Marriages Made in Heaven Dan Evangelist Jones Iii 2008-11 "Marriage made in heaven is more about what you do, than what you say, many have vowed much but vouched for little" Pastor Dan E. Jones III Today's thought of marriage is antiquated, out dated, old school, and believed not necessary or convenient. Television watching has bombarded our minds with images of cheating, broken, uncommitted, selfish, and shackled up relationships. Also in this 21st century, television programming with its images have fortify itself in the minds of our generation as strongholds, nullifying the desire for marriage as well as blinding the appreciation for what God requires in Christian and married relationships. "Marriage is the transparency of salvation and salvation of marriage; you can trace relationship troubles in one, it will speak of the identical trouble in the other" Fear not faithful, through this anointed book, God is revealing what he desires to see in married and saved relationships. The cover is blown on the enemy's tactics that cause many to despise holy matrimony and to settle for compromising, convenient, and unholy relationship with God and your spouse. Marriages that are made in heaven and like salvation has its identity and internal workings in Christ. Christ is the Author and Procurer of them both. The copyrights belong to Him, therefore his divine intent and requirements are still effective and still in effect. When you look at God's redemptive plan for relationships, marriage and salvation has identical DNA. How do we obtain the type of marriage God has ordained for us? □ Identify the Twins □ Understanding the Engagement Process □ Knowing What Love Have to Do With It?

How to Save My Marriage Eleanor Perrault 2014-11-09 If you're not ready to give up on your marriage, and want a game plan for saving it, then this book is for you! Marriage is the union of two souls. When two individuals get married, they promise to love and hold each other for better and for worse, in sickness and in health, and for the rest of their lives. According to the wedding vows that most couples make on their wedding day, after being married, only death can keep them apart. It's a big promise to each other. However, these days, the rate of divorce is so high that the institution of marriage has become less than the sacred ritual that it is. Nevertheless, there are still some folks that believe in marriage and all that it stands for. They understand that to be completely bound to another person for the rest of their lives isn't going to always be easy. It will require hard work, and that's not a surprise, because that's what real life is. If you believe that your marriage is worth saving, then let this book guide you. You'll find easy and helpful steps to help you and your partner save your marriage and make it the happy marriage that it once was and should (and can!) still be.

How to Save Your Marriage When Trust Is Broken Kate Homily 2020-04-25 Uncover the hidden secrets to long-lasting love and intimacy... You opened up your heart and gave it your all - raw, exposed, and completely vulnerable. This time it was worth it, this time it was for everything. But then the trust was broken, and now you're wondering if things will ever be the same again. I mean how could they be right, you trusted them! This is a common theme among relationships and although avoidable, it happens. To maintain unwavering and full trust in another over a lifetime of relationship requires effort and commitment. The good news is, even if the trust has been broken this same effort and commitment can restore everything and can even enhance the bonds of love and intimacy. Did you know that over 20% of couples who have experienced broken trust repair their relationship and move forward into unconditional love? A number that would be even higher if the same study hadn't shown that in 55% of such occurrences one individual immediately gave up on their significant other... Maybe your partner cheated on you with someone else? I Still Do Joshua Osenga 2014-10-09 Marriage is one of the most significant aspects of living, and is the significant commitment two people can make in love and in life. Becoming husband and wife is beautiful, and unifies two people in celebration of their relationship. However, this commitment isn't easy. It is a lot of work, and the relationship needs a lot of attention and care. Therefore, entering into marriage is a serious step to take and should be given a lot of thought. Due to the complexities of marriage, it is not unusual for couples to experience marital problems along the way. However, many couples ignore these problems thinking that these aren't severe enough to cause significant damage. This is where things can go wrong. You must remember that letting problems accumulate unsolved build up into big roadblocks in your relationship, and can eventually destroy it. So, if you find that you're in serious trouble and are afraid that your marriage is falling apart, is there anything you can do to actually turn it around? Well, in reality, there is. With a positive attitude and taking steps that we'll discuss here, you can be proactive and save your marriage with the one you love. Marriage is a wonderful life commitment that needs your constant nurturing and efforts. If you are currently down and out, and feel that your marriage is irreparable, don't lose hope. There are things you can still do; things that are effective and plausible given the right amount of motivation and hard work. Remember that at the root of your marriage is love. So, use this love to motivate you to move forward and risk yourself to save your relationship, and to become stronger and better as a couple. Fearing failure won't help you, so take that leap of faith, do what you need to do, and more often than not you will reap the rewards.
