Dads and Daughters - James C. Dobson 2014-04-18

She'll always be your girl. Whether your daughter is still small or all grown up, she holds a special place in her dad's heart forever. Today, celebrate the gifts and blessings of the unique relationship between dads and their girls with this inspirational book by family counselor and widely acclaimed parenting expert Dr. James Dobson. Based on the New York Times bestseller *Bringing Up Girls*, *Dads and Daughters* is a beautiful tribute to a dad's role in his daughter's life. It's an insightful collection of wisdom for dads on developing and preserving a truly exceptional connection with their daughters. And it's a joyful celebration of the lifelong bond of love they share.

Father-Daughter Relationships -

Embracing Your Father - Linda Nielsen 2004-04-07

An expert in father-daughter relationships shows daughters how to forge a new path to communication with their fathers. Psychologist Linda Nielsen shows readers how every daughter can transform her relationship with her father--if she is willing to be the adult who does the emotional embracing rather than the angry, hurt little girl waiting for Daddy to embrace her. Based on her popular *Fathers and Daughters* course--the first in the country devoted to exploring father-daughter relationships--Nielsen shows every woman how to: Go first and initiate a better relationship. Examine her expectations regarding her relationship with her father. Cultivate self-reliance. Get to know her father as a person. Explore her mother's role in the relationship. Stay connected, even through divorce.

Embracing Your Father - Linda Nielsen 2004-03-17

An expert in father-daughter relationships shows daughters how to forge a new path to communication with their fathers. Psychologist Linda Nielsen shows readers how every daughter can transform her relationship with her father--if she is willing to be the adult who does the emotional embracing rather than the angry, hurt little girl waiting for Daddy to embrace her. Based on her popular *Fathers and Daughters* course--the first in the country devoted to exploring father-daughter relationships--Nielsen shows every woman how to: Go first and initiate a better relationship. Examine her expectations regarding her relationship with her father. Cultivate self-reliance. Get to know her father as a person. Explore her mother's role in the relationship. Stay connected, even through divorce.

The Case for Marriage - Linda Waite 2002-03-05

A groundbreaking look at marriage, one of the most basic and universal of all human institutions, which reveals the emotional, physical, economic, and sexual benefits that marriage brings to individuals and society as a whole. *The Case for Marriage* is a critically important

intervention in the national debate about the future of family. Based on the authoritative research of family sociologist Linda J. Waite, journalist Maggie Gallagher, and a number of other scholars, this book's findings dramatically contradict the anti-marriage myths that have become the common sense of most Americans. Today a broad consensus holds that marriage is a bad deal for women, that divorce is better for children when parents are unhappy, and that marriage is essentially a private choice, not a public institution. Waite and Gallagher flatly contradict these assumptions, arguing instead that by a broad range of indices, marriage is actually better for you than being single or divorced--physically, materially, and spiritually. They contend that married people live longer, have better health, earn more money, accumulate more wealth, feel more fulfillment in their lives, enjoy more satisfying sexual relationships, and have happier and more successful children than those who remain single, cohabit, or get divorced. *The Case for Marriage* combines clearheaded analysis, penetrating cultural criticism, and practical advice for strengthening the institution of marriage, and provides clear, essential guidelines for reestablishing marriage as the foundation for a healthy and happy society. "A compelling defense of a sacred union. *The Case for Marriage* is well written and well argued, empirically rigorous and learned, practical and commonsensical." -- William J. Bennett, author of *The Book of Virtues* "Makes the absolutely critical point that marriage has been misrepresented and misunderstood." -- *The Wall Street Journal* www.broadwaybooks.com *Daughters, Dads, and the Path Through Grief* - Donna DiCello, Psy.D. 2014-12-15

Losing a father can be absolutely wrenching. This insightful guide tells the story of the strong connections between daughters and dads throughout life, and the consequential grief and loss a daughter feels when her father dies. Stories from 50 women offer glimpses into the many aspects of father/daughter relationships that are warm and nurturing, sometimes complicated and conflicted, and always solid and enduring. The Italian American women interviewed ultimately find great peace and meaning in the on-going relationship with their fathers, even after death. Using these women's stories, the readers are presented a multi-faceted discussion filled with amusement, complexity and intensity, struggle and resistance, and above all, remarkably powerful family bonds. The daughters' reactions to the passing of their fathers display the strength of relationships built over many years, as well as the spiritual and emotional framework that shapes the lives of many Italian American women today.

