**The Spirit of Tea Making** - Margaret Ledoux 2016-08-04

After years of travelling through Asia, Margaret Ledoux shares her experience of tea tasting. Taiwan, home to the finest quality oolong teas. Often known as 'grand cru' these teas are savoured and prized as if they were the best of wines. Margaret travelled extensively throughout Asia and has lived for extended periods in South Korea, Taiwan and the Philippines. It is in Taiwan that she discovered

the delicate oolongs and grew to appreciate both their aroma and taste while realizing an accompanying sense of greater well being. An unmissable guide for all tea lovers. EXCERPT In both Britain and France, where I grew up, tea is a classic drink taken black or with milk and sugar or infused with different herbal flavours. An unforgettable four years in Taiwan introduced me to a different approach to tea and tea drinking that I would like to share with you. The tea ceremony of Japan is well known and appreciated for its precision and beauty of setting and movements—a far cry one might think from the more down-to-earth approach of the British cup of tea or the French herbal infusion. Yet the English, too, developed tea drinking as an important practice either to start the day well, or to calm the nerves after an upsetting experience, or to enjoy socialising in a relaxed and happy environment. In France, in my experience, tea is also considered more relaxing than coffee, to be preferred whenever a

soothing beverage is more appropriate. REVIEWS “This is a treasure of a book and like... the tea tasting, is infused with grace, clarity, strength and beauty.” - Mary Chua, tea aficionado “I thoroughly enjoyed reading The Spirit of Tea Making. It made me want to board a plane for Taipei just to taste these wonderful teas that the author so obviously loves.” - Reni Singer, Publisher of Tahanan Books “Written with warmth and grace this little guide unites tea lovers across the globe in the simple enjoyment of Taiwan’s finest oolongs. A delightful read for all tea lovers.” - CD Hsu, Bao Cha Tea Boutique, Taipei, Taiwan.

The Book of Tea (1906) by Okakura Kakuzo - Okakura Kakuzo 2016-04-04

Now available in a gorgeous hardcover slipcase edition, this "object d'art" will be sure to add grace and elegance to tea shelves, coffee tables and bookshelves. A keepsake enjoyed by tea lovers for over a hundred years, The Book of Tea Classic Edition will enhance your enjoyment and understanding of the seemingly simple act of making and drinking tea. In 1906 in turn-of-the-century Boston, a small, esoteric book about tea was written with the intention of being read aloud in the famous salon of Isabella Gardner, Boston's most famous socialite. It was authored by Okakura Kakuzo, a Japanese philosopher, art expert, and curator. Little known at the time, Kakuzo would emerge as one of the great thinkers of the early 20th century, a genius who was insightful, witty-and greatly responsible for bridging Western and Eastern cultures. Okakura had been taught at a young age to speak English and was more than capable of expressing to Westerners the nuances of tea and the Japanese Tea Ceremony. In The Book of Tea Classic

Edition he discusses such topics as Zen and Taoism, but also the secular aspects of tea and Japanese life. The book emphasizes how Teism taught the Japanese many things; most importantly, simplicity. Kakuzo argues that tea-induced simplicity affected the culture, art and architecture of Japan. Nearly a century later, Kakuzo's The Book of Tea Classic Edition is still beloved the world over, making it an essential part of any tea enthusiast's collection.

Interwoven with a rich history of Japanese tea and its place in Japanese society is poignant commentary on Asian culture and our ongoing fascination with it, as well as illuminating essays on art, spirituality, poetry, and more. The Book of Tea Classic Edition is a delightful cup of enlightenment from a man far ahead of his time
