Ugly Love - Colleen Hoover 2014-08-05

From Colleen Hoover, the #1 New York Times bestselling author of *It Starts with Us* and *It Ends with Us*, a heart-wrenching love story that proves attraction at first sight can be messy. When Tate Collins meets airline pilot Miles Archer, she doesn't think it's love at first sight.

They wouldn't even go so far as to consider themselves friends. The only thing Tate and Miles have in common is an undeniable mutual attraction. Once their desires are out in the open, they realize they have the perfect set-up. He doesn't want love, she doesn't have time for love, so that just leaves the sex. Their arrangement could be surprisingly seamless, as long as Tate can stick to the only two rules Miles has for her. Never ask about the past. Don't expect a future. They think they can handle it, but realize almost immediately they can't handle it at all. Hearts get infiltrated. Promises get broken. Rules get shattered. Love gets ugly.

careful bubble she's constructed begins to dissolve. Told in alternating timelines between Then and Now, teenage Elliot and Macy grow from friends to much more - spending weekends and lazy summers together reading books and talking through their growing pains and triumphs. As adults, they have become strangers to one another until their chance reunion.

Although their memories are obscured by the agony of what happened that night so many years ago, Elliot will come to understand the truth behind Macy's decade-long silence, and will have to overcome the past and himself to revive her faith in the possibility of an all-consuming love. Endless Love - Scott Spencer 2010-11-23

All About Love - bell hooks 2018-01-30

A New York Times bestseller and enduring classic, All About Love is the acclaimed first volume in feminist icon bell hooks' "Love Song to

the Nation" trilogy. All About Love reveals what causes a polarized society, and how to heal the divisions that cause suffering. Here is the truth about love, and inspiration to help us instill caring, compassion, and strength in our homes, schools, and workplaces. "The word 'love' is most often defined as a noun, yet we would all love better if we used it as a verb," writes bell hooks as she comes out fighting and on fire in All About Love. Here, at her most provocative and intensely personal, renowned scholar, cultural critic and feminist bell hooks offers a proactive new ethic for a society bereft with lovelessness--not the lack of romance, but the lack of care, compassion, and unity. People are divided, she declares, by society's failure to provide a model for learning to love. As bell hooks uses her incisive mind to explore the question "What is love?" her answers strike at both the mind and heart. Razing the cultural paradigm that the ideal love is infused with sex and desire, she provides a new path to love that is sacred,
