are dismantled, F*ckhead tells you how to pick up chicks (assuming, of course, you somehow know their signs to begin with, in which case you probably wouldn't need his help) and Tom Hanks is made fun of. HILARITY ENSUES. The F*ckhead Guide to Astrology is absolutely guaranteed to heal marriages, tame children, cure lepers, end hunger, establish world peace etc. (though we are still waiting on endorsement from Dr. Phil). Literarily, kinda bullshit but a helluva lot better than blowing your money on "How to Spot A Bastard By His Star Sign". So buy it now, suckers, 'cause if you keep standing in the New Age section the clerks are gonna stare at you.

Aquarius Horoscope 2020 - Lisa Lazuli

2019-12-07

AQUARIUS LOVE, CAREER, HEALTH, ROMANCE and SEX HOROSCOPE 2020 What does astrology have to say about Aquarius in 2020? Detailed overview with monthly readings broken into life, money, romance, health, love and marriage, career and key days. You are happy to put things on the backburner as you are less driven and focused on yourself. You appreciate the softer side of life and avoid confrontation, however deeper down you grapple with self-doubt and your emotions are turbulent and it often projects into family life shattering the very peace you seek. Career wise it may be time a time or wrapping up and wondering what is next, and yet it is not a time to jump on a whole new bandwagon; it is a good time to step out of the rat race and consider your next move carefully and whether it is a true reflection of where you want to be and who you want to be. New friends are often key to new patterns of thinking and may play a pivotal role in the unfoldment of a new direction in life that you are embarking on. There is a lot of love in the air and yet the freeway of love has a few traffic jams as you are quite conflicted and often need to withdraw and sort through self-doubt and even paranoia. You need periods of seclusion in conjunction with periods of social activity as there will be many dilemmas only you can figure out, and you need a quite headspace to do that and to tackle the emotions that suddenly take you by surprise. Sudden events in home and family life reflect deeper inconsistencies or frustration which have repressed emotionally, and now you have a golden opportunity to mull over and resolve these and move into a new chapter with a clean slate and pure understanding of what you need from work and relationships. You are very intuitive and perceptive in 2020 and yet often this confuses you until you can get to grips with deeply buried issues, fears and anxieties.

Levi H. Dowling 2022-11-13

Dowling who claimed that he had transcribed the text of the book from the kashic records, a purported compendium of mystical knowledge supposedly encoded in a non-physical plane of existence. In the later 20th century, it was adopted by New Age spiritual groups. The title is derived from the practice in astrology of naming time periods in terms of constellations and their dominant positions in the sky, according to the earth's axial precession.
