

Unconditional Unending Love Book 1

Dare to Be Rare Kathleen Whitten 2007-10 Dare to be Rare is an American phrase that means 'dare to be different', or more freely translated perhaps, 'be yourself' - the person that God created you to be. Don't let the Americanisms put you off from what should be a rewarding book for younger women - an underpublished area in Christian terms. Taking Romans 12.2 as its inspiration, "Do not be conformed to this world, but be transformed by the renewing of your mind, you may prove the will of God, what which is good, acceptable and perfect", the book dares women to explore critical issues in their lives such as self-esteem, courage, honesty, identity through the lens of scripture and experience, and offers the positive message that we are all loved and valued by God. The author is certainly someone that dares to be rare. She is also a woman of faith and courage who has overcome cancer and still finds time to preach the Word and raise a family. This book is great for personal use, but perhaps ideally suited for small groups that can be formed from fellow churchgoers. Go on, give this book a try and you too can "Dare to be Rare!"

Keeya Nilsen, visually impaired from the plane crash that took her parents' lives, comes to him and has a justifiably bad attitude about love, since all the men she's ever loved have cheated on her and robbed her...including the last one, who absconded with her most prized possession--her grandfather's unpublished Blues compositions--when he flew the coop. As together they search for her last boyfriend and her missing legacy, Orlando reminds Keeya of the faith she'd had before the plane crash that changed her life and makes her see love as God intends.

Compatibility Modeling Xuemeng Song 2022-06-01 Nowadays, fashion has become an essential aspect of people's daily life. As each outfit usually comprises several complementary items, such as a top, bottom, shoes, and accessories, a proper outfit largely relies on the harmonious matching of these items. Nevertheless, not everyone is good at outfit composition, especially those who have a poor fashion aesthetic. Fortunately, in recent years the number of online fashion-oriented communities, like IQON and Chictopia, as well as e-commerce sites, like Amazon and eBay, has grown. The tremendous amount of real-world data regarding people's various fashion behaviors has opened a door to automatic clothing matching. Despite its significant value, compatibility modeling for clothing matching that assesses the compatibility score for a given set of (equal or more than two) fashion items, e.g., a blouse and a skirt, yields tough challenges: (a) the absence of comprehensive benchmark; (b) comprehensive compatibility modeling with the multi-modal feature variables is largely untapped; (c) how to utilize the domain knowledge to guide the machine learning; (d) how to enhance the interpretability of the compatibility modeling; and (e) how to model the user factor in the personalized compatibility modeling. These challenges have been largely unexplored to date. In this book, we shed light on several state-of-the-art theories on compatibility modeling. In particular, to facilitate the research, we first build three large-scale benchmark datasets from different online fashion websites, including IQON and Amazon. We then introduce a general data-driven compatibility modeling scheme based on advanced neural networks. To make use of the abundant fashion domain knowledge, i.e., clothing matching rules, we next present a novel knowledge-guided compatibility modeling framework. Thereafter, to enhance the model interpretability, we put forward a prototype-wise interpretable compatibility modeling approach. Following that, noticing the subjective aesthetics of users, we extend the general compatibility modeling to the personalized version. Moreover, we further study the real-world problem of personalized capsule wardrobe creation, aiming to generate a minimum collection of garments that is both compatible and suitable for the user. Finally, we conclude the book and present future research directions, such as the generative compatibility modeling, virtual try-on with arbitrary poses, and clothing generation.

