Is Marriage for White People? - Ralph Richard Banks 2011-09-01

A distinguished Stanford law professor examines the steep decline in marriage rates among the African American middle class, and offers a paradoxical-nearly incendiary-solution. Black women are three times as likely as white women to never marry. That sobering statistic reflects a broader reality: African Americans are the most unmarried people in our nation, and contrary to public perception the racial gap in marriage is not confined to women or the poor. Black men, particularly the most successful and affluent, are less likely to marry than their white counterparts. College educated black women are twice as likely as their white peers never to marry. Is Marriage for White People? is the first book to illuminate the many facets of the

African American marriage decline and its implications for American society. The book explains the social and economic forces that have undermined marriage for African Americans and that shape everyone's lives. It distills the best available research to trace the black marriage decline's far reaching consequences, including the disproportionate likelihood of abortion, sexually transmitted diseases, single parenthood, same sex relationships, polygamous relationships, and celibacy among black women. This book centers on the experiences not of men or of the poor but of those black women who have surged ahead, even as black men have fallen behind. There is a story that has not been told. Empirical evidence documents its social significance, but its meaning emerges through stories drawn from the lives of women across the nation. Is

Marriage for White People? frames the stark predicament that millions of black women now face: marry down or marry out. At the core of the inquiry is a paradox substantiated by evidence and experience alike: If more black women married white men, then more black men and women would marry each other. This book not only sits at the intersection of two large and well-established markets—race and marriage—it responds to yearnings that are widespread and deep in American society. The African American marriage decline is a secret in plain view about which people want to know more, intertwining as it does two of the most vexing issues in contemporary society. The fact that the most prominent family in our nation is now an African American couple only intensifies the interest, and the market. A book that entertains as it informs, *Is Marriage for White People?* will be the definitive guide to one of the most monumental social developments of the past half century.

[Black Women in Interracial Relationships with White Men: A Thematic Analysis](#) - Audrey Tesi 2021

Black Women in Interracial Relationships - Kellina Craig-Henderson 2017-07-28

According to the most recent U.S. census, twice as many black men are involved in interracial relationships as black women. Do black women consciously resist such involvement? What motivates the relatively few women who are in these types of relationships? And how do they navigate the unfamiliar terrain in intimacy? One of the most popular explanations for black women's involvement in interracial intimacy is the unavailability of eligible black men. This explanation focuses on the dismal statistics popularly discussed in reports that forecast lonely futures for African American females. Craig-Henderson explores another, more provocative explanation. She argues that some black women may disassociate from larger social stereotypes by consciously and strategically making choices that distance them from what is considered characteristic of the "typical" African American woman. Scant serious attention has focused upon intimate interracial relationships, perhaps because of a general reluctance to deal with two extremely provocative issues: race and sex. As rates of interracial relationships continue to increase, discussions about interracial intimacy are relevant and timely. Craig-Henderson considers the continuing taboo of interracial relationships involving African Americans, the way this taboo is changing, and the way that contemporary race relations perpetuate longstanding stereotypes about race and sex. The book includes in-depth, unstructured interviews with a wide range of black women currently involved in interracial intimate relationships. Each individual discusses their relationships with family members, beliefs about the influence of race in America, unique problems associated with interracial intimacy, as well as sexual attraction, racial identity, and children. Of particular interest to specialists in race, gender, family, and sexual issues, this work is also accessible and appealing to general readers.

Race Mixing - Renee Christine Romano 2009-06-30

Marriage between blacks and whites is a longstanding and deeply ingrained taboo in American culture. On the eve of World War II, mixed-race marriage was illegal in most states. Yet, sixty years later, black-white marriage is no longer illegal or a divisive political issue, and the number of such couples and their mixed-race children has risen dramatically. Renee Romano explains how and why such marriages have gained acceptance, and what this tells us about race relations in contemporary America. The history of interracial marriage helps us understand the extent to which America has overcome its racist past, and how much further we must go to achieve meaningful racial equality.

[Black Men in Interracial Relationships](#) - Kellina Craig-Henderson 2017-07-28

Why is it that successful black men—black men who are "at the top of their game" in the arts, entertainment, politics and athletics—are four times as apt to be married to or dating a woman who is not an African American than they were only thirty years ago? And why are twice as many black men involved in interracial relationships as black women? In addition to their celebrity status, which includes widespread popularity and wealth, black men from Charles Barkley to James Earl Jones to Russell Simmons to Bryant Gumbel share something else in common; something that also characterizes the experiences of more than 250,000 less well-known black men in the United States. They happen to be involved in interracial intimate relationships. Less than fifty years ago such relationships were next to impossible, leading to severe social sanctions. The fact that this is no longer the case is concrete evidence of changes in the quality and character of contemporary race relations. Drawing on her own observations, and her examination of the

responses of a small, diverse group of black men who date (in some cases exclusively), have sexual relations with, and marry women who are not of African descent, the book provides insight into the continuing ways that race and ethnic status affect the choices people make in their lives. Until this book, though, these types of relationships have received scant serious attention. Craig-Henderson forthrightly addresses the taboo, interspersing analysis with verbatim accounts from black men involved in such relationships. Grounded in serious research, interviews, and analysis of census data, *Black Men in Interracial Relationships* examines why such relationships appear to be so popular among black male elites. In the process, the author unravels the mystery behind the apparent absence of black women in black men's lives. It will be of interest to specialists in race, gender, family, and sexual issues, and appropriate for courses in these areas. It is also highly readable and thought-provoking for the general public, who will find its observations and findings fascinating.

