Crushing on You - Jen Trinh 2019-12-07

Finalist for Best First Book and Best Mid-length Contemporary Romance in the NJRW 2020 Golden Leaf Awards. Anna Tang doesn't date Asian guys. Her own Chinese family is bad enough, and she's not looking to double the trouble. Besides, she's busy chasing her dream of becoming a music journalist, and she's going to march towards it single-mindedly—and single, if need be. But when she meets a handsome

stranger on a flight to a wedding, she's charmed. Intrigued. Seduced. Too bad he's Asian, and not her type. Ian Gao has a great tech job and rock-hard abs from years of climbing. His parents hope he'll settle down soon, but he's drawn to the fierce and lovely Anna, who doesn't plan on getting married. Ever. But the more time they spend together, the more it feels like coming home. Does Ian have what it takes to make her to stay? Or are the walls around her heart too

**You Were My Crush** - Durjoy Datta 2013-09-15

Would you change yourself for the love of your life? Benoy zips around in a Bentley, lives alone in a palatial house and is every girl's dream. To everyone in college he is a stud and a heartbreaker. But is he, really? What no one sees is his struggle to come to terms with his mother's untimely death and his very strained relationship with his father. Then once again his world turns upside down when he sees the gorgeous Shaina. He instantly falls in love but she keeps pushing him away. What is stopping them from having their fairy-tale romance? What is Shaina hiding? It's time Benoy learned his lesson about love and relationships . . .

Everyone's got a type, but Anna's got a non-type: Asian guys. She's been traumatized by her own family and she's not looking to double the trouble. Besides, she's busy chasing her dream of becoming a music journalist, and she's going

to march towards it single-mindedly--and single, if need be. But when she meets a handsome stranger on a flight to a wedding, she's reluctantly charmed. Intrigued. Seduced. Too bad he's not her type. Ian has a great tech job, a beautiful Williamsburg condo, and rock-hard abs. He can even climb V7 and send 5.12. But does he have what it takes to climb the big walls around Anna's heart? Love, like climbing, requires hard work, commitment, and of course, good communication with one's partner. They'll need all three, plus a little help from their friends, if they don't want to go it solo. Praise from early readers: "Jen's debut novel is witty, fast-paced, and a joy to read. A book I didn't want to put down, and made me laugh out loud multiple times. Think Meg Cabot-style fun meets millennials, with the associated techies, foodies, and climbers we all know and love. Can't wait to see what happens on the rest of the series!" - Romance reader and expert at V0s and the occasional V1 "Surprises and chemistry abound!

Crush! You Crushed it - Edmer Barreto  
2018-05-31

Crush! You Crushed It is a story about two best friends-Ryan and Ashlon. Ryan and Ashlon were considered to be inseparable until something really unfortunate happens. The story speaks about how a major road dis-joins into two different paths. Ashlon moves from Janice to Freya but Ryan had feelings just for one girl. Things start changing between them and they eventually drift apart. Ryan took one major step which left Ashlon hanging and confused. Who was the girl Ryan fell for? Was it Janice or Freya or someone else? Why did their friendship fall apart? What was the major step that Ryan took? Will their friendship mark a happy ending? Or will these two inseparable friends turn into bitter enemies? Crush! You crushed it, will tell you!

ordinary into the extraordinary, and nowhere is this more apparent than when you find yourself caught in the intricate web of a crush on a friend. In the delicate dance between heart and friendship, emotions swirl with a captivating blend of excitement, anticipation, and vulnerability. As you navigate the labyrinth of your feelings, every interaction becomes a treasure trove of subtle hints and lingering glances. Each conversation holds the potential for a hidden confession or an unintended revelation. Moments spent together take on an ethereal quality, as you try to decipher the true meaning behind every smile, every touch, and every shared laughter. Yet, within this enchanting turmoil lies the fragile balance of friendship. The fear of jeopardizing the bond you cherish, of losing the ease and comfort that comes with platonic companionship, casts a shadow of uncertainty on your heart's desires. It becomes a delicate tightrope walk, where you long for more but fear the consequences of

crossing that invisible line. The beauty of crushing on a friend lies in the layers it unveils within your own self. It is an opportunity for introspection, where you examine your desires, your vulnerabilities, and your capacity for emotional risk. It is a testament to the strength of your connection, as you discover the depths of your affection and how it intertwines with the mutual understanding and trust you share. This captivating journey of unrequited love within the realm of friendship is both exhilarating and challenging. It urges you to confront your emotions, to embrace the possibility of transformation, and to consider whether the leap of faith into a romantic realm is worth the potential rewards and the inevitable risks. In the end, crushing on a friend is a testament to the complexity and beauty of human connections. It highlights the depth of our emotions and the capacity for growth that lies within each of us. It is a journey that demands courage, honesty, and self-reflection, as you navigate the intricate path

between heart and friendship, knowing that the outcome holds the potential to redefine your relationship forever.