When Sylvia calls him out of the blue, he doesn't waste time getting down to their office. In this past month, Sylvia has been dealing with her own feelings for Den, her overwhelming guilt for the pivotal event that happened years ago and caused her mother to be mentally unstable, coinciding with her inability to forgive herself the way she knows the Lord has forgiven her. Before the sparks can fly between Den and Sylvia in the direction he has his heart set, she says they've got company. Jilted bride Naomi Deva tells him that her groom--Mayor Thomas Julian--dumped her at the altar. His Endless Love Samantha Sali 2015-07-04 "And when the Bible says that God is love and that God defines love, it doesn't mean that He defines it like the dictionary defines love. Nor how we define love. It means that God is the very definition of love. There is no such thing as love without God. We cannot define love outside of knowing God." In 2011, Samantha Sali created a simple blog to help her family and friends see the importance of love in the world, specifically God's love. Within months, the blog went from 2 readers to 200. The words that she wrote inspired thousands to start living a love-filled life. Read her personal testimony of how she overcame pain, hatred, guilt, abuse and started living a life filled with love, compassion, kindness, and empathy. Follow her journey as she learns what love is, who created love, and what it feels like to be loved. *Includes exclusive interview with Dr. Buck Blodgett, founder of The LOVE > hate Project. "In my journey to self-discovery, I've found that God loves me for me. And He forgives me. And He wants a relationship with me. And that is the most fulfilling thing in the world. That is one of the biggest reasons why I started the 'His Endless Love' blog and why I took on the task of writing this book. It took me a long time to figure this out - and I want everyone who reads this to understand that they are loved and appreciated, and should never waste their lives living for someone who doesn't care. God cares. God loves you. God desires a relationship with you. He wants you to run to Him and live a life full of love."

The Bloodmoon Curse Karen Wiesner 2014-03-27 An unsuspecting nurse is lured to an ancient family mansion said to hold both ghosts and horrifying secrets in order to care for three orphaned children. Amberlyn Lyons has recently suffered a devastating miscarriage that has torn her marriage apart and shaken her faith. She quietly takes a nanny position at an isolated mansion in Bloodmoon Cove without electricity, telephone, or ease of passage. The moment she walks into Bloodmoon Manor, Amberlyn deduces that all things aren't as they seem. The eerily similar owners distrust doctors who, in thirty years, have been unable to cure their severely deformed daughter Katerina. Katerina both idolizes and despises Amberlyn for her beauty. Childishly cruel, Katerina enjoys tormenting the orphans by telling them tales of the malicious ghost that haunts the decaying mansion. Amberlyn discounts the paranormal legends as made-up stories until she hears the shuffling of footsteps in the cold, dark halls and feels that she's being watched at every turn. She knows the ghost is real and she must protect the children. But when she discovers a graveyard behind the mansion filled with babies who died at birth or shortly thereafter, she realizes the ghost of Bloodmoon Manor is really a family curse and she was brought there to uphold the family legacy of that curse. Either she finds a way to escape with the children...or she becomes the next bloodmoon bride.

Forbidden Fruit Karen Wiesner 2019-02 Rich and superficial, Apple Wooten knows best that she's wasted her life, in and out of rehab, betraying those she considers friends, and never forming attachments with anyone but her unhealthily cloistered family. When her brother shocks all of them by announcing he's leaving the Wooten Law Firm in New York City and moving to Amethyst, Wisconsin, a mere blip on the map, to marry a small town girl, Apple is prodded by her mother to rush in and talk sense into him. Though it's the last thing she wants to do considering she's just been released from another rehabilitation she doesn't expect to stick and Amethyst is the hometown of a friend she all but destroyed with her selfishness, she nevertheless sees no way to avoid her mother's bidding. She'd never been able to refuse her parents anything--and not simply because they control the purse strings. The one person in Amethyst who will give her the time of day is Bailey "Bay" Johnson, who also went into the family business. The Johnsons own a slew of resort cabins on Lake Amethyst and, during the tourist season, they do brisk, bustling business. Apple had met Bailey years ago, the first time she ever came to Amethyst, when she'd ordered him around and all but made him her servant. Bailey didn't seem bothered by her cruel teasing then, just as he doesn't seem to be affected by her humbled, fumbling attempts at kindness now. As the youngest of nine siblings in a close-knit family, Bailey has learned that acceptance is far easier than fighting. Unfortunately, a bad experience with love when he was young also taught him that folding is preferable to holding because reaching for forbidden fruit like the treacherous, beautiful disaster, and--recently--child-like and fragile Apple Wooten could be the worst mistake he's ever made.