Father-Daughter Relationships - Linda Nielsen 2019-06-04

In this fully revised new edition, *Father-Daughter Relationships: Contemporary Research and Issues* summarises and analyses the most

relevant research regarding father-daughter relationships, aiming to break down the persistent misconceptions regarding fatherhood and father-daughter relationships and encourage the reader to take a more objective and analytical approach. The research is brought to life with compelling personal stories from fathers and daughters, including well-known celebrities and politicians. Boxed quizzes and questionnaires show students how the research can be applied to their own lives while others highlight the relationships between real-life fathers and daughters. Nielsen discusses the father-daughter relationship within a diverse range of family structures, including divorced and separated parents, gay parents, adopted children and children of sperm donors. Covering a wide range of topics, including the father's impact on his daughter's cognitive, academic, social and physical wellbeing, ethnic minorities, and incarcerated or abusive fathers, *Father-Daughter Relationships: Contemporary Research and Issues* gives panoramic view of the most recent research and statistics. This book is essential reading for upper level undergraduate and for graduate students, as well as for practitioners working with families, such as social workers, mental health professionals and family counsellors. It is especially relevant for courses in psychology, sociology, women's studies, and counselling. Linda Nielsen is a Professor of Adolescent and Educational Psychology at Wake Forest University. A member of the faculty for 35 years, she is a nationally recognized expert on father-daughter relationships.

Father-Daughter Relationships - Linda Nielsen 2012

How fathers affect their daughters' social, academic, intellectual, athletic, and psychological development is then considered. Factors that can weaken father-daughter relationships, such as divorce, including various theoretical perspectives, are explored in chapters 5 and 6. Father-daughter relationships of racial or ethnic minorities and an array of potentially destructive situations that affect these relationships are the focus of chapters 7 and 8. The impact of fathers who are incarcerated, abusive, alcoholics, gay, or sperm donors are considered. The book concludes with suggestions on where we go from here.

Because I'm Worth It - Linda Nielsen 2018-03

An impressive contract combined with lavish perks influence Skye Topple to marry the boss's daughter, Delaney Mae Anne Covington, a self-centered and spoiled southern belle. The "perfect" wedding is threatened when an alarming secret refuses to stay hidden. With no regard for anyone other than herself and her daughter, Delaney's alcoholic mother takes control, inserting irrational solutions that leave mother and daughter looking foolish while a baby's life, a grandmother's love, and a man's career hang in the balance. This is certainly not a North meets South story—more like South moves North and meets West, where what works for one family may not work for another. Choices must be made. Lives will be changed. One thing is for sure—Skye is smack dab in the middle when Big Sur life meets country club values.

All the Rage - Darcy Lockman 2019-05-07

Why do men do so little at home? Why do women do so much? Why don't our egalitarian values match our lived experiences? Journalist-turned-psychologist Darcy Lockman offers a clear-eyed look at the most pernicious problem facing modern parents—how progressive relationships become traditional ones when children are introduced into the household. In an era of seemingly unprecedented feminist activism, enlightenment, and change, data shows that one area of gender inequality stubbornly persists: the disproportionate amount of parental work that falls to women, no matter their background, class, or professional status. *All the Rage* investigates the cause of this pervasive inequity to answer why, in households where both parents work full-time and agree that tasks should be equally shared, mothers' household management, mental labor, and childcare contributions still outweigh fathers'. How, in a culture that pays lip service to women's equality and lauds the benefits of father involvement—benefits that extend far beyond the well-being of the kids themselves—can a commitment to fairness in marriage melt away upon the arrival of children? Counting on male partners who will share the burden, women today have been left with what political scientists call unfulfilled, rising expectations. Historically these unmet expectations lie at the heart of revolutions, insurgencies, and civil unrest. If so many couples are living this way, and so many women are angered or just exhausted by it, why do we remain so stuck? Where is our revolution, our insurgency, our civil unrest? Darcy Lockman drills deep to find answers, exploring how the feminist promise of true domestic partnership almost never, in fact, comes to pass. Starting with her own marriage as a ground zero case study, she moves outward, chronicling the experiences of a diverse cross-section of women raising children with men; visiting new mothers' groups and pioneering co-

parenting specialists; and interviewing experts across academic fields, from gender studies professors and anthropologists to neuroscientists and primatologists. Lockman identifies three tenets that have upheld the cultural gender division of labor and peels back the ways in which both men and women unintentionally perpetuate old norms. If we can all agree that equal pay for equal work should be a given, can the same apply to unpaid work? Can justice finally come home?

