Falling For A Cowboy: 3 Book Western Romance Boxset - Kristi Rose 2022-02-18

From USA Today Bestselling author comes a cowboy romance boxset. Includes books 1-3 in the series about finding love, finding home, and finding happiness in the most unusual of circumstances. For fans of Carolyn Brown and Linda Lael Miller. Fall In love with a cowboy. Saddle up, friends. This box set is three feel good cowboy romances that will make you laugh, leave you breathless, and possibly get you to tear up. ****The Cowboy Takes A Bride**** To keep his ranch he'll need a wife. To escape her father she'll need a protector. Love will only complicate their marriage of convenience. She's on the run... A tyrannical father. A life she hates and doesn't control. Freedom for socialite Meredith Hanover is not a luxury she has. When given an opportunity to become a modern-day mail-order bride to a rancher in rural Wyoming, she realizes this might be her only opportunity at a fresh start. He's determined to stay... Jace Shepard's dying father gave him two options: get married and take over the ranch or be cut out of the will. But life on the ranch is hard and isolating, something the previous women of his life couldn't hack. With no other solution, he strikes a deal with a professional matchmaker for a temporary bride. The plan is foolproof. A bargain struck. Everyone wins in this ruse of fake love. Yet, if they're both pretending why does it feel so real? ****The Cowboy's Make Believe Bride**** Searching for a new future... Fortune "Fort" Besingame left ranch life years ago, joining the Navy to escape the shame of his father's gambling addiction and the enormity of his losing the ranch on a bet. Now Fort has returned to Wyoming, to his mother's ranch in hopes to start a new life. A former Military Police, he wants to run for Sheriff... but convincing the townsfolk Fort intends to put down roots in the small community is going to take more than words. He needs a bride. Running from the

past... Cori Walters realizes she will never become the photographer she dreams of being in the town where her father's - former mayor turned cattle rustler - legacy taints everything she attempts to accomplish. When her friend offers her a temporary job posing as a fiancé, Cori decides going to Wyoming might be just the new start she needs. Until she realizes her pretend groom-to-be is someone she knows from high school... And hates her. Somehow Fort and Cori have to put aside their family differences long enough to get Fort elected. If they don't kill each other - or fall in love. ****The Cowboy's Run Away Bride**** She's not meant to be a bride... At least not to the man her parents picked out. Ellie Greene wants a quiet life with Grams on the Wyoming farm, and quiet could happen if someone would stop sabotaging them. Each week something more dangerous happens and Ellie doesn't know how much more she can stand. Forced to seek help, Ellie would prefer anyone else other than the tall, dark, sexy-as-sin cowboy with the knight-in-shining-armor complex she gets stuck with. While the chemistry between them flares brighter than fireworks, Ellie knows they want different things from life. And soon he'll be moving on. He's not meant to be a civilian... Shane Hannigan doesn't know how to be anything but a Marine sniper. Honestly, he's not sure he's good at anything else. Since the IED explosion took his leg—and most likely his career—he's not sure where he belongs. As a man whose job is to protect others, coming across the blonde-curly haired beauty with a flat tire is a nice distraction, that is until he finds out the flat was no accident. Someone is out to get Ellie, and even though she's the most stubbornly competent woman he's ever met—and damn if that's not a sexy trait—he knows she's in danger and he's going to help her, despite her obstinate objections. Can they work together to find who is determined to destroy Ellie before it's too late? Or will Ellie

Falling for Her (Seasons in a Small Town Book 3) - Patricia McLinn 2014-03-09

□ He see what she hides . . . even from herself. □ Seasons in a Small Town -- Autumn Meet Josh Kincannon, high school principal, single father of three, and thus, as he reminds himself ruefully, essentially celibate back into misty memory and forward into the foreseeable future. After three months of trying to work with Vanessa Irish via phone and e-mails on a project to help tiny Drago, Illinois, Josh believes he has an accurate picture of Zeke-Tech's CFO: Conscientious? Oh, yeah. Intelligent? Absolutely. Agreeable? Not so much. Even his upbeat approach is challenged by their grumpy-sunshine opposites. But there's no way to avoid a heavy dose of forced proximity if he wants the best for Drago. Then he catches sight of her wild, vibrant robe and begins to wonder ... Every time Vanessa goes into her I'm-so-boring-I-disappear-against-white-walls act, he remembers that vibrant, wild fabric hanging on the corner of a door and he gets curious. And the more curious he becomes, the more he discovers about her that has him feeling things a whole lot hotter than curiosity. Things that threaten that celibacy claim, scrape against his high school principal job, and shake up life with his three kids. Numbers, that's where Vanessa is comfortable. Not all this interaction with people that she's been pitched into. Especially interacting with Josh Kincannon. Why does he insist on drawing her into his town, his life, his family? And the biggest question — what kind of man is this, who not only looks at her, but SEES

Senator and former attorney Ella Blair spends much of her time in the limelight as the second-youngest senator in the country. But she has a secret--one that cost Gage his career. More than anything, she wants to atone for her betrayal of him in the courtroom and find a way to help him put his career back on track. When Ella's brother goes missing on one of Glacier National Park's most dangerous peaks, Gage and his team are called in for the rescue. But Gage isn't so sure he wants to help the woman who destroyed his life. More, when she insists on joining the search, he'll have to keep her safe while finding her reckless brother, a recipe for disaster when a snowstorm hits the mountain. But old sparks relight as they search for the missing snowboarder--and suddenly, they are faced with emotions neither can deny. But when Ella's secret is revealed, can they learn to trust each other--even when disaster happens again?

Because you loved me - Ritwik Mallik , 2011
A Kolkatan by profession and freelance North Indian, it took Ritwik Mallik a journey of nearly 1400 Km to discover the writer in him. An avid reader and debater, his first trysts with writing started at the age of four in the form of articles for the school magazine. Described as someone who is nice to his friends and even nicer to his enemies; his attraction to junk food is quite well expressed in his stories (his eyes hurt at the sight of the healthy food). A passionate slacker when it came to academics, most part of his school life had been spent in balancing studies and co-curricular activities. All he dreams of is touching the sky with his feet firmly on the ground. He is the author of the bestselling novel 'Love Happens Like That'