Don't Bring Home a White Boy - Karyn Langhorne Folan 2010-02-02

Folan encourages readers to look beyond common generalizations and stereotypes about race and gender in interracial relationships. In *Don't Bring Home a White Boy*, writer Karyn Langhorne Folan debunks the myths and common preconceptions about interracial relationships: Is a black woman who dates white men a traitor to her race? And is America's history of black oppression a factor? Drawing on real-life testimonials, she boldly tackles this difficult subject with warmth, humor, and understanding, as she explores stereotypes of black female sexuality and white male perspectives on black female beauty. Folan goes beyond statistics and offers firsthand insights on her own interracial relationship and attempts to tap into a woman's desire to have all that they deserve instead of restricting themselves, simply because they want a "good black man." Frank, authoritative, and universally relevant, her message to women is to look beyond skin color, accept themselves for who they are, and seek a man who truly loves them, regardless of race.

[How to Date and Marry the Right Black Woman](#) - Jeff Brandon 2019-02-19

Hi, I'm Jeff Brandon. I'm going to take you on a fun journey through my interracial dating experiences with black women. If you're a white man thinking of dating a black woman for the first time, you shouldn't jump into it without getting valuable insight on the subject first. This book will give you that insight! I'll teach you how to navigate your way through the wrong ones and get you on the fastest track to the right one for a successful interracial relationship. After reading, you'll know which black women to pursue, which ones to avoid, and which one to marry!

Reciprocity: Black Women Interracial and Intercultural Marriage- Book 3 - Eve Sharon Moore 2009-11

Penetrating essays and riveting comments from the 2007 Associated Press highlighted website: [BlackFemaleInterracialMarriage.com](#) as black women, white men, and others discuss the factors in the current social environment that are causing the surge in interracial and intercultural dating and marriages between African American women and men of other races and cultures. Internet personality, Eve Sharon "Evia" Moore urges African American women to make marriage to a "quality" man of whatever skin shade and cultural background a high priority, especially if there are to be children. Check out why more than 1 million readers have viewed over 2,500,000 pages of Evia's motivational and commonsense writings, thousands of comments from readers, and hundreds of photos of interracial and intercultural married black women and their mates. Find out why readers flock to Evia's site often and return eagerly to see and read more.

The White Man's Guide to Dating Black Women - Adam White 2007-11

If you're a White man interested in dating Black women, this book shows you how to make it happen. Learn how Black women think, what they like and don't like to see in White men, and where and how to go about meeting them. Find out how to cope with public reaction to interracial couples, learn how to counteract the psychological inhibitions that can hold you back from getting involved and understand why those who oppose interracial relationships feel compelled to think and act the way they do. Find out what works and get involved.

[Love Under the Skin](#) - Cécile Coquet-Mokoko 2020-04-15

The rising visibility of interracial couples calls for increased attention to the overlapping of culture and

race, in safe spaces centered on small-group dynamics, or in public spaces where peoples of African descent are under the public gaze. This comparative study seeks to de-center the U.S-centered viewpoint common to much of the literature on black/white relations. Based on nine years of fieldwork in the American South and in France, Coquet shows many unexpected parallels between the two societies. Gendered perceptions of cultural authenticity and sexual ethics are a guiding thread, being inseparable from the historical and political contingencies (re-)defining acceptable forms of dating, marrying, and parenting among cis-heterosexual couples in both societies. Her account emphasizes resilience and agency as couples seek to protect themselves and their children, while their extended or symbolic kinship networks help white partners acknowledge the existence of racial privilege.

[The Interracial Dating Book for Black Women Who Want to Date White Men](#) - Adam White 1999

Choices - Eve Sharon Moore 2009-07-01

Penetrating essays and riveting comments from the 2007 Associated Press highlighted website: BlackFemaleInterracialMarriage.com as black women, white men, and others discuss the factors in the current social environment that are causing the surge in interracial and intercultural dating and marriages between African American women and men of other races and cultures. Internet personality, Eve Sharon "Evia" Moore urges African American women to make marriage to a "quality" man of whatever skin shade and cultural background a high priority, especially if there are to be children. Just Don't Marry One - George A. Yancey 2002

This groundbreaking work weaves together the personal and professional perspectives of racially diverse Christian leaders as they confront this emotionally charged issue. This pioneering multidisciplinary Christian handbook serves a twofold purpose: (1) to affirm healthy interracial dating, mating, and parenting for family members, and (2) to create a reference textbook to equip professionals with biblical insights and practical tools for ministering to multiracial families.