Mean Mothers - Peg Streep 2009-10-13

Drawn from research and the real-life experiences of adult daughters, *Mean Mothers* illuminates one of the last cultural taboos: what happens when a woman does not or cannot love her own daughter. Peg Streep, co-author of the highly acclaimed *Girl in the Mirror*, has subtitled this important, eye-opening exploration of the darker side of maternal behavior, "Overcoming the Legacy of Hurt." There are no psychopathic child abusers in *Mean Mothers*. Instead, this essential volume focuses on the more subtle forms of psychological damage inflicted by mothers on their unappreciated daughters—and offers help and support to those women who were forced to suffer a parent's cruelty and neglect.

Dad, Here's What I Really Need from You - Michelle Watson 2014-09-01

Your daughter needs you to be her hero. In a time when young girls may be drifting toward unhealthy decisions and relationships, you can take action to transform your daughter's life, choices, and future. Dr. Michelle Watson, founder of The Abba Project, packs your parenting tool box with ideas, encouragements, timely information, dialogue helps, and biblical wisdom to show you how to be a good dad as you: walk in God's vision for fatherhood learn to speak your daughter's love language understand your daughter's needs, wants, longings, and passions bridge resistance and distance that emerges between dads and daughters hone tools to mend a broken home or heart and heal the past Dads and daughters can grow together in remarkable, authentic ways through God's powerful hope and healing. Your mission to become your daughter's hero will change her and you forever

Myths and Lies about Dads - Linda Nielsen 2023-03-01

Myths and Lies About Dads: How They Hurt Us All is a groundbreaking book that destroys more than 100 of the most damaging beliefs about fathers. Using the most recent research, this pioneering work exposes these baseless beliefs and the toll they take on children's relationships with their fathers, parents' relationships with one another, and the physical and mental health of fathers and mothers. Tackling a wide range of topics from custody laws, to children's toys, to the sexist behavior of counselors, pediatricians, and lawyers, Dr Linda Nielsen describes in vivid detail how these myths are linked to many of our most pressing issues: Creating more gender equity in childcare and housework Reducing child abuse, post-partum depression, and fathers' suicide rates Expanding mothers' and fathers' options at home and at work Reducing children's academic, behavioral, and emotional problems Lessening the pressures of parenting for both parents Changing sexist policies and practices that hurt parents and children Improving the economic situations for parents and their children. The book is not only a wake-up call for parents but also for students and professionals in medicine and family law, social work, child development, education, and in the publishing, advertising, media, and entertainment industries. Above all, the book empowers parents to free themselves from the myths and lies about fathers that bind them.

Between Fathers and Daughters - Linda Nielsen 2008

At last! A no-nonsense, entertaining, and insightful book for dads and daughters who want more from their relationship—or who want to understand and rebuild it on an adult level. Dr. Linda Nielsen addresses the questions that daughters and dads regularly ask her—and a lot more. Based on two decades of work with hundreds of dads and daughters, *BETWEEN FATHERS AND DAUGHTERS* summarizes cutting-edge research in clear language and offers compelling stories about real people—including well-known celebrities. With candor and humor, *BETWEEN FATHERS AND DAUGHTERS* exposes the half-truths, downright lies, and family dynamics that prevent so many dads and daughters from having a more relaxed, more meaningful, more communicative relationship, regardless of age. Explaining why most daughter-dad relationships haven't reached their full potential or have unraveled, Nielsen provides hope as she shows fathers and daughters how to make changes now!

Daughters of Divorce - Terry Gaspard 2016-01-19

Restore your faith in love and build healthy, successful relationships with this essential guide for every woman haunted by her parents' divorce. Silver Medal Independent Publisher's Award Winner of the Best Book

Award in "Self-Help: Relationships" Over 40 percent of Americans ages eighteen to forty are children of divorce. Yet women with divorced parents are more than twice as likely than men to get divorced themselves and struggle in romantic relationships. In this powerful, uplifting guide, mother-daughter team Terry and Tracy draws on thirty years of clinical practice and interviews with over 320 daughters of divorce to help you recognize and overcome the unique emotional issues that parental separation creates so you can build the happy, long-lasting relationships you deserve. Learn how to: Examine your parents' breakup from an adult perspective Heal the wounds of the past Recognize destructive dynamics in intimate relationships and take steps to change them Trust yourself and others by embracing vulnerability Create strong partnerships with their proven Seven Steps to a Successful Relationship Break the divorce legacy once and for all!

