The Methuen Drama Book of Plays by Black British Writers -

Mustapha Matura 2013-10-16

The Methuen Drama Book of Plays by Black British Writers provides an

essential anthology of six of the key plays that have shaped the trajectory of British black theatre from the late-1970s to the present day. In doing so it charts the journey from specialist black theatre companies to the mainstream, including West End success, while providing a cultural and racial barometer for Britain during the last forty years. It opens with Mustapha Matura's 1979 play *Welcome Home Jacko* which in its depiction of a group of young unemployed West Indians was one of the first to explore issues of youth culture, identity and racial and cultural identification. Jackie Kay's *Chiaroscuro* examines debates about the politics of black, mixed race and lesbian identities in 1980s Britain, and from the 1990s Winsome Pinnock's *Talking in Tongues* engages with the politics of feminism to explore issues of black women's identity in Britain and Jamaica. From the first decade of the twenty-first century the three plays include Roy Williams' seminal pub-drama *Sing Yer Hearts Out for the Lads*, exploring racism and identity against the backdrop of the World Cup; Kwame Kwei-Armah's National Theatre play of 2004, *Fix Up*, about black cultural history and progress in modern Britain, and finally Bola Agbaje's terrific 2007 debut, *Gone Too Far!*, which examines questions of identity and tensions between Africans and Caribbeans living in Britain. Edited by Lynnette Goddard, this important anthology provides an essential introduction to the last forty years of British black theatre.

Stuck with You - Moni Boyce 2020-11-13

Can enemies turn into lovers over the course of a week?MaddieWhen I decided to attend my high school reunion, I knew I'd run the risk of running into Jack Carter. Mr. Big Time Country Music Star. The same guy that broke my heart in high school. What I didn't expect was that the resort would mess up our reservations, and we'd end up roommates. Now I'm stuck sharing a cabin with him for the next week, and I don't know whether I want to kill him or kiss him. JackWhat are the odds I would end up sharing a cabin with my ex-high school sweetheart, Maddie Grace? The woman was a sweet tomboy back then, now she's a knockout, uptight lawyer, who loves to argue. Even though we fight like cats and dogs, I'm feeling that familiar old spark and the more time I spend with her, the more I'm beginning to think letting her go was my biggest mistake. Thanks to a little mix-up at the resort, I've now got a week to prove to her that we belong together and you can bet I'm going to give it my best shot. Escape to the romantic paradise of Holiday Springs and warm up with your next happily ever after.
