Sweet Addiction - J. Daniels

2014-05-02

From New York Times and USA

Today Bestselling author, J.

Daniels Wedding hookups

never amount to anything.

Those who partake in this

wicked little activity know the

rules. Get in. Get laid. Get out.

There's no expectation of a relationship. It is what it is.

Dylan Sparks knows the rules.

She's familiar with the

protocol. And she engages in

the best sex of her life with a

complete stranger at her ex-

boyfriend's wedding. Reese

Carroll doesn't care about the

rules. He wants more than just

one night with Dylan. And

Dylan finds him too addicting

to pass up. Sweet Addiction is

the story of one woman's

struggle to keep things casual,

and one man's desire to never

let her go. **Warning: This

books is recommended for

readers over the age of 18 due

to strong language and explicit

sexual content.

Watching the English - Kate

Fox 2005-04-11

In "Watching The English"

anthropologist Kate Fox takes a

revealing look at the quirks,

habits and foibles of the

English people. She puts the

English national character

under her anthropological

microscope, and finds a

strange and fascinating

culture, governed by complex

sets of unspoken rules and byzantine codes of behaviour. The rules of weather-speak. The ironic-gnome rule. The reflex apology rule. The paranoid-pantomime rule. Class indicators and class anxiety tests. The money-talk taboo and many more ...Through a mixture of anthropological analysis and her own unorthodox experiments (using herself as a reluctant guinea-pig), Kate Fox discovers what these unwritten behaviour codes tell us about Englishness.

Ulysses - James Joyce

2022-10-19

Loosely based on the *Odyssey*, this landmark of modern literature follows ordinary Dubliners in 1904. Capturing a single day in the life of Dubliner Leopold Bloom, his friends Buck Mulligan and

Stephen Dedalus, his wife Molly, and a scintillating cast of supporting characters, Joyce pushes Celtic lyricism and vulgarity to splendid extremes. Captivating experimental techniques range from interior monologues to exuberant wordplay and earthy humor. A major achievement in 20th century literature.

City of Thieves - David Benioff
2009-10-15

From the writer of the award-winning *Game of Thrones* series for HBO based on the books of George R. R. Martin. 'David Benioff is an exceptional storyteller . . . CITY OF THIEVES is tender, illuminating, and, be warned, often shocking.' Khaled Hosseini Four months into the siege of Leningrad, the city is starving. Seventeen-year-old Lev fears for his life when he is arrested for looting the body of a dead German paratrooper, while his charismatic cellmate, Kolya, a handsome young soldier arrested for desertion, seems bizarrely unafraid. Dawn brings, instead of an execution squad, an impossible challenge.

Lev and Kolya can find a dozen eggs for an NKVD colonel to use for his daughter's wedding cake, and live. Or fail, and die. In the depths of the coldest winter in history, through a city cut off from all supplies and suffering appalling deprivation, man and boy embark on an absurd hunt. Their search will take them through desolate, lawless Leningrad and the devastated countryside surrounding it, in the captivating journey of two men trying to survive against desperate odds.

Down Under - Donna Alam
2019

"Dear birthday gods, I'd like my very own Australian experience, if you know what I mean. One with a panty-melting accent and a very wicked grin. The icing on my birthday cake would be if he takes a trip down under tonight . . . My birthday was four-hundred bucks well spent. Get your mind out of the gutter—that was for the hotel. But one week on, and I'm no longer having fun in the sun. Because it turns out my new employer is him. My inked

birthday blond. Oh, he's still hot, but now he's growly and grouchy, And there's no escape because I'm living with him. Nanny to his young twins. We disagree on so much. And when he looks at me, I'm not sure if he means to kill me. Or kiss me." --

Year by NPR and Marie Claire Emily is having the time of her life—she’s in the mountains of Chile with her best friend, Kristen, on their annual reunion trip, and the women are feeling closer than ever. But on the last night of the trip, Emily enters their hotel suite to find blood and broken glass on the floor. Kristen says the cute backpacker she brought back to their room attacked her, and she had no choice but to kill him in self-defense. Even more shocking: The scene is horrifyingly similar to last year’s trip, when another backpacker wound up dead. Emily can’t believe it’s happened again—can lightning really strike twice? Back home in Wisconsin, Emily struggles to bury her trauma, diving headfirst into a new relationship and throwing herself into work. But when Kristen shows up for a surprise visit, Emily is forced to confront their violent past. The more Kristen tries to keep Emily close, the more Emily questions her motives. As Emily feels the walls closing in

on their cover-ups, she must reckon with the truth about her closest friend. Can Emily outrun the secrets she shares with Kristen, or will they destroy her relationship, her freedom—even her life?

Seducing My Guardian -

Katee Robert 2021-03-22

On the night my parents die, I meet a sexy stranger who tells me he's my new guardian. Before I can as much as blink, he ships me off to boarding school and then ignores me for three years...until he shows up on my nineteenth birthday to save me from myself. For six years, that's his routine. Show up on my birthday. Save me. Tempt me. And then send me on my way when the chemistry between us sizzles too hot. That all ends tonight. I'm twenty-five and at midnight I gain control of my trust fund. After this, I never have to see Devan again and he'll no longer drive me wild with his devastating dominance. This year, all I want for my birthday is twenty-four hours with my guardian. After nine years of taboo desire and built-up lust, I have a lot of unfulfilled

fantasies to act out.

Women Writers and Old Age in Great Britain, 1750-1850

- Devoney Looser 2008-08-01
This groundbreaking study explores the later lives and late-life writings of more than two dozen British women authors active during the long eighteenth century. Drawing on biographical materials, literary texts, and reception histories, Devoney Looser finds that far from fading into moribund old age, female literary greats such as Anna Letitia Barbauld, Frances Burney, Maria Edgeworth, Catharine Macaulay, Hester Lynch Piozzi, and Jane Porter toiled for decades after they achieved acclaim -- despite seemingly concerted attempts by literary gatekeepers to

marginalize their later contributions. Though these remarkable women wrote and published well into old age, Looser sees in their late careers the necessity of choosing among several different paths. These included receding into the background as authors of "classics," adapting to grandmotherly standards of behavior, attempting to reshape masculinized conceptions of aged wisdom, or trying to create entirely new categories for older women writers. In assessing how these writers affected and were affected by the culture in which they lived, and in examining their varied reactions to the prospect of aging, Looser constructs careful portraits of each of her Subjects and explains why many turned toward retrospection in their later works. In illuminating the powerful and often poorly recognized legacy of the British women writers who spurred a marketplace revolution in their earlier years only to find unanticipated barriers to

acceptance in later life, Looser opens up new scholarly territory in the burgeoning field of feminist age studies.
