[The Intersectional Environmentalist](#) - Leah

Thomas 2022-04-07

'Essential brain food' Condé Nast Traveler 'As much a manifesto as a guide' Los Angeles Times 'Read this book and save the planet' Soho House Notes One of Business Insider's Most Anticipated Non-fiction Books of 2022 We cannot save the planet without uplifting the voices of its people - especially those most often unheard. Leah Thomas coined the term 'intersectional environmentalism' to describe the inextricable link between climate change, activism, racism and privilege. The fight for the planet should go hand in hand with the fight for civil rights. In fact, one cannot exist without the other. This book is a call to action, a guide to

instigating change for all and a pledge to work toward the empowerment of all people and the betterment of the planet - an indispensable primer for activists looking to create meaningful, inclusive and sustainable change. Driven by Leah's expert voice and complemented by the words of young activists from around the globe, it is essential reading on the issue - and the movement - that will define a generation.

[Super Sad Black Girl](#) - Diamond Sharp

2022-12-13

Diamond Sharp's Super Sad Black Girl is a love letter to her hometown of Chicago, where her speaker finds solace and community with her literary idols in the hopes of answering the question: What does it look like when Black

women are free? Lorraine Hansberry and Gwendolyn Brooks appear throughout, counseling the speaker as she navigates her own depression and exploratory questions about the “Other Side,” as do Sandra Bland, Rekia Boyd, and other Black women who have been murdered by police violence. Sharp’s poetry is self-assured, playful, and imaginative, reminiscent of Langston Hughes with its precision and brevity. The book explores purgatorial, in-between spaces that the speaker occupies, as she struggles to find a place, a time, where she can live safely and freely. With her skillful use of repetition, particularly with her series of concrete poems, lines and voices echo across the book so the reader, too, feels suspended within Sharp’s lyric moments. Super Sad Black Girl is a compassionate and ethereal depiction of mental illness from a promising and powerful poet.

Two young people meet at a pub in South East London. Both are Black British, both won scholarships to private schools where they struggled to belong, both are now artists - he a photographer, she a dancer - trying to make their mark in a city that by turns celebrates and rejects them. Tentatively, tenderly, they fall in love. But two people who seem destined to be together can still be torn apart by fear and violence. At once an achingly beautiful love story and a potent insight into race and masculinity, Open Water asks what it means to be a person in a world that sees you only as a Black body, to be vulnerable when you are only respected for strength, to find safety in love, only to lose it. With gorgeous, soulful intensity, Caleb Azumah Nelson has written the most essential British debut of recent years. 'An amazing debut novel. You should read this book. Let's hear it for Caleb

Want her to text you back and BEG you to see her again. Did you know that women have these secret filters in their mind that determine if they are going to text you back? Every time you text a woman you go through the same filters which determine if she is going to sleep with you or if you are going to get friend-zoned. Men often have no idea these filters exist but what if I showed you how to pass all of them? Picture this! You are meeting up with your friends at a

bar and you walk in with a woman that looks like a Playboy model by your side. Your friend's jaws hit the floor and they look at you with awe. I'm going to show you exactly how to make that a reality. You will NEVER desperately wait for her to text back because you will know once you open your phone you will have a text waiting for you. You're about to discover the untold secrets to making any woman OBSESS over you! I am going to show you EXACTLY how to: - Start a conversation out of thin air whether you're on tinder, Instagram or Facebook - Create intriguing conversations that will have girls replying back within seconds - Build your social media profiles to make women obsessed with you before you even text them - My bulletproof formula to ask any girl out through text and get a "Yes" - Revive conversations that are dying down - My secret technique that will make girls CHASE you! (She won't be able to stop thinking about you) And so much more. Why trust me? Don't listen to me... just look at the reviews! It's time to take action.

MATCHED - Zac Miller

————— Need Some Help
Attracting Women on Dating Apps?

