Sex & Gender - Hilary M. Lips 1993

This is a comprehensive introduction to sex and gender theories, research, and issues, focusing on social psychological and feminist perspectives. The book examines the similarities and differences between women and men, where that knowledge comes from, and how that knowledge may itself be shaped and limited by cultural perceptions. The text is organized into three primary themes: Part I provides background to stereotypes, theories, and research; Part II is focused on biological and psychological dimensions; Part III examines sex

and gender in social relationships.

Jet - 1974-09-19

Sex and Gender - Hilary M. Lips 2017-05-19
Are sex and gender really two different things? How malleable is gender identity? Should we emphasize gender differences? These are only some of the questions Hilary Lips addresses regarding one of the most important dimensions of human life since time immemorial. Stereotypes, gender roles, and how social relationships function all combine to assign meanings to the male-female distinction that affects all aspects of social life. Taking advantage of the abundance of current research that reevaluates and resituates the major issues of sex and gender, the Sixth Edition collects and distills this scholarship into a book that is readily accessible and relevant to today's readers. Lips incorporates knowledge gained from a range of social sciences, taking a critical approach to empirical research. Throughout the book, she emphasizes culturally, racially, and sexually diverse perspectives. A discussion of the role that gender plays in social relationships and power hierarchies illuminates the experience of inequality between men and women in business, education, politics, and the media. The ideas presented in *Sex and Gender* will raise readers' awareness of the issues contributing to that major social problem.

Library Journal - Melvil Dewey 1974-10
Includes, beginning Sept. 15, 1954 (and on the 15th of each month, Sept.-May) a special section: School library journal, ISSN 0000-0035, (called Junior libraries, 1954-May 1961). Also issued separately.

Catalog of Copyright Entries. Third Series - Library of Congress. Copyright Office 1976

An Introduction to Management - Joseph August Litterer 1978

Quarterly Journal of Studies on Alcohol - 1975

Includes sections "Activities of the Research Council on Problems of Alcohol" and "Current literature."

The Biology of Alcoholism - Benjamin Kissin 2012-12-06

Pathogenesis is defined in Blakiston's Medical Dictional), as "the course of development of disease, including the sequence of processes or events from inception to the characteristic lesion or disease. " The central position of the word "pathogenesis" in the titles of Volumes 6 and 7 in itself connotes a bias on the part of the editors in favor of the disease concept of alcoholism, inasmuch as the end product of the pathogenetic process is presumed to be a disease. But the disease model as here conceptualized is vastly different from that of Jellinek, or of Alcoholics Anonymous, or of psychoanalysis. In those theories, alcoholism is seen as the inevitable consequence of some specific flaw in the heredity or the experience of the afflicted individual that inexorably leads to alcoholism. In these present volumes, the alcoholic syndrome is viewed rather as the outgrowth of the interaction of a variety of biological, psychological, and social influences which, depending on the predominance of one or another, may lead to different types of alcoholism. This view, which has been labeled the bio-psycho-social perspective, encompasses a larger view of the dynamics of the development of alcoholism, incorporating data from each of the phenomenologic levels involved. An additional complication arises from the fact that the physiological and psychosocial stigmata of alcoholics, which are probably most often the result of prolonged drinking, frequently have come to be considered as causes of the disease.

Sexuality in Organizations - Dail Ann Neugarten 1980

Healthy, Wealthy and Wise - K. R. S. Edstrom 1999

A total health solution for busy men and women who can't seem to make results last. This all-in-one non-fanatical HealthStyle plan delivers effective stress, exercise and diet programs, including a revolutionary Speed Cooking Plan full of quick, delicious recipes. Both entertaining and educational, it includes valuable tips from

some of America's most successful men and women. Perhaps most importantly and uniquely, this book solves an important problem for readers - how to stay motivated, troubleshoot failure and insure lifelong results. You'll discover hundreds of tested techniques and proven strategies that make it easy to eliminate stress, look, feel and be healthier, have more energy and remain positive and MOTIVATED about your life. And best of all, you will LEARN HOW TO TURN YOUR BUSY LIFESTYLE INTO AN EFFORTLESS AND ENJOYABLE HEALTHSTYLE. Provides a clear explanation of why diet, exercise and stress reduction improve health and productivity, as well as practical tips that keep you motivated in achieving your goals.

- Paul Rosch, M.D., President, The American Institute of Stress

Journal of Studies on Alcohol - 1975

The contents alternate monthly: Original articles in odd-numbered months; Current literature in

even-numbered months.

Executive Life-styles - Harry Julius Johnson 1974

LJ, Library Journal - 1974

Book Review Digest - 1974

Excerpts from and citations to reviews of more than 8,000 books each year, drawn from coverage of 109 publications. Book Review Digest provides citations to and excerpts of reviews of current juvenile and adult fiction and nonfiction in the English language. Reviews of the following types of books are excluded: government publications, textbooks, and technical books in the sciences and law. Reviews of books on science for the general reader, however, are included. The reviews originate in a group of selected periodicals in the humanities, social sciences, and general science published in the United States, Canada, and Great Britain. - Publisher.
