

Elvis Presley Tome 2 Careless Love Au Royaume De Graceland 1958 1977 2

Sweet Soul Music (Enhanced Edition) - Peter Guralnick 2014-11-04
A gripping narrative that captures the tumult and liberating energy of a nation in transition, Sweet Soul Music is an intimate portrait of the legendary performers--Sam Cooke, Ray Charles, James Brown, Solomon Burke, Aretha Franklin, Otis Redding, and Al Green among them--who merged gospel and rhythm and blues to create Southern soul music. Through rare interviews and with unique insight, Peter Guralnick tells the definitive story of the songs that inspired a generation and forever changed the sound of American music. This enhanced edition includes: Exclusive video footage prepared specifically for the enhanced eBook that has never been seen before. Rare audio clips.

The Man Who Made Elvis Laugh - Sammy Shore 2008-08-01

"Very funny man. And, a very, very funny book." - Larry King. Las Vegas, Nevada - 1969: Two forces collide that change the entertainment world forever. Elvis Presley is launching a comeback career that reignites Rock 'N' Roll, and stand-up comic Sammy Shore is firing up audiences in breathless anticipation of "The King." What brought these unique talents together, not only in laughter and friendship, but also in the loneliness and insecurity that fame can bring? Sammy Shore reveals it all, as only he can, in this hilariously funny and highly poignant story of his life with Elvis and beyond. You'll eavesdrop on Sammy's intimate talks with Elvis and his detailed conversations with the music and comedy greats of all time. Milton Berle, Sid Caesar and Jan Murray, to name just a few, and also be front row center for all the hysterical routines that "killed" or bombed. You'll meet Sammy's son, Pauly Shore, just starting out in showbiz, the enigmatic Col. Parker, "Brother Sam" (Elvis' favorite

preacher man) and the crazy cast of characters that formed Sammy's irreverent take on life today. So, join Sammy on his journey through it all-'the smooth cruisin' and the #\$\$% potholes of life! Because, he's The Man Who Made Elvis Laugh!

Searching for Robert Johnson - Peter Guralnick 2020-08-25

This highly acclaimed biography from the author of Last Train to Memphis illuminates the extraordinary life of one of the most influential blues singers of all time, the legendary guitarist and songwriter whose music inspired generations of musicians, from Muddy Waters to the Rolling Stones and beyond. The myth of Robert Johnson's short life has often overshadowed his music. When he died in 1938 at the age of just twenty-seven, poisoned by the jealous husband of a woman he'd been flirting with at a dance, Johnson had recorded only twenty-nine songs. But those songs would endure as musical touchstones for generations of blues performers. With fresh insights and new information gleaned since its original publication, this brief biographical exploration brilliantly examines both the myth and the music. Much in the manner of his masterful biographies of Elvis Presley, Sam Phillips, and Sam Cooke, Peter Guralnick here gives readers an insightful, thought-provoking, and deeply felt picture, removing much of the obscurity that once surrounded Johnson without forfeiting any of the mystery. "I finished the book," declared the New York Times Book Review, "feeling that, if only for a brief moment, Robert Johnson had stepped out of the mists."

Feel Like Going Home - Peter Guralnick 2012-12-20

This vivid celebration of blues and early rock 'n' roll includes some of the first and most illuminating profiles of such blues masters as Muddy

Waters, Skip James, and Howlin' Wolf; excursions into the blues-based Memphis rock 'n' roll of Jerry Lee Lewis, Charlie Rich, and the Sun record label; and a brilliant depiction of the bustling Chicago blues scene and the legendary Chess record label in its final days. With unique insight and unparalleled access, Peter Guralnick brings to life the people, the songs, and the performance that forever changed not only the American music scene but America itself.

Othello Illustrated - William Shakespeare 2021-08-23

Othello, The Moor of Venice is a tragedy by William Shakespeare based on the short story "Moor of Venice" by Cinthio, believed to have been written in approximately 1603. The work revolves around four central characters: Othello, his wife Desdemona, his lieutenant Cassio, and his trusted advisor Iago. Attesting to its enduring popularity, the play appeared in 7 editions between 1622 and 1705. Because of its varied themes -- racism, love, jealousy and betrayal -- it remains relevant to the present day and is often performed in professional and community theatres alike. The play has also been the basis for numerous operatic, film and literary adaptations.

