Folklore and the Internet -

Trevor J. Blank 2009-09-15

A pioneering examination of the folkloric qualities of the World Wide Web, e-mail, and related digital media. These studies show that folk culture, sustained by a new and evolving vernacular, has been a key, since the Internet's beginnings, to language, practice, and interaction online. Users of many sorts

Our Country Friends - Gary Shteyngart 2022-01-06

*** New York Times bestseller, shortlisted for 2022 Bollinger Everyman Wodehouse Prize for Comic Fiction !*** 'It's a true pleasure to sink into Shteyngart's expansive, benevolent storytelling' Sunday Times 'A masterpiece . . . There cannot be a more relevant novel for our moment, certainly not one with such beauty of description, depth of feeling, and, as always, humour.' - Andrew Sean Greer, Pulitzer Prize-winning author of *Less* It's March 2020 and a calamity is unfolding. A group of friends and friends-of-friends gathers in a country house to wait out the pandemic. Over the next six months, new friendships and romances will take hold, while old betrayals will emerge, forcing each character to reevaluate whom they love and what matters most. The unlikely cast of characters includes a Russian-born novelist; his Russian-born psychiatrist wife; their precocious child obsessed with K-pop; a struggling Indian

it in such a way that students
at last can make sense of it.

You Can't Win - Jack Black
2018-10-17

"Much of this book is about
loneliness. Yet its pages are
bracingly companionable. It is
one of the friendliest books
ever written. It is a superb
piece of autobiography,
testimony that cannot be
impeached. While it is a
statement of an American
tragedy, it has laughter,
brevity, style; as a book to pass
the time away with, it is in a
class with the best fiction." —
Carl Sandburg, New York

bootleggers and crooks in years" — New Republic "I believe Jack Black has written a remarkable book; it is vivid and picturesque; it is not fiction; it is a book that was needed and it should be widely read." — Clarence Darrow, New York Herald Tribune A major influence on William S. Burroughs and other Beat writers, this lost classic was written by Jack Black, a drifter and small-time criminal. Born in 1872, Black hit the road at the age of 16 and spent most of his life as a vagabond. In this plainspoken but colorful memoir, he recaptures a hobo underworld of the early twentieth century, a time when it was possible to pass anonymously from town to town. Black's firsthand accounts of hopping trains, burglaries, prison, and drug addiction offer a compelling portrait of life outside the law and honor among thieves. *Modern Art, 19th and 20th Centuries* - Meyer Schapiro 1978

300 Best Jokes for Adults

Only - Don Shaw 2019-09-07
Want to Find a Ginormous Collection of Hilarious Dirty Jokes for Adults? Then Keep Reading ... We all love a good joke. The only problem is that in humor there is no such thing as one size fits all. Some people like jokes about police, blondes, golf, office, marriage, and the things we all do in our bedrooms. Some of us spend hours reading 'man walks into a bar' jokes or even yo mama and dad jokes, etc. Thus, one collection of jokes can't satisfy everyone. In this book I combined a wide variety of topics. I wanted everyone to be able to find something very funny and, of course, dirty. Hence it says "FOR ADULTS ONLY" on the cover. In this funny collection of jokes for adults, you will discover: 300 hilarious and witty puns, short and long stories, dialogues, and one-liners for men, women, grandpas, and grandmas Jokes without profanity - just in case someone under the age of 18 finds this book Silly questions and riddles to have fun with your friends and spouses Tons

making fun of numerous aspects of our life and so much more ... No doubts, men and women who love humor, will love to get this book as a present for any holiday, including their birthdays, Halloween, Thanksgiving, Christmas, Valentine's Day, April Fools' Day, and so on. They will gladly read it on vacation, in the hospital, waiting room, airport, during the long car, bus, train, or airplane trip. It's also a fun bathroom reader! Finally, this book is a perfect gift for grandmas and grandpas - whether it's their 60th, 70th, or 80th anniversary, or just a random day when you want to show how much you care about your parents or grandparents. Man V Fat - Andrew Shanahan
2021-06-10