————— You've come to the right place! Hi, my name is Zac Miller, and I've come up with a guide that will get you the matches, responses, and dates so you can finally find the girl of your dreams! We start at the beginning with fine tuning your profile, going over case studies on the perfect photos to employ to

increase your matches. We then go over what and when to message girls so they want to talk to you. We go over how to get their number and Snapchat, and ultimately how to get them out onto a date. I even show you what to do after the date! Everything you need is included in this book! Here's What You'll Learn In This Book:

————— • Why meeting girls on dating apps makes dating a much easier, more enjoyable experience than going to a bar or club. • Inexpensive ways to immediately improve your appearance. • The most attractive male body type females are attracted to (hint: it's not abs). • A major college study found doing this one thing in your photo makes you appear more attractive to females. • Many men make this mistake, which makes them appear uncertain and fearful in their photos. • A website where others can judge your photos, so you have the best ones displayed on your profile. • Don't put any of these in your bio or risk alienating potential matches. • 5 ways to increase the

number of matches you are currently getting. • Should you use super likes? • The many types of girls and guys found on Tinder (and other dating apps) and the one type of guy who girls are most drawn to. • The reasons most guys don't do well on Tinder. • The two qualities which attract partners to each other. • Tips for sending the first message, as well as a list of 80 message openers you can immediately start using. • What is the dating app staircase? • How to easily keep quality conversations going with girls. • The #1 thing girls like to talk about which releases "feel good" chemicals in their brain. • How to ask for her Snapchat ID or phone number. • Indicators which show she is interested in you. • How to ask for the date. • And So Much More!

————— As a complimentary bonus, only for book buyers, you'll receive my special report titled Subconscious Attraction, which includes 3 subconscious techniques that attract females. This report is not available to the public; it exists solely as a "thank you" to buyers of this book.

Dear Girl - Aija Mayrock 2020-08-25

From a poet and celebrated spoken-word performer comes a debut poetry collection that takes readers on an empowering, lyrical journey exploring truth, silence, wounds, healing, and the resilience we all share. *Dear Girl* is a journey from girlhood to womanhood through poetry. It is the search for truth in silence. The freeing of the tongue. It is deep wounds and deep healing. And the resilience that lies within us. It is a love letter to the sisterhood.

Women Talking - Miriam Toews 2019-04-02

The basis of the Oscar-winning film from writer/director Sarah Polley, starring Rooney Mara, Claire Foy, Jessie Buckley, with Ben Whishaw and Frances McDormand.

INTERNATIONAL BESTSELLER "This amazing, sad, shocking, but touching novel, based on a

real-life event, could be right out of *The Handmaid's Tale*." -Margaret Atwood, on Twitter "Scorching . . . a wry, freewheeling novel of ideas that touches on the nature of evil, questions of free will, collective responsibility, cultural determinism, and, above all, forgiveness." -New York Times Book Review, Editors' Choice One evening, eight Mennonite women climb into a hay loft to conduct a secret meeting. For the past two years, each of these women, and more than a hundred other girls in their colony, has been repeatedly violated in the night by demons coming to punish them for their sins. Now that the women have learned they were in fact drugged and attacked by a group of men from their own community, they are determined to protect themselves and their daughters from future harm. While the men of the colony are off in the city, attempting to raise enough money to bail out the rapists and bring them home, these women—all illiterate, without any knowledge of the world outside their

Based on real events and told through the "minutes" of the women's all-female symposium, Toews's masterful novel uses wry, politically engaged humor to relate this tale of women claiming their own power to decide. [How Stella Learned to Talk](#) - Christina Hunger 2021-06-24

'A wonderful book.' - Temple Grandin, author of *Animals in Translation* Understand what your canine best friend is thinking with this New York Times bestselling handbook. An incredible, revolutionary true story and surprisingly simple guide to teaching your dog to 'talk' from speech-language pathologist Christina Hunger, who has taught her dog, Stella, to communicate using simple paw-sized buttons associated with different words. *How Stella Learned to Talk* is part memoir and part how-to guide. It chronicles

the journey Christina and Stella have taken together, from the day they met, to the day Stella 'spoke' her first word, and the other breakthroughs they've had since. It also reveals the techniques Christina used to teach Stella, broken down into simple stages and actionable steps any dog owner can use to start communicating with their best four-legged friend. Filled with conversations that Stella and Christina have had, as well as the attention to developmental detail that only a speech-language pathologist could know, *How Stella Learned to Talk* is the indispensable dog book for you and your puppy pal.