Briar's Patch Karen Wiesner 2017-01-31 As a teenager, Roman "Bud" Marasek was shy and withdrawn, a farmer's kid who grew up to be a farmer himself. The first girl he loved was Briar Sankey, a popular girl with big, beautiful eyes and a wild clothing and makeup style. It took him years to work up the courage to ask her out, and their date was the best night of his life. But, when she never answered his calls after that and started dating the star athlete, he'd realized he'd only been wishing for the moon. Years passed, Bud fell in love with Evette, had a daughter, and his wife died unexpectedly. Raising Harper hasn't been easy alone, but at forty-seven he feels completely unprepared for being both father and mother to a moody teenage daughter with too many boyfriends and life-and-death meltdowns. He turns to Briar for help. Briar is running her mother's restaurant, has finally toned down her style, and, unbelievably, has never married and seems content to be alone. Looks are deceiving... Briar had spent her life confident she had all the time in the world to make a life for herself and any choice she wanted. At forty-seven, she no longer has the same choices. With both of her parents gone, she's the only one left to run the restaurant, her mother's legacy to the small town of Amethyst and what she considers her "patch" in the big, wide world. Additionally, the few eligible men in the area don't interest her. Letting slip an unintended faux pas, a friend of both Briar and Bud reveals to Briar that Bud has had a thirty year crush on her. Suddenly his reason for coming by the cafe nearly every day of his life takes on startling meaning. In truth, she'd barely noticed him most of the time. When he asks her for help with Harper, she can't refuse. And suddenly she's seeing Bud in a whole new light...and falling in love with the sweet, shy man who's been there all along.

My Little Book of Quotes and Poems and the Scriptures that Inspired Them D. Edward Osborn 2022-12-30 This book is made up of many quotes that I thought up mostly while I was doing time in prison after I found Jesus Christ as my Lord and Savior. The same goes for the poems and the short writings. You will notice that the chapter headings are the nine fruits of the spirits that are listed in Galatians 5:16-26. The holy scriptures tell us that we must build our faith in God Almighty and Jesus Christ. I hope through reading these quotes and short messages that the person reading this will increase their faith or come to find that Jesus Christ and God Almighty are real.

Peaceful Pilgrims Series, Book 4: Hearts Ablaze Karen Wiesner 2023-11-30 Peaceful Pilgrims Series is set in Karen Wiesner's fictional town of Peaceful, Wisconsin, a small community with old-fashioned values and friendly people you'll want to get to know and visit often. Sometimes trying to have it all with no quarter given means losing what matters most... Riley Levi works hard toward success as a flight attendant and longs for love to set her heart ablaze. In order to speed up the timetable of her career aspirations, she takes an ill-advised shortcut that could have lasting ramifications. Riley's husband, Liam "Blaze" Blazel, lives in their hometown of Peaceful, Wisconsin, serving as a police officer. Blaze and Riley married six months ago. He believes marriage means a husband and wife live together, sleep together every night, and eventually raise a family together. The last thing Riley needs is to be in a committed relationship with a man who wants to ground her. Perhaps the most damning thing of all is that they love each other passionately. There's simply no happy medium that could make this thing work...

Destiny Karen Wiesner 2013-03 How do you know destiny when it knocks on your door, or recognize it if it's always been there? Christian Riley, Elizabeth Horace, and Oscar Albright grew up together, the cliched "church kids", but Chris quickly found everything about his life stifling. When he moves to Los Angeles to get away from everything his existence has dictated for him, he doesn't expect Elizabeth to follow him, but he's known for as long as he can remember that she loves him obsessively...just as Oscar loves her. With Chris's faith in tatters, he has no interest in Christianity let alone morality. Yet in the thirteen years that follow, he finds himself returning to Elizabeth whenever he hits rock bottom. Deep down, he understands she alone will always love him, no matter how far he strays or how much he hurts her when he uses her as his last-ditch refuge. When a serial killer/rapist's attack of Elizabeth is mercifully thwarted, Chris's world collapses in on him with guilt and horror coming at him from every corner. The attack has changed Elizabeth. She realizes she's put her life on hold for too long praying for Chris to share her belief that their love and life together is destined. After she severs the ties between them, Chris knows the only way to get her back is to give himself to the Lord. God begins changing him from the inside out, but--too little, too late--has he fallen in love when his angel of mercy is no longer available to him?