The White Man's Guide to Dating Black Women, Second Edition - Adam White 2011-07-07

If you're a White man interested in dating Black women, this book shows you how to make it happen. Learn about how Black women think, what they like and don't like to see in White men, and where and how to go about initiating relationships with Black women. Find out how to cope with public reaction to interracial couples, and learn how to counteract the psychological inhibitions that can hold you back from getting involved. Learn about the true nature of the opposition to interracial relationships and get started meeting and dating Black women. Find out what works and get involved. This second edition includes the complete text of the first edition together with a new chapter about racism on the street. Table Of Contents Chapter One Your Taste For Black Women Chapter Two Individuality And Interracial Relationships Chapter Three Coping With Public Reaction Chapter Four Understanding The Opposition To Interracial Relationships, Part I Chapter Five Understanding The Opposition To Interracial Relationships, Part II Chapter Six Understanding The Opposition To Interracial Relationships, Part III Chapter Seven Racism On The Street Chapter Eight Getting Ready To Meet Black Women Chapter Nine Meeting And Dating Black Women *How to Be Irresistible to White Men* - Lisa Marble 2013-12-01

Are you a black woman attracted to White men, but despite how much they may stare from afar or act friendly, you never get asked out on a date? Or perhaps you struggle with meeting White men in the first place? Chances are, you are one of the many Black Women who inadvertently give White men the red light. I used to face the same conundrum, until one day it hit me. It wasn't that White men didn't date outside of their race, after all a large percentage of White men interracially date and marry Asian women. In fact, my very own roommate (an Asian woman) was one of those girls who consistently had droves of White men lined up to date her. It was from observing my roommate and learning the secrets she used to attract White men that I was able to have a date every weekend with different White guys. And you can too. You see, the secrets Asian women know that cause them to win at swirling can be applied to Black women and work just

as well. It will take some work on your part, but if you know who and what you want and are fed up of not getting it, it will all be well worth the effort. In this book, you'll learn: * How to Attract the Men you Actually Want * What you're NOT doing right now to stop guys in their tracks from asking you out * Why you need to do your homework if you want to attract the right kind of men * How to make yourself instantly more approachable * Where to find the men you want to date * And Much More!

Interracial Marriages Between Black Women and White Men - Cheryl Yvette Judice 2008

Interracial marriages between African Americans and Caucasian Americans in the United States are the least common of all interracial marriages, with marriages between black women and white men being the less frequent of the two combinations. Since the 1990s, however, increasing numbers of black women have been marrying white men. This book examines the dynamics of race, social class and marriage in contemporary American society specifically with respect to marriages between African Americans and Caucasian Americans, comparing and contrasting the experiences of couples in both intermarriage patterns. Despite being the focus of extensive sociological and psychological research during the latter half of the twentieth century, most research on black-white intermarriage focused on African American men who married white women. Sociological research focused on the deviant nature of these marriages while psychological research focused on various pathologies attributed to couples who crossed the color line to marry. Little research was directed towards marriages between African American women and white men with even less attention given to delineating differences in the two black-white marital pairings. As marriages between African American women and white men have become more common, it is important to understand why this trend has emerged and how this marriage type differs from the more prevalent African American man, white woman marriage combination. This book is one of the first published on interracial marriages which focuses specifically on marriages between African American women and Caucasian American men in contemporary America. The author examines the historical, social, and legal contexts from which these marriages emerged while demonstrating how the race and sex of each partner is important to understanding how the marriage is socially experienced. *Interracial Marriages Between Black women and White Men* is an important book for collections in African American studies, sociology, and racial studies.

Black and White Mixed Marriages - Ernest Porterfield 1978

[Interracial Marriages Between Black Women and White Men](#) - Cheryl Judice 2014-05-14

Interracial marriages between African Americans and Caucasian Americans in the United States are the least common of all interracial marriages, with marriages between black women and white men being the less frequent of the two combinations. Since the 1990s, however, increasing numbers of black women have been marrying white men. This book examines the dynamics of race, social class and marriage in contemporary American society specifically with respect to marriages between African Americans and Caucasian Americans, comparing and contrasting the experiences of couples in both intermarriage patterns. Despite being the focus of extensive sociological and psychological research during the latter half of the twentieth century, most research on black-white intermarriage focused on African American men who married white women. Sociological research focused on the deviant nature of these marriages while psychological research focused on various pathologies attributed to couples who crossed the color line to marry. Little research was directed towards marriages between African American women and white men with even less attention given to delineating differences in the two black-white marital pairings. As marriages between African American women and white men have become more common, it is important to understand why this trend has emerged and how this marriage type differs from the more prevalent African American man, white woman marriage combination.