So You Want to Talk About Race - Ijeoma Oluo 2018-01-16

ignore the issue of race. Still, it is a difficult subject to talk about. How do you tell your roommate her jokes are racist? Why did your sister-in-law take umbrage when you asked to touch her hair--and how do you make it right? How do you explain white privilege to your white, privileged friend? In *So You Want to Talk About Race*, Ijeoma Oluo guides readers of all races through subjects ranging from intersectionality and affirmative action to "model minorities" in an attempt to make the seemingly impossible possible: honest conversations about race and racism, and how they infect almost every aspect of American life. "Oluo gives us--both white people and people of color--that language to engage in clear, constructive, and confident dialogue with each other about how to deal with racial prejudices and biases."--National Book Review "Generous and empathetic, yet usefully blunt . . . it's for anyone who wants to be smarter and more empathetic about matters of race and engage in more productive anti-racist

action."--Salon (Required Reading)

"It's a good thing that this is only the first book of a trilogy, because after getting to know Tabitha, you won't want to leave her at the end. . . . Written intimately as if you're peering into the mind of a close friend, this book is a true testament to the stresses on women today and how great girlfriends (and grandmothers) are often the key to our sanity." — Good Morning America The first novel in a captivating three-book series about modern womanhood, in which a young Black woman must rely on courage, laughter, and love—and the support of her two longtime friends—to overcome an unexpected setback that threatens the most precious thing she's ever wanted. Tabitha Walker is a black woman with a plan to "have it all." At 33 years old, the checklist for the life of her dreams is well underway. Education? Check. Good job? Check. Down payment for a nice house? Check. Dating marriage material? Check, check, and check. With a coveted position as a local news

reporter, a "paper-perfect" boyfriend, and even a standing Saturday morning appointment with a reliable hairstylist, everything seems to be falling into place. Then Tabby receives an unexpected diagnosis that brings her picture-perfect life crashing down, jeopardizing the keystone she took for granted: having children. With her dreams at risk of falling through the cracks of her checklist, suddenly she is faced with an impossible choice between her career, her dream home, and a family of her own. With the help of her best friends, the irreverent and headstrong Laila and Alexis, the mom jeans-wearing former "Sexy Lexi," and the generational wisdom of her grandmother and the nonagenarian firebrand Ms. Gretchen, Tabby explores the reaches of modern medicine and tests the limits of her relationships, hoping to salvage the future she always dreamed of. But the fight is all consuming, demanding a steep price that forces an honest reckoning for nearly everyone in her life. As Tabby soon learns, her

This book tackles, debt, spending, the consumerist culture of the African middle class, the fear and misconceptions surrounding money and the lack of it, love, friendships, cultural and societal pressures and the roles they play in

success. With each chapter comes a Smart Money Lesson, there to help you work your way up the financial ladder.

The Charisma Myth - Olivia Fox Cabane
2013-03-26

What if charisma could be taught? The charisma myth is the idea that charisma is a fundamental, inborn quality—you either have it (Bill Clinton, Steve Jobs, Oprah) or you don't. But that's simply not true, as Olivia Fox Cabane reveals. Charismatic behaviors can be learned and perfected by anyone. Drawing on techniques she originally developed for Harvard and MIT, Cabane breaks charisma down into its components. Becoming more charismatic doesn't mean transforming your fundamental personality. It's about adopting a series of specific practices that fit in with the personality you already have. The Charisma Myth shows you how to become more influential, more persuasive, and more inspiring.
