Play so hard you leave a  
mark... Zoe Carr is  
screwed—not literally, she's  
still a virgin—but the university  
messed up her residence  
application and now she's  
basically homeless. When her  
brother finds out, his  
roommates offer her a spot in  
their house, rent-free, if she's  
willing to keep the house clean.  
What turns out to be a hot  
mess is made sweeter when

one of the guys offers to give  
up his room so she's got her  
own bedroom. It's her brother,  
so easy-peasy, right? Plus,  
living with a couple of hot,  
athletic- guys might help break  
her out of her shell. It's got to  
be win-win. All is good until the  
guys go away for a tournament,  
and she decides that having the  
house to herself and doing a  
little self-care won't do any  
harm. That is, until her  
brother's best friend walks in.  
Turns out a captain can get  
sent home as punishment. Now  
Zoe, nearly naked in the living  
room with candles burning,  
might be the hottest thing Ian  
Harper's ever seen. And his  
offer to help Zoe with the self-  
care might be the one thing  
she can't say no to. Keeping it  
from her brother... that's a

Two very different people. One scandalous proposition. Endless possibilities... \*\*\* My eyes burn. Really badly. They've been burning since yesterday morning, ever since my eyes landed on what was inside that damn folder. And they continued to burn through today's morning practice and all my classes. And they're still burning now, probably even more than they were before as I stomp through the main hallway of the surgical center. "Excuse me, Miss, you can't go through there," I hear a female voice call after me, but I don't stop. "Miss, office hours are over. You cannot go in there!" she repeats. Her words still don't stop me. I can't stop. Not when I'm cranky and pissed off and the very cause of my crankiness and anger is right here in this building. I hear her shuffle behind me, presumably to chase after me. But I still keep going. I didn't sleep last night. I couldn't. At all. Not even for a little bit. And now my feet won't stop moving. My fingers won't stop twitching. And my fucking eyes won't stop

Will this couple ever get to spend some quality time alone or are they doomed to continue their reign as the couple who will always be there for everyone else - no matter what they have planned? Rebirth 2 (Jordan&Damon) These two both have a second chance at love, but will they take it? Jordan: I'm so sick of struggling. It's been that way ever since my husband passed away, leaving me to raise our son. I know that I can't go through that kind of heartbreak again so I'm resigned to being

alone. Then I meet Damon Adams and he has hope and interest burning inside of me. I'm determined to keep him at arm's length though. Except he seems to have other plans...

Damon: After my Break up, I swore off women. Well, with the exception of my daughter. She's been my only focus for so long that now I'm starting to wonder if maybe I've been too harsh. Maybe it's time that I tried to find love again. Too bad for me, my ex doesn't seem ready for that to happen...

When Damon meets Jordan, sparks fly but will their relationship be able to withstand drama from his ex and the blending of both of their families? Reveal Angela and Brent Book 3 Could an accidental pregnancy be the best thing to ever happen to them? Brent: Going to that party was supposed to be fun. I'd catch up with old friends and reminisce a bit. Instead, I get the surprise of my life. Angela, my ex-girlfriend, is pregnant. And the baby is mine. Angela: I've always loved Brent. He was my college

sweetheart, my on and off boyfriend for years after that, and finally my hook up one Valentine's Day. He's also the one who knocked me up. Now I need to prove to him that I've changed and that I'm ready to settle down. Brent wanted to marry Angela once, but will he be able to trust her after everything that's happened? Heart of stone 3.5 Jessica and Joseph Jessica is moving on from love. Hearing her man say she's boring in bed, and he's leaving her, is the last thing she wanted to hear. Newly single and ready to mingle is her motto. She just doesn't expect to fall for the person she hates more than anything. Her boss. Two different people who aren't looking for love find it in an unlikely place. Renew Jessica and Joseph Book 4 I thought that I loved the single life... until I met him. Joseph: Leave it to me to choose to fall in love with a girl that has commitment issues. Jessica is perfect for me though. I'm ready to settle down and claim my happily ever after with her. Now I just need to convince her

that being with me and settling down is the right choice.

Jessica: I never understood romance movies. They always made being single look so bad, but I don't see it that way. Being wined and dined, having no strings attached relationships has always been perfect for me. Until I meet Joseph. One night with him and I want more. That's never happened before and now I'm left wondering if maybe I had it wrong all these years. Will Jessica be able to let down her walls and trust that her and Joseph are meant to be? Overtime - Lexy Timms  
Never let the same flame burn your twice... The mob boss we were after set a trap. No sooner had we arrived at the fire than an explosion punched through the early evening, showering the streets with burning shrapnel. My boyfriend Travis, one of Denver's best firefighters, went in alone, leaving me outside to watch and hope. The higher the flames grew, the more concerned I became. What if he didn't make it out? What if the criminal responsible added Travis's death to his growing list of homicides? I fought with my baser instincts; a raging inferno was no place for a cop. My job was afterward, sifting through the ash, looking for clues. Just when I thought all was lost, Travis reappeared, but he wasn't alone. A beautiful firefighter was with him, carrying a child they had rescued. If I didn't know any

I knew it was petty, but I couldn't extinguish the spark of jealousy their appearance ignited. When all this was over, would Travis choose me? Tales of Burning Love - Louise Erdrich 1997-03-14

In her boldest and most darkly humorous novel yet, award-winning, critically acclaimed and bestselling novelist Louise Erdrich tells the intimate and powerful stories of five Great Plains women whose lives are connected through one man. Stranded in a North Dakota blizzard, Jack Mauser's former wives huddle for warmth and pass the endless night by remembering the stories of how each came to love, marry and ultimately move beyond Jack. At times painful, at times heartbreaking and often times comic, their tales become the adhesive that holds them together in their love for Jack and in their lives as women. Erdrich, with her characteristic powers of observation and luminescent prose, brings these women's unforgettable stories to life with astonishing candor and warmth. Filled with keen perceptions about the
