*Queer Japan from the Pacific War to the Internet Age* - Mark J. McLelland 2005

Scholarship on Japan has recently broadened to include minority perspectives on communities from marginal workers to those whose sexuality has long been overlooked. This volume, with its combination of fieldwork in the gay and lesbian communities and the use of historical sources such as journals and documents, breaks important new ground in this field. It examines gay life in the Japanese Pacific War, addresses transgender and lesbian as well as gay issues, examines the interface of queer society with the U.S. occupation and the international community, contests major interpretations of contemporary queer society, and introduces readers to the development of lesbian, transgender, and gay communities in postwar Japan. *Queer Japan from the Pacific Age to the Internet Age* provides a historical outline of the development of sexual-minority identity categories and community formation through a detailed analysis of both niche and mainstream publications, including magazines, newspapers, biographies, memoirs, and Internet sites. The material is also augmented with interview data from individuals who have had a long association with Japan's queer cultures. Including a wealth of images from the perverse press, this book will appeal to students and general readers interested in modern and contemporary Japan and in gender studies and sexuality.

**The Immoral Landscape** - Richard Symanski 1981

**Amazing Sex** - Sari Locker 1999

Sari Locker, acclaimed sex educator and WCBS TV relationship

correspondent, shows you how to enjoy your sex life like never before...

Unbelievable - T. Christian Miller 2019-09-03

Now the Netflix Limited Series *Unbelievable*, starring Toni Collette, Merritt Wever, and Kaitlyn Dever • Two Pulitzer Prize-winning journalists tell the riveting true crime story of a teenager charged with lying about having been raped—and the detectives who followed a winding path to arrive at the truth. “Gripping . . . [with a] John Grisham-worthy twist.”—Emily Bazelon, *New York Times Book Review* (Editors’ Choice) On August 11, 2008, eighteen-year-old Marie reported that a masked man broke into her apartment near Seattle, Washington, and raped her. Within days police and even those closest to Marie became suspicious of her story. The police swiftly pivoted and began investigating Marie. Confronted with inconsistencies in her story and the doubts of others, Marie broke down and said her story was a lie—a bid for attention. Police charged Marie with false reporting, and she was branded a liar. More than two years later, Colorado detective Stacy Galbraith was assigned to investigate a case of sexual assault. Describing the crime to her husband that night, Galbraith learned that the case bore an eerie resemblance to a rape that had taken place months earlier in a nearby town. She joined forces with the detective on that case, Edna Hendershot, and the two soon discovered they were dealing with a serial rapist: a man who photographed his victims, threatening to release the images online, and whose calculated steps to erase all physical evidence suggested he might be a soldier or a cop. Through meticulous police work the detectives would eventually connect the rapist to other attacks in Colorado—and beyond. Based on investigative files and extensive

interviews with the principals, Unbelievable is a serpentine tale of doubt, lies, and a hunt for justice, unveiling the disturbing truth of how sexual assault is investigated today—and the long history of skepticism toward rape victims. Previously published as A False Report

**Euphemism & Dysphemism** - Keith Allan 1991

Euphemism and Dysphemism In this fascinating study, Keith Allan and Kate Burrige examine the linguistic, social, and psychological aspects of this intriguing universal practice.

*Women on Top* - Nancy Friday 2014-02-07

A classic work on how women think about sex, from the New York Times–bestselling author of *My Secret Garden* and *My Mother/Myself*. Nancy Friday’s groundbreaking books such as *Forbidden Flowers* offered an unprecedented honest look at the inner fantasy lives of ordinary women. In *Women on Top*, Friday returns to this topic, collecting detailed sexual fantasies from over 150 contemporary women from diverse backgrounds. Based on intimate personal interviews and letters, this book updates the conversation started in her earlier works on women’s sexual fantasies, detailing how women’s erotic lives have changed—and remained the same. “This absorbing, titillating and empowering feminist book is also a ribald bedside companion.”

—Publishers Weekly

*The Naked Ape* - Desmond Morris 2000

**The Mammoth Book of Urban Erotic Confessions** - Barbara Cardy 2014-06-24

What is your secret desire? In this captivating Mammoth, real people give free rein to their innermost longings. There are graphic confessions and exciting encounters from London to Los Angeles, and from Sydney to Stockholm.

**English Vocabulary Elements** - Keith Denning 2007-02-17

This unique text draws on the tools of modern linguistics to help the student acquire an effective understanding of learned, specialized, and scientific vocabulary. English Vocabulary Elements (EVE) helps develop familiarity with over 350 Latin and Greek word elements in English, and

shows how these roots are the building blocks within thousands of different words. Along the way the authors introduce and illustrate many of the fundamental concepts of linguistics. Offering a thorough approach to the expansion of vocabulary, EVE is an invaluable resource that provides students a deeper understanding of the language. This book will be useful to upper level high school students, undergraduates in English, Linguistics, and Classics departments, ESL students, and anyone interested in building vocabulary skills. This edition is refined and thoroughly updated. It includes updated cultural references, and the authors have revised and improved the pedagogy based on classroom experience. In particular they account for variations in pronunciation among students; clarify when historical details are important or peripheral; and improve the many examples and exercises that form the core of the book.

**A Hypersexual Society** - K. Kammeyer 2008-11-10

As many can attest, the prevalence of sexual imagery has increased in modern society over the past half century. In this timely new study, Kenneth Kammeyer traces the historical development of sexual imagery in America and society's preoccupation with it, all within a firm theoretical and sociological framework.