Learning from Multiple Social Networks Liqiang Nie 2022-05-31 With the proliferation of social network services, more and more social users, such as individuals and organizations, are simultaneously involved in multiple social networks for various purposes. In fact, multiple social networks characterize the same social users from different perspectives, and their contexts are usually consistent or complementary rather than independent. Hence, as compared to using information from a single social network, appropriate aggregation of multiple social networks offers us a better way to comprehensively understand the given social users. Learning across multiple social networks brings opportunities to new services and applications as well as new insights on user online behaviors, yet it raises tough challenges: (1) How can we map different social network accounts to the same social users? (2) How can we complete the item-wise and block-wise missing data? (3) How can we leverage the relatedness among sources to strengthen the learning performance? And (4) How can we jointly model the dual-heterogeneities: multiple tasks exist for the given application and each task has various features from multiple sources? These questions have been largely unexplored to date. We

noticed this timely opportunity, and in this book we present some state-of-the-art theories and novel practical applications on aggregation of multiple social networks. In particular, we first introduce multi-source dataset construction. We then introduce how to effectively and efficiently complete the item-wise and block-wise missing data, which are caused by the inactive social users in some social networks. We next detail the proposed multi-source mono-task learning model and its application in volunteerism tendency prediction. As a counterpart, we also present a mono-source multi-task learning model and apply it to user interest inference. We seamlessly unify these models with the so-called multi-source multi-task learning, and demonstrate several application scenarios, such as occupation prediction. Finally, we conclude the book and figure out the future research directions in multiple social network learning, including the privacy issues and source complementarity modeling. This is preliminary research on learning from multiple social networks, and we hope it can inspire more active researchers to work on this exciting area. If we have seen further it is by standing on the shoulders of giants.

Crooked House Karen Wiesner 2016-09-28 Don't close your eyes... Some doors, once opened, can never be closed again... Orphan and widow Corinne Zellman is stunned when she receives several urgent letters from a lawyer, telling her she's the only surviving heir of Edward Buchanan, a relative of her recently deceased husband. Though Corinne ignores the first few summons, too grieved to consider them anything but cruel hoaxes, she takes notice when yet another arrives, this time with a family ring identical to the one her husband wore and lost just before he was killed. Stuck in a dead end job and curious about the family the love of her life seldom spoke of, she reluctantly pulls up stakes and heads to Bloodmoon Cove, where the persistent elderly gentleman lives. There, with her best friend Ruby, she finds Crooked House, the family "estate". Crooked House certainly lives up to its disturbing name, as does Edward Buchanan, who is old and pale and disappears so frequently she can almost believe he's nothing more than a ghost. It isn't long before Corinne begins to suspect that her new family member had ulterior motives for insisting she come live with him. But to believe that is to believe that Rafe Yager, a hardened soldier, is entirely correct when he says Crooked House is dangerous. The longer she stays, the less chance she'll ever leave again. Ghost hunter Rafe is one of the last descendants of the Mino-Miskwi Native American tribe whose elders disappeared during a ritual at their sacred place at the top of Bloodmoon Mountain. Rafe has come home based on a terrifying vision of wide-eyed, wholesome dreamer Cori losing her soul to an evil she doesn't recognize. Crooked House is falling and its sinister legacy demands recompense for her husband's death--something that was no accident, as she supposed. Can Rafe save Cori from a sacrifice she never meant to make when she unknowingly came to love a monster?

Return to Bloodmoon Manor Karen Wiesner 2017-07-04 Back into the mouth of hell... Daniel and Hannah Reynolds are newly married with their first child on the way when a notice comes from a lawyer saying that the remaining member of the Bonavaris clan has died and willed Bloodmoon Manor and all its possessions to Hannah, her former maid and cook. While Hannah can't fathom the reason for the bequeath, the notion of selling the manor and the valuable items inside it begins to grow inside her like an obsession. She and Daniel have begun their married life with little more than outstanding debts from his medical education--debts that come due around the same time as the birth of their baby. After a lifetime of poverty, Hannah refuses to allow her child to face the kind of scavenging, hand-to-mouth existence that had led to her employment at the horrible Bloodmoon Manor in the first place. Unable to convince his beloved wife to forget about returning to Bloodmoon Cove to secure a future for their family, Daniel has no choice but to follow her into what he aptly calls "the mouth of hell"--a place Hannah just barely escaped with her life last time. Daniel's worst fears are justified when the doors of Bloodmoon Manor slam shut behind them. They've been lured here deliberately, and the horrors that haunt the dark, evil manor aren't willing to let Hannah leave ever again...

