Cora: Rise of the Fallen Goddess - A.L. Hawke  
2021-05-10

Abandoned. Imprisoned. Loved. Cora is the goddess Persephone, living in Greece in the fourteenth century B.C. In order to shelter her from prophecy, her mother, Demeter, sends her away to Azure Blue. The young girl is raised and protected by the nymph queen, Nephrea, in a dreamlike crystal palace among azure trees and amethyst fields under a green sun. She's adopted into the Amazon code of honor, bravery, and righteousness. But Cora is not an Amazon nymph. And prophecy holds quite a different fate for her as she grows into adulthood—Hades, Lord of the Underworld. Upon Persephone's fall, Demeter rages and threatens to freeze the entire

world under ice and snow forever. Nephrea offers a sacrifice to quell her rage, but down in the fiery world below, it might be more than just the goddess who will need saving.

**Elysium Girls** - Kate Pentecost 2021-03-09

A lush, dazzlingly original young adult fantasy about an epic clash of witches, gods, and demons. Elysium, Oklahoma, is a town like any other. Respectable. God-fearing. Praying for an end to the Dust Bowl. Until the day the people of Elysium are chosen by two sisters: Life and Death. And the Sisters like to gamble against each other with things like time, and space, and human lives. Elysium is to become the gameboard in a ruthless competition between the goddesses. The Dust Soldiers will return in ten years' time, and if the people of Elysium have not proved themselves worthy, all will be slain. Nearly ten years later, seventeen-year-old Sal Wilkinson is called upon to lead Elysium as it prepares for the end of the game. But then an outsider named Asa arrives at Elysium's gates with nothing more than a sharp smile and a bag of magic tricks, and they trigger a terrible accident that gets both Sal and Asa exiled into the brutal Desert of Dust and Steel. There Sal

and Asa stumble upon a gang of girls headed by another exile: a young witch everyone in Elysium believes to be dead. As the apocalypse looms, they must do more than simply tip the scales in Elysium's favor--only by reinventing the rules can they beat Life and Death at their own game in this exciting fantasy debut.

Often accompanied by a touch of humor and a wink of the eye, his models switch between innocence and excitement, physical attraction and cool distance. This is precisely what pleases men, and fills the pages

of his latest book, with a powerful sexual charge. Where on earth does Soell get these girls? In addition to some of his favorite models, the new volume contains some mainly new and sensationally pretty creatures (25 in all). In the classical mythology of the ancient Greeks, Elysium was a paradise, located between this world and the one to come. While browsing through the book, you do not need to be a Greek hero to get a kick out of these daughters of Elysium.

That Dark Infinity - Kate Pentecost 2021-10-19

An immortal monster hunter and a royal handmaiden embark on an epic journey to change their fates in this soul-stirring young adult fantasy novel for fans of The Witcher and The Last Unicorn. By night, the Ankou is a legendary, permanently young mercenary—the most fearsome sword for hire in all of the Five Lands, and its most abiding mystery. But when the sun rises, a dark magic leaves him no more than bones. Cursed with this cycle of death and resurrection, the Ankou wants only to find the final rest that has been prophesied for him, no matter the cost. When the kingdom of Kaer-Ise is sacked, Flora, handmaiden to the royal family, is assaulted and left for dead. Wounded, heartbroken, and the sole survivor of the massacre, Flora wants desperately to be reunited with the princess she served and loved.

She and the Ankou make a deal: He will help Flora find her princess, and train Flora in combat, in exchange for her aid in breaking his curse. But it isn't easy to kill an immortal, especially when their bond begins to deepen into something more . . . Together, they will solve mysteries, battle monsters, and race against time in this fantasy novel about sacrifice, love, and healing by Elysium Girls author Kate Pentecost.

[The Shadow of Elysium](#) - Django Wexler

2015-05-19

From the author of *The Price of Valor*, *The Shadow Throne*, and *The Thousand Names* comes a new novella set in the world of the Shadow Campaigns—"a world of dust and bayonets and muskets...and magic."\* The wagons travel north across the mountains, carrying cargo of great value: Hamveltai glass and porcelain; Deslandai jewelry in heavy iron strongboxes; fine cloth from the cities of the Old Coast. And Abraham. Bound and tied, guarded day and night, Abraham has been stolen from his village, from the arms of the man he loved. He is being sent to the fortress-city of Elysium to serve a dark and ancient order, the Priests of the Black. They have discovered the secret he kept all his life: that inside him dwells a demon which allows him to heal...and to kill. But Abraham is

not alone. A young woman named Alex, similarly possessed, rides with him. And as a bond grows between them, they begin to wonder if they can turn the demons that have damned them into their salvation. INCLUDES AN EXCLUSIVE PREVIEW OF THE PRICE OF VALOR Praise for the Shadow Campaigns "I read it at a gulp and look forward to more."—\*S. M. Stirling, New York Times bestselling author "May end up doing for the Napoleonic Wars what George RR Martin did for the Wars of the Roses."—Anthony Ryan, New York Times bestselling author of *Tower Lord* "Epic fantasy of military might and magical conflict."—Library Journal "Fans of Steven Erikson, David Drake, Glen Cook, Naomi Novik, Tom Kratman, Jack Campbell, David Weber, and John Ringo take note—there's a new military fiction cowboy in town and his name is Django."—SF Signal Django Wexler is the author of the Shadow Campaigns novels, including *The Prince of Valor*, *The Shadow Throne*, and *The Thousand Names*.