**The Latin Sexual Vocabulary** - J. N. Adams 1990-10

Like other languages, Latin contained certain words its speakers considered obscene as well as a rich stock of sexual euphemism and metaphor. Our sources for this information range from surviving graffiti to literary works with a marked sexual content. Yet despite its manifest literary and linguistic interest, the sexual vocabulary of Latin has remained uninvestigated by scholars. J. A. Adams's pioneering and unique reference work collects for the first time evidence of Latin obscenities and sexual euphemisms drawn from both literary and nonliterary sources from the early Republic to about the fourth century A.D. Separate chapters treat each of the sexual parts of the body and the terminology used to describe sexual acts. General topics include the influence of Greek language on Latin, changes in the Latin vocabulary over time (including the evolution of sexual words into general terms of

abuse), and lexical differences among various literary genres.

*Transvestism, Masculinity, and Latin American Literature* - B. Sifuentes-Jáuregui 2002-02-22

This book is about transvestism and the performance of gender in Latin American literature and culture. Ben. Sifuentes-Jáuregui explores the figure of the transvestite and his/her relation to the body through a series of canonical Latin American texts. By analyzing works by Alejo Carpentier, José Donoso, Severo Sarduy and Manuel Puig (author of *Kiss of the Spiderwoman*), alongside critical works in gender studies and queer theory, Sifuentes-Jáuregui shows how transvestism operates not only to destabilize, but often to affirm sexual, gender, national and political identities.

*The New Man of the House* - Isla Chiu 2020-11-30

"I came to claim what's mine," he says, pulling me to him. "I'm not yours," I say, willing myself to sound more confident than I feel. "I'm the new man of the house," my stepson says. "And as the new man of the house, I'm not letting you leave it." \*\*\*A sexy (and taboo!) short story featuring a dominant alpha male, lust between an older woman and a younger man, and naughty pleasures!\*\*\* WORD COUNT: 2,800

**Her Best Friend's Daughter** - L.L. Craft 2014-02-05

Lately Karen's been feeling guilty about checking out her best friend Rachael's daughter. She knows it's wrong, but Mandy is such a hot young thing she can't help it. Besides nothing wrong with a fantasy. But when Rachael tells Karen she caught Mandy watching lesbian porn and she's curious, Karen decides who better to teach her than someone she trusts? her mom's best friend for example?

*Tobacco in History and Culture* - Jordan Goodman 2005

*Oh Boy!* - Freya Jarman-Ivens 2013-09-27

From Muddy Waters to Mick Jagger, Elvis to Freddie Mercury, Jeff Buckley to Justin Timberlake, masculinity in popular music has been an issue explored by performers, critics, and audiences. From the dominance of the blues singer over his "woman" to the sensitive singer/songwriter, popular music artists have adopted various gendered

personae in a search for new forms of expression. Sometimes these roles shift as the singer ages, attitudes change, or new challenges on the pop scene arise; other times, the persona hardens into a shell-like mask that the performer struggles to escape. *Oh Boy! Masculinities and Popular Music* is the first serious study of how forms of masculinity are negotiated, constructed, represented and addressed across a range of popular music texts and practices. Written by a group of internationally recognized popular music scholars—including Sheila Whiteley, Richard Middleton, and Judith Halberstam—these essays study the concept of masculinity in performance and appearance, and how both male and female artists have engaged with notions of masculinity in popular music.

**Interracial Erotic Stories XXX** - Anonymous Anonymous 2013-01-25  
The Very Best in Romantic Erotic Stories! XXX For Adults Only! Highly Recommended!

**Bodies of Desire and Bodies in Distress** - Xavier Mendik 2015-09-18

In recent years, there has been an explosion of critical interest in the icons, genres and traditions of 1970s Italian cult film. Thanks to the international success of directors such as Dario Argento and Sergio Martino, and the influential giallo (thriller) cycle in which they worked, these unconventional and often controversial films are now impacting on new generations of filmmakers, scholars and moviegoers alike. *Bodies of Desire and Bodies in Distress: The Golden Age of Italian Cult Cinema 1970–1985* considers the current interest in specific Italian directors and cult genres, exploring the social, political and cultural factors that spawned a decade of cinema dominated by extreme, yet stylish, images of sexuality and violence. *Bodies of Desire and Bodies in Distress* situates the explosion of 1970s Italian cult 'excess' against the toxic backdrop of political violence and terrorist activity that produced shocking images of carnage and crime during this period. The volume also considers why the iconography of the sexually liberated female became recast as a symbol of fear and violation in a range of Italian cult film narratives. In addition, the book also analyses how longstanding regional distinctions between Italy's urban North and the much maligned rural South fed into sex and death cycles produced between 1970 and 1985. *Bodies of Desire and*

Bodies in Distress profiles leading 1970s Italian directors and performers including Aristide Massaccesi (Joe D'Amato), Laura Gemser, and Dario Argento (who also provides an interview discussing his work and 1970s Italian society). The volume also provides case-studies of the giallo cycle, rape and revenge dramas, the Italian rogue cop series, post-apocalypse films, barbarian movies, and sex comedy formats. By considering the icons and genres from the golden age of Italian cult film alongside the crucial social and sexual tensions that influenced their creation, this book will be of interest to film scholars and cult movie fans alike.

*PENIS ENLARGEMENT* - Alexandre Clarke 2019-05-20

There are 3 simple questions that determine whether you should read

this book. Have you ever wanted to know why every man in the porn industry has a BIGGER penis than everyone else? Do you keep telling yourself that size doesn't matter, but deep down know that everyone would rather have a bigger, longer one?

*Sensuous Magic* - Patrick Califia-Rice 2001-11-09

Mixing erotic vignettes with practical how-to suggestions and personal insight, 'Sensuous Magic' is Califia's classic beginner's guide to S/M for couples who harbour fantasies of erotic dominance and submission. Experienced players will appreciate the breadth of Califia's knowledge of safety and technique and his insights into the psychology of S/M. Novices will be reassured by Califia's honest, unpretentious approach.