Tropical Plant Science - G. K. Berrie 1987

Pearl Jam - Charles Peterson 1999

The first official book done in association with the media-shy band that redefined the musical sound of the 1990s, Pearl Jam: Place/Date captures the raw intensity, behind-the-scenes camaraderie, and devoted fan phenomenon of today's most unconventional supergroup. Having sold over 30 million albums since its triumphant 1991 debut 10, Pearl Jam brought the hard-edged, estranged and oftentimes angry sound of Seattle to the musical forefront. They pioneered a movement in music and culture that quickly became known as grunge. Imitators followed, and the band could have quickly lost touch with its fans and unpretentious ideals and become simply a money-making celebrity group. Instead, Eddie Vedder and the members of Pearl Jam took on the establishment: challenging Ticketmaster's control over concert venues and ticket prices and refusing media any access to the band--even

through music videos--during the peak of their success. Pearl Jam's disappearance from media and from traditional touring has intensified the loyalty of its fans and has refocused the band's attention on its original musical center. Despite the lack of advertising and recent shifts in musical trends, Pearl Jam concerts repeatedly sell out within hours for the hundreds of thousands who remain devoted to a group that continues to uphold its musical and political integrity. Allowed access to the concerts, jam sessions, and private moments of Pearl Jam's members, photographers Charles Peterson and Lance Mercer provide a heretofore unseen record of the Pearl Jam experience for new and diehard fans alike.

Last Train To Memphis - Peter Guralnick 2020-04-30

This is the first of two volumes that make up what is arguably the definitive Elvis biography. Rich in documentary and interview material, this volume charts Elvis' early years and his rise to fame, taking us up to his departure for Germany in 1958. Of all the biographies of Elvis - this is the one you will keep coming back to.

Elvis à Paris - Jean-Marie Pouzenc 1999

Provoke - Matthew S. Witkovsky 2016

The short-lived Japanese magazine Provoke is recognized as a major achievement in world photography of the postwar era, uniting the country's most contentious examples of protest photography, vanguard fine art, and critical theory of the late 1960s and early 70s in only three issues overall. Provoke is accordingly treated here as a model synthesis of the complexities and overlapping uses of photography in postwar Japan. The writing and images by Provoke's members - critic Koji Taki, poet Takahiko Okada, photographers Takuma Nakahira, Yutaka Takanashi, Daido Moriyama - were suffused with the tactics developed in some Japanese protest books which made use of innovative graphic design and provocatively "poor" materials. Recording live actions, photography in these years was also an expressive form suited to emphasize and critique the mythologies of modern life with a wide spectrum of performing artists such as Nobuyoshi Araki, Koji Enokura

and Jiro Takamatsu. This catalogue accompanies the first exhibition ever to be held about the magazine and its creators and focuses on its historical context. It covers the preliminary period leading to its first and the aftermath following its last issue. Provoke takes shape as a strongly interpretative explanation of currents in Japanese art and society at a moment of historical collapse and renewal.

Operation Elvis - Alan Levy 1960

Lost Highway (Enhanced Edition) - Peter Guralnick 2013-12-03

This masterful exploration of American roots music--country, rockabilly, and the blues--spotlights the artists who created a distinctly American sound, including Ernest Tubb, Bobby "Blue" Bland, Elvis Presley, Merle Haggard, and Sleepy LaBeef. In incisive portraits based on searching interviews with these legendary performers, Peter Guralnick captures the boundless passion that drove these men to music-making and that kept them determinedly, and sometimes almost desperately, on the road. This enhanced edition includes: Exclusive video footage prepared specifically for the enhanced eBook that has never been seen before. Rare audio clips.

Half Life - Michael Ackerman 2011

Ackerman's world is haunting, disintegrated and isolated. The landscapes are harsh, combining frozen expanses, blackened houses, vestiges of the mining industry and abandoned cemeteries. People are anguished, distressed and confused, living in the ruins of a drama. Everything in Ackerman's series is in the form of a response, a carefully

constructed system of recalls and echoes, reinforcing primordial desolation and set against the backdrop of an entirely fragmented and disordered world. It is an extraordinary and unsettling vision.

Maisy's Snuggle Book - Lucy Cousins 2011-09

A soft, snuggly book, with cushiony padded pages in bold, bright colours featuring Maisy and her favourite friends. Suitable for a parent and baby to share at bedtime - or any time - it offers a special introduction to a whole world of pleasure through reading.

The Restoration of Paintings - Knut Nicolaus 1999

Describes steps necessary for the preservation of paintings, including the supports, paint layer, and varnish layer. Outlines both traditional and contemporary techniques.

Blood Stained Love - 2021-05-02

A Blood-Stained Love contains riveting tales meant to make you aware of a prevalent issue that affects us all. Eight authors tell stories of abuse and despair that are meant to bring awareness to domestic violence and sexual abuse. The stories are also meant to inspire those who are in these situations, to get help and use the resources available to them. Domestic violence is very devastating to everyone involved. However one can truly thrive and overcome these situations, as can be seen from these stories

Elvis - Alan Fortas 2008

Alan Fortas and Alanna Nash present this close-up and unguarded portrait of Elvis.

Medicine Woman - Medwyn Goodall