**Easy Way to Recognize Your Crush** - Jessica King 2023-02-07

Do you find yourself wondering who has a crush on you? If so, don't worry, you're not alone. In fact, according to a recent study, almost half of all people have wondered this at some point in their lives. So, if you're looking for a way to figure out who has a crush on you, here are ten best ways to do it. 1. Look out for signs that someone might be interested in you. This might include sending you romantic messages, being overly affectionate, or pursuing you in a way that seems out of the ordinary. 2. Ask someone out. This might be the easiest way to figure out who has a crush on you, especially if the person is someone you know well. Just be sure to take things slow and be prepared for a response. 3. Watch for subtle clues. If someone repeatedly compliments you or pays attention to you in a way that seems too friendly, it might be a sign that they have a crush on you. 4. Be observant. If someone seems to be watching you or following

you around, it might be a sign that they have a crush on you. 5. Check your social media profiles. If someone you know has been posting a lot of pictures or videos of you, it might be a sign that they have a crush on you. 6. Ask your friends. If they know who the person with a crush on you is, they might be able to give you a hint. 7. Pay attention to your feelings. If you're not sure whether the person with a crush on you is serious about them or not, it might be a good idea to take things slow. 8. Talk to a therapist. If you're not sure what to do or how to proceed, talking to a therapist might be a good idea. 9. Get a love reading. If you're feeling lost or unsure about what to do, getting a love reading might be a good solution. 10. Trust your gut. If you're certain that the person with a crush on you is interested in you, go ahead and let them know. After all, it might be the best thing for both of you.

journey-the painful experience of learning his young teenage daughter was pregnant, the agony of watching his mother succumb to Alzheimer's, and the shock and helplessness he felt when his son had a heart attack. Bishop Jakes wants to encourage you that God uses difficult, crushing experiences to prepare you for unexpected blessings. If you are faithful through suffering, you will be surprised by God's joy, comforted by His peace, and fulfilled with His purpose. Crushing will inspire you to have hope, even in your most difficult moments. If you trust in God and lean on Him during setbacks, He will lead you through.

### **The Queen Bee** - Lil' Kim 2021-11-02

A fearless, inspiring, and refreshingly candid memoir by the Grammy-award winning rapper, multi-platinum recording artist, and cultural icon Lil' Kim When teenager Kimberly Denise Jones--better known as Lil' Kim--burst on the hip-hop scene in the mid-nineties, no one was prepared for how she would shake-up the entire music

industry. As the sole female member of the Notorious B.I.G.'s rap collective, Junior M.A.F.I.A., and an affiliate of Puff Daddy and the Bad Boy family, Lil' Kim always stood out from the pack. But she was determined to make an even greater name for herself and emerged as a solo superstar. In 1996, she dropped her solo debut album, *Hard Core*, which topped the Billboard charts, went double-platinum, and is now widely considered to be one of the most influential rap albums of all-time. With her dynamic lyricism, her unflappable no-nonsense attitude, her iconic looks both on and off the red carpet, and her unapologetic sexuality, Lil' Kim quickly established herself as a force to be reckoned with--and was crowned the Original Queen Bee. Twenty-five years later, this Grammy award-winning superstar has released five studio albums, sold millions of records, topped the Billboard charts, performed all over the world, and remains at the top of her game. And yet few people ever knew about the hard work, hustle,

and heartbreak that went into securing her place on the throne--until now. In this debut memoir, Lil' Kim reveals everything that really went on behind-the-scenes of her legendary career, much of it for the very first time publicly. From her earliest rap beginnings growing up in Bed-Stuy, Brooklyn, and her teenage years spent with the Notorious B.I.G. to her rise as a solo icon, Lil' Kim not only blazed trails for women in hip-hop, but also inspired the careers of those who followed. However, life at the top hasn't been easy, either. Lil' Kim also talks about the hidden moments of her reign: her complicated high-profile relationships, the misogynistic industry she fought to change through sex positivity, the challenging double standards of self-image and beauty in the spotlight, and the momentous act of loyalty that ultimately landed her in prison. A true page-turner from start to finish, *The Queen Bee* is every bit as fierce, empowering, and badass as the woman at the heart of this story--and firmly cements her legacy as a true feminist

icon.

**Take Me** - Jen Trinh 2021-02-14

There's Mr. Right...and then there's Mr. Ong. Tom Ong isn't exactly handsome or witty. Tall? Yes. Nerdy? Sure. Single? Yep—13 years and counting. But he doesn't mind. As an avid boulderer, he's used to being on his own and unattached. His close colleague, Cassie Green, prefers sport climbing. She's petite, charming, and already taken—i.e., his exact opposite. Despite their differences, Cassie knows that Tom deserves love like anyone else. That's why, after countless meetings and work trips together, Cassie vows to find him a partner. The thing is, he doesn't want a partner—he wants her. And while searching for his perfect match, Cassie begins to feel the same...except that she's married. When her husband proposes a different arrangement, Cassie can't decide: is this a disaster, or a golden opportunity? The beginning of the end, or the start of something wonderful? To find the answer, all three will have to
