Michael Bernard Beckwith says: "Uma...is not merely a seeker of love, a writer about love, she IS Love. And that's what makes this a trustworthy guide through the labyrinth of love with its twists and turns..." A beautiful, quirky, love-weary, single mom is mugged in South Central LA, chases him down and wonders how she got there...an unbelievable fictional tale based on a true story. Our heroine follows her heart from Sedona to Seattle with two sons in tow. Her fiancé suffers from an incurable disease - seriously?! She learns invaluable love lessons while singing her heart out in this riotous, topsy-turvy adventure in love. She deals with a pathological liar, her fiancé on hallucinogenic prescription drugs and his teenage brat, and survives Sexaholics Anonymous and powerfully positive, self-help groups while doing whatever it takes to find and keep love, but is it enough?