All Set Free Matthew J. Distefano 2015-09-30 What is the ending to the human drama? Will all be reconciled to God in the end? Does God demand an altar, a corpse, and blood? Or, rather, is the Christian God set apart from all the other gods throughout history? All Set Free sets out to answer some of the more difficult questions Christians today are faced with. It will challenge the Augustinian understanding of hell and the Calvinist understanding of the atonement; replacing them with a more Christ-centered understanding of both doctrines. This book will also use the work of Rene Girard in order to reshape how many understand "what it means to be human." Then and only then should we ask: "Who is God?" Come explore what has become Matthew's theological pilgrimage to this point. Come discover the God of peace.

Challenge of Facework, The Stella Ting-Toomey This book addresses the cross-cultural variations in the conceptions of face and facework from a multidisciplinary communication perspective. Facework represents one of the most important theoretical concepts available to us in contemporary communication literature as it encompasses a dynamic network of cross-cultural, social cognitive, affective, interpersonal, interactional, and identity issues. The book serves a dual purpose: to raise issues and to extend some of the current ideas in face and facework research in the cross-cultural and interpersonal communication settings, and to illuminate some specific directions for future research into the face and facework management process. Face and facework are presented in conjunction with phenomena such as politeness, request interaction, embarrassment, conflict, business negotiation, and international diplomacy.

CPR for Dead or Lifeless Fiction: A Writer's Guide to Deep and Multifaceted Development and Progression of Characters, Plots, and Relationships Karen S. Wiesner 2020-08-31 Characters: Do your characters have no obvious signs of life, nothing that gives them unique personality, perspective, and passion? Plots: Are plots and conflicts created spur of the moment with no set up, build up, curiosity, or tension? Relationships: Are your characters merely going through the motions with each other? All of these and more are signs of dead or lifeless stories. The three core elements of story--Characters, Plots, and Relationships (CPR)--need to be developed three dimensionally. To truly be living, characters aren't simply existing and going through the motions. They possess fully developed external and internal conflicts. They're interacting in dynamic, realistic, and believable relationships. They have multidimensional character attributes that give them both vitality and voice. Finally, they're engaged in what makes life worthwhile with definable goals and motivations. This

resource teaches writers how to identify dead or lifeless characters, plots, and relationships; establish proper setup; plant the seeds early with in-depth sketches; and pinpoint weak areas in CPR development. The only one-stop, everything-you-need-to-know 9-1-1 for deep, multifaceted Character, Plot, and Relationship development!

Woodcutter's Grim Series: Volume II {Classic Tales of Horror Retold} Karen Wiesner 2015-06-30 For the ten generations since the evil first came to Woodcutter's Grim, the Guardians have sworn an oath to protect the town from the childhood horrors that lurk in the black woods. Without them, the town would be defenseless...and the terrors would escape to the world at large. A four-book miniseries within the Woodcutter's Grim Series, dealing with the curse on the Shaussegeny family. Moonlight Becomes You (Book 4) {romantic paranormal} Very loosely based on "The Town Mouse and the Country Mouse". When her child becomes deathly ill and none of the doctors and specialists can help him, Heather Rowe rushes to Woodcutter's Grim, hoping the boy's father can explain what's happening. But Lance Shaussegeny both intrigues and terrifies Heather as much as what he's told her of his hometown does. She soon learns that nothing in Woodcutter's Grim--including Lance--is what it seems. Bewitched (Book 5) {romantic paranormal} Very loosely based on "The Little Mermaid". Glynnis Shaussegeny becomes bewitched by the mystery man who appears out of nowhere on the abandoned property across the lake from her family's estate. But does Aric Sayer have even more dark secrets than she does? One Night of Eternity (Book 6) {romantic paranormal} Very loosely based on "The House That Jack Built". The curse pronounced on the Shaussegeny clan for all time was very clear: "Because the Shaussegeny name has long been synonymous with faithlessness, even unto your own chosen mates, only one chosen mate will be allotted to each of your kin henceforth. These chosen mates must also fall under the family curse, but these pairs will know true peace when they become one. Herein lays your salvation--and your damnation. Only if each of your clan remains faithful to their chosen mates in word and deed for all of their days will they have blissful contentment. Apart, mates shall be restless and forever unsettled, gripped by a sadness and despair unlike any other. A terrible fate will come upon the one who breaks the mate covenant." Gavin Shaussegeny has broken the covenant with his wife, Marnie, by cheating on her, and the betrayal carries a harsh penalty and punishment. Although Gavin regrets his faithlessness and loves his wife more than anyone or anything else, the house that he's built for himself is rapidly beginning to tumble down around him. There is only one chance for salvation for him now: Only his mate's undeserved forgiveness will free him from his punishment to re-live his betrayal over and over for all time. Beauty is the Beast (Book 7) {romantic paranormal} Very loosely based on "Beauty and the Beast". The Shaussegeny family curse came with one final pronouncement: "And now there is but one manner in which this curse can be broken and obliterated entirely: That beauty falls in love with the beast and vice versa, that evil loves good and good loves evil. If this should happen, your family shall be released from each aspect of my curse and your alliance with evil shall be ended." Ransom Shaussegeny attempts to cure the family of the curse they live under. Instead, he becomes a werewolf trapped in his beast form and isolates himself inside the family fortress. When he meets Tess Moore, a beautiful enchantress, and falls under her spell, Ransom no longer knows who or what is real--or whether the evil in Woodcutter's Grim is about to have the last laugh by dooming him, the woman he loves, and his family for all time...