This is a black and white
edition of the original book.
Man v Fat is a practical and
supportive resource for men,
written by a normal bloke who
just wanted to lose some
weight. One day Andrew
Shanahan took a guttie to text
to a mate. But once he had
taken the photo, he couldn't

how unhappy he was about his
body and resolved to change it.
However he soon learned that
the dieting industry had turned
its back on men. Men were
expected to get fit, tone up and
turn fat into a six-pack in six
weeks. There was nothing for
men who simply wanted to lose
their beer belly, play football
again and feel more confident.
So Andrew decided to do
something about this. In Man v
Fat, Andrew Shanahan will
give you everything you need
to know in order to lose weight,
breaking it down into three
essential components: Stage 1:
Understand why you got fat
Stage 2: Learn how to lose
weight Stage 3: Create a
winning structure Man v Fat is
not a diet book or a commercial
diet plan. It will explain (and
myth-bust) the various diets
available, so you can choose
the one that will work best for
you - or even create your own.
It will help you to supercharge
your motivation, set specific
goals and teach you how to
track and review them, identify
threats and create a support

Firebug - Lish McBride
2014-09-23

Ava is a firebug—she can start fires with her mind. Which would all be well and good if she weren't caught in a deadly contract with the Coterie, a magical mafia. She's one of their main hitmen . . . and she doesn't like it one bit. Not least because her boss, Venus, killed Ava's mother. When Venus asks Ava to kill a family friend, Ava rebels. She knows very well that you can't say no to the Coterie and expect to get away with it, though, so she and her friends hit the road, trying desperately to think of a way out of the mess they find themselves in. Preferably keeping the murder to a minimum, in Lish McBride's

Homer Simpson Marches on Washington - Timothy M. Dale
2010-03-19

The Simpsons questions what is culturally acceptable, showcasing controversial issues like homosexuality, animal rights, the war on terror, and religion. This subtle form of political analysis is effective in changing opinions and attitudes on a large scale. Homer Simpson Marches on Washington explores the transformative power that enables popular culture to influence political agendas, frame the consciousness of audiences, and create profound shifts in values and ideals. To investigate the full spectrum of popular culture in a democratic society, editors Timothy M. Dale and Joseph J. Foy gather a top-notch team of scholars who use television shows such as Star Trek, The X-Files, All in the Family, The View, The Daily Show with Jon Stewart, and The Colbert Report, as well as movies and popular music, to investigate contemporary issues in American popular

~~A Conservative Walks Into a~~

Bar - A. Dagnes 2012-09-06
Conservative critics argue that modern political satire, in the age of The Daily Show, has a liberal bias. A quick review of the humor landscape shows that there are very few conservative political satirists, and using personal interviews with political humorists this book explains why. The book explores the history of satire, the comedy profession, and the nature of satire itself to examine why there is an ideological imbalance in political humor and it explores the consequences of this disparity. This book will appeal to Daily Show and Colbert fans, political junkies, and anyone interested in the intersection of politics and media.

On the death of George IV. in 1830, a new political era dawned on England. His brother, William IV., who succeeded him, was not his

more respectable in his character and more liberal in his views. With William IV. began the undisputed ascendancy of the House of Commons in national affairs. Before his day, no prime minister could govern against the will of the sovereign. After George IV., as in France under Louis Philippe, "the king reigned, but did not govern." The chief of the ascendent political party was the real ruler.

Turkish German Muslims and Comedy Entertainment -

Benjamin Nickl 2020
Comedy entertainment is a powerful arena for serious public engagement with questions of German national identity and Turkish German migration. The German majority society and its largest labour migrant community have been asking for decades what it means to be German and what it means for Turkish Germans, Muslims of the second and third generations, to call Germany their home. Benjamin Nickl examines
