[Answered Prayers](#) - Truman Capote 2024-01-02

Truman Capote's unfinished final novel is an unsparing tell-all of New York high society that sent a seismic shock through the public and Capote's own social circle. "Prose that makes the heart sing and the narrative fly."—The New York Times Book Review Catapulted from a childhood spent in a Missouri orphanage to the dizzying peaks of New York high society, the destitute and debauched writer P. B. Jones spends his days moving between the paltry cell of a Manhattan Y.M.C.A. and the opulent playgrounds of the metropolitan elite. Though Jones struggles to make ends meet, his effortless associations with the moneyed and powerful thrust him into sumptuous business offices, bohemian bars inhabited by the likes of Jean-Paul Sartre and Simone de Beauvoir, and the trendiest restaurants, where the tables are arranged by the social status of their occupants. Jones's days and nights are a riptide of dysfunctional dinner parties and hobnobbing with drunken heiresses, accompanied by a carousel of legendary female characters who populated Capote's own life, among them Colette, Jackie Kennedy, and the Duchess of Windsor. Indeed, Answered Prayers teems with the real-life secrets and confessions of Capote's most trusted friends, and these pages, when first published as a magazine serial, astounded readers but betrayed his confidantes, banishing him from the exclusive circle that was once his. Unrestrained and irreverent, Answered Prayers renders a carnival of wealth and influence so unthinkable that it satirizes itself—with the inimitable wit of one of the twentieth century's most celebrated writers.

Beautiful Bombshell - Christina Lauren 2013-09-03

In this new novella, the gentlemen from Beautiful Bastard, Beautiful Stranger, and Beautiful Player are out for a wild night on The Strip. A beautiful bastard of a groom-to-be. A bachelor-party-crashing bride. And one unforgettable night on the Vegas strip. When Bennett's friends steal him away from Chloe for a weekend of shenanigans and strippers in Vegas, their first stop doesn't exactly go as planned. Their scheme for a guys' weekend completely derailed, Bennett and Max take every chance they get to rendezvous secretly with the women they love. But when the persistently single Will Sumner catches on, the pair realizes they need to team up with him instead of butting heads if they're to escape for more sexy Vegas hookups. Beautiful Bastard's Chloe Mills and Bennett Ryan are back for one last blazing prewedding hurrah- but if what happens in Vegas stays in Vegas, they might not ever want to leave!

Gravity's Rainbow - Thomas Pynchon 2012-06-13

Winner of the 1974 National Book Award "A screaming comes across the sky. . ." A few months after the Germans' secret V-2 rocket bombs begin falling on London, British Intelligence discovers that a map of the city pinpointing the sexual conquests of one Lieutenant Tyrone Slothrop, U.S. Army, corresponds identically to a map showing the V-2 impact sites. The implications of this discovery will launch Slothrop on an amazing journey across war-torn Europe, fleeing an international cabal of military-industrial superpowers, in search of the mysterious Rocket 00000, through a wildly comic extravaganza that has been hailed in The New Republic as "the most profound and accomplished American novel since the end of World War II."

Baby Bomb - Kara Hoppe 2021-07-01

Before you succeed at parenting, you need to succeed as a couple! Baby Bomb is the resource you need when a new baby turns your life—and your romantic relationship—upside down. A baby is a blessing—and also a completely life-altering event. If you're like many new parents, nothing could have fully prepared you for the exhaustion of late-night feedings, the explosive diapers, the evaporation of your free time, the pure joy, and the moments of pure terror. In the midst of these hazy, early months, it's normal to feel

overwhelmed. And when you're overwhelmed, it's easy to put your romantic relationship on the back burner. But, more and more, research shows that in order to be the best parents you can be, you and your partner need to make sure that your needs—as a couple—are also met. Written by a psychologist and relationship expert, Baby Bomb offers powerful tools based in psychology and neurobiology to help you and your partner co-parent and co-partner as a solid and supportive team—while also cultivating mad love for each other! You'll find more than just "tips" for better parenting and partnering; you'll discover how a secure-functioning relationship is essential for raising happy, healthy kids. This isn't a book with advice about how to have a romantic candlelit dinner while your baby is screaming in the other room. It's a road map for getting on the same page about your expectations as parents, about your needs as humans, and about how to maintain a strong and lasting relationship in the face of, well, a baby bomb.

Beautiful Stranger - Christina Lauren 2013-04-16

The all-new scorching sequel to Beautiful Bastard! Escaping a cheating ex, finance whiz Sara Dillon's moved to New York City and is looking for excitement and passion without a lot of strings attached. So meeting the irresistible, sexy Brit at a dance club should have meant nothing more than a night's fun. But the manner—and speed—with which he melts her inhibitions turns him from a one-time hookup and into her Beautiful Stranger. The whole city knows that Max Stella loves women, not that he's ever found one he particularly wants to keep around. Despite pulling in plenty with his Wall Street bad boy charm, it's not until Sara—and the wild photos she lets him take of her—that he starts wondering if there's someone for him outside of the bedroom. Hooking up in places where anybody could catch them, the only thing scarier for Sara than getting caught in public is having Max get too close in private.

Beautiful Losers - Leonard Cohen 2009-08-06

One of the best-known experimental novels of the 1960s, this uninhibited tale centres on the hapless members of a love triangle, and their sexual obsession and shared fascination with a mythic saint.

The Quiet American - Graham Greene 2018-03-13

A "masterful . . . brilliantly constructed novel" of love and chaos in 1950s Vietnam (Zadie Smith, The Guardian). It's 1955 and British journalist Thomas Fowler has been in Vietnam for two years covering the insurgency against French colonial rule. But it's not just a political tangle that's kept him tethered to the country. There's also his lover, Phuong, a young Vietnamese woman who clings to Fowler for protection. Then comes Alden Pyle, an idealistic American working in service of the CIA. Devotedly, disastrously patriotic, he believes neither communism nor colonialism is what's best for Southeast Asia, but rather a "Third Force": American democracy by any means necessary. His ideas of conquest include Phuong, to whom he promises a sweet life in the states. But as Pyle's blind moral conviction wreaks havoc upon innocent lives, it's ultimately his romantic compulsions that will play a role in his own undoing. Although criticized upon publication as anti-American, Graham Greene's "complex but compelling story of intrigue and counter-intrigue" would, in a few short years, prove prescient in its own condemnation of American interventionism (The New York Times).

The Independent Woman - Simone De Beauvoir 2018-11-06

"Like man, woman is a human being." When The Second Sex was first published in Paris in 1949—groundbreaking, risqué, brilliantly written and strikingly modern—it provoked both outrage and inspiration. The Independent Woman contains three key chapters of Beauvoir's masterwork, which illuminate the feminine condition and identify practical social reforms for gender equality. It captures the essence of the spirited manifesto that switched on light bulbs in the heads of a generation of women and continues to exert profound influence on feminists today.