Loving God When You Don't Love the Church Chris Jackson 2007-09-01 Many Christians who experience hurt in the church don't just leave their own churches; they leave the church altogether. Whether they have been wounded by pastors or people in the pews, these believers have had enough and are jumping ship in massive numbers. Pastor and churchgoer Chris Jackson is honest about his own failings as well as those of the church at large. He identifies with many of the hurts churchgoing Christians have experienced. In *Loving God When You Don't Love the Church*, he hopes to provide healing to wounded and disillusioned believers and restore the wonder of a genuine relationship with Jesus and his bride, the church. Jackson's humility, compassion, and practical advice for healing and restoration will touch those who have left the church and those who love them.

Woodcutter's Grim Series: Volume 1 Karen Wiesner 2015-06-22 For the ten generations since the evil first came to Woodcutter's Grim, the Guardians have sworn an oath to protect the town from the childhood horrors that lurk in the black woods. Including: Papa (Book 1) {romantic horror} A wickedly horrifying rendering of the classic children's story "Hansel and Gretel", in which modern revenge is served up sweet... Less than a year after Randall Park left his family for elementary school teacher, Amy, the unthinkable happens--his ex-wife and two children are killed in a car accident. Ever since the accident, Amy has had terrible nightmares in which Rand's son and daughter return to exact revenge on their father and Amy herself (the wicked step-mother) for abandoning them. When Rand convinces her to come away with him for a healing respite to an isolated cabin in the woods, Amy's guilt-filled nightmares turn into pure horror. Blood of Amethyst (Book 2) {romantic horror} A blood-curdling answer as to why the childhood-nightmare creature Rumpelstiltskin so wanted a child of his own... Amethyst Phillip's father--her only family--disappears in Woodcutter's Grim's evil woods. Town Sheriff and Guardian Gabe Reece sends out a search party and eventually they find the body, completely drained of blood. A devastated Amethyst refuses to do anything but carry on all by herself in the isolated area she grew up. But something strange is happening, and Gabe realizes it every time he drops by to check on the woman who's held his heart for long years. She's grown pale, cold. She's sleeping all the time, waking only in the night, when her taste for blood overwhelms her. Then Gabe becomes aware that something in the woods is calling to her, something that's stealing her life... Gabe will face his deadliest foe yet when the woman he loves falls prey to a nameless creature who wants her very soul. Dancing to the Grave (Book 3) {romantic horror} Loosely based on "The Pied Piper of Hamelin". The Amethyst Tower (The Final Chapter) {romantic time-

travel horror} Loosely based on "Rapunzel". The isolated maiden meets her knight in a time-traveler who's come into the future to rescue her from the Warlock Lord holding her captive in the amethyst tower. Where else but in the fairy-tale-horror town of Woodcutter's Grim?