KooKooLand - Gloria Norris 2016-01-05

It's the 1960s in New Hampshire, and Gloria Norris is growing up in the projects with her family. A photo might show a happy, young family, but only a dummkopf would believe that. Jimmy's a wiseguy who relies on charm, wit and an unyielding belief that he's above the law; and his youngest daughter, Gloria, is just like him. Or at least, she knows that she needs to stay on his good side. When an unspeakable act of violence shakes her to her core, Gloria's fiery determination takes shape and she sets herself on a path away from the cycle of violence whirling around her.

Improving Father-Daughter Relationships - Linda Nielsen 2020-05-27

Improving Father-Daughter Relationships: A Guide for Women and Their Dads is essential reading for daughters and their fathers, as well as for their families and for therapists. This friendly, no-nonsense book by father-daughter relationships expert, Dr. Linda Nielsen, offers women and their dads a step-by-step guide to improve their relationships and to understand the impact this will have on their well-being. Nielsen encourages us to get to the root of problems, instead of dealing with fallout, and helps us resolve the conflicts that commonly strain relationships from late adolescence throughout a daughter's adult years. Showing how we can strengthen bonds by settling issues that divide us, her book explores a range of difficult issues from conflicts over money, to the daughter's lifestyle or sexual orientation, to her parents' divorce and dad's remarriage. With quizzes and real-life examples to encourage us to examine beliefs that are limiting or complicating the connection between fathers and daughters, this guide helps us feel less isolated and enables us to create more joyful, honest, enriching relationships.

Let's Talk - Michelle PhD Watson Canfield 2020-08-04

Many great father-daughter books highlight the benefits of being an engaged father, cite statistics about the impact fathers have on a daughter's life, and give practical advice about how to foster such relationships. But once the stage has been set, many dads don't know what to say or how to approach conversations with their daughters. Using her decades of experience in counseling young women and coaching fathers, Michelle Watson has created a step-by-step template for having conversations that build a stronger bond through laughter, vulnerability, honesty, and self-disclosure. *Let's Talk* is filled with dozens

of scripted questions that walk fathers through the levels of creating a heart-to-heart connection with their daughters by communicating the right way. Through this easy-to-read guide, dads will learn how to listen and build trust as they move from get-to-know-you chats to deep discussions that dive into their daughters' struggles, hurts, and hopes.

Unspeakable - Lynn Sacco 2009-08-17

First place, Large Nonprofit Publishers Illustrated Covers, 2010
Washington Book Publishers Named one of the Top Five Books of 2009 by Anne Grant, The Providence Journal This history of father-daughter incest in the United States explains how cultural mores and political needs distorted attitudes toward and medical knowledge of patriarchal sexual abuse at a time when the nation was committed to the familial power of white fathers and the idealized white family. For much of the nineteenth century, father-daughter incest was understood to take place among all classes, and legal and extralegal attempts to deal with it tended to be swift and severe. But public understanding changed markedly during the Progressive Era, when accusations of incest began to be directed exclusively toward immigrants, blacks, and the lower socioeconomic classes. Focusing on early twentieth-century reform movements and that era's epidemic of child gonorrhea, Lynn Sacco argues that middle- and upper-class white males, too, molested female children in their households, even as official records of their acts declined dramatically. Sacco draws on a wealth of sources, including professional journals, medical and court records, and private and public accounts, to explain how racial politics and professional self-interest among doctors, social workers, and professionals in allied fields drove claims and evidence of incest among middle- and upper-class white families into the shadows. The new feminism of the 1970s, she finds, brought allegations of father-daughter incest back into the light, creating new societal tensions. Against several different historical backdrops—public accusations of incest against “genteel” men in the nineteenth century, the epidemic of gonorrhea among young girls in the early twentieth century, and adult women's incest narratives in the mid-to late twentieth century—Sacco demonstrates that attitude shifts about patriarchal sexual abuse were influenced by a variety of individuals and groups seeking to protect their own interests.

Shared Physical Custody - Laura Bernardi 2021-07-07

This open access book provides an overview of the ever-growing phenomenon of children in shared physical custody thereby providing legal, psychological, family sociological and demographical insights. It describes how, despite the long evolution of broken families, only the last decade has seen a radical shift in custody arrangements for children in divorced families and the gender revolution in parenting which is taking place. The chapters have a national or cross-national perspective and address topics like prevalence and types of shared physical custody, legal frames regulating custody arrangements, stability and changes in arrangements across the life course of children, socio-economic, psychological, social well-being of various family members involved in different custody arrangements. With the book being an interdisciplinary collaboration, it is interesting read for social scientists in demography, sociology, psychology, law and policy makers with an interest family studies and custody arrangements.
