

Gay Mens Relationships Acrob The Life Course Peter Robinson

Gay Men's Working Lives, Retirement and Old Age - Peter Robinson 2017-07-20

This book examines the working lives, retirement plans, and old age experiences of three generations of gay men born 1924–86. It draws on data collected from interviews with 82 men in Australia, England, New Zealand, and USA. The first half of the book concentrates on the men's working lives, while the second half of the book explores the interviewees' concerns about old age and retirement. The author analyses the men's contrasting stories, highlighting key generational differences in their experience of being 'out' in the workplace and the dominant work narratives which emerge in each age group. This important work will have cross-disciplinary appeal to scholars of sociology, gerontology, health sciences, gender, queer, and gay and lesbian studies, as well as practitioners.

Mapping LGBTQ Spaces and Places - Marianne Blidon 2022-07-11

This book addresses LGBTQ issues in relation to among others law and policy, mobility and migration, children and family, social well-being and identity, visible and invisible landscapes, teaching and instruction, parades, arts and cartography and mapping. A variety of research methods are used to explore identities, communities, networks and landscapes, all which can be used in subsequent research and classroom instruction and disciplinary and interdisciplinary levels. This extensive book stimulates future pioneering research ventures in rural and urban settings about existing and proposed LGBTQ policies, individual and group mapping, visible and invisible spaces, and the construction of public and private spaces. Through the methodologies and rich bibliographies, this book provides a rich source for future comparative research of scholars working in social work, NGOs and public policy, and community networking and development.

Sex and Diversity in Later Life - Hafford-Letchfield, Trish 2021-05-27

This edited volume addresses diversity in sexual and intimate experience later in life (50+) and captures international research and analysis relating to intersectional identities. Contributors explore how being older intersects with differences of ethnicity, gender, sexuality and class.

The Changing World of Gay Men - Peter Robinson 2008-10-31

This ground-breaking book explores the experiences of gay men and their understanding of what it meant to be gay in the 20th Century: from when homosexuality was illegal through the less repressed but no less difficult eras of gay liberation and the HIV-AIDS epidemic.

New York Magazine - 1987-02-16

New York Magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

New York Magazine - 1987-02-23

New York Magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

Gay and Lesbian, Then and Now - Robert Reynolds 2016-05-31

How Gay Men Prepare for Death - Peter Robinson 2023-06-12

The ebook edition of this title is Open Access, thanks to Knowledge Unlatched funding, and freely available to read online. Peter Robinson's new book provides a practical contribution for anyone considering how to

prepare for their end of life, including those from LGBTQ+ communities.

Gay Men's Relationships Across the Life Course - P. Robinson 2013-06-11

This book examines the life stories of a diverse sample of gay men from nine major international cities.

Through their relationship stories, old established patterns of gay life are compared with new, emerging patterns of fatherhood, friendship and parenting.

Ageing, Diversity and Equality - Sue Westwood 2018-10-31

Current understandings of ageing and diversity are impoverished in three main ways. Firstly, with regards to thinking about what inequalities operate in later life there has been an excessive preoccupation with economic resources. On the other hand, less attention has been paid to cultural norms and values, other resources, wider social processes, political participation and community engagement. Secondly, in terms of thinking about the 'who' of inequality, this has so far been limited to a very narrow range of minority populations. Finally, when considering the 'how' of inequality, social gerontology's theoretical analyses remain under-developed. The overall effect of these issues is that social gerontology remains deeply embedded in normative assumptions which serve to exclude a wide range of older people. Ageing, Diversity and Equality aims to challenge and provoke the above described normativity and offer an alternative approach which highlights the heterogeneity and diversity of ageing, associated inequalities and their intersections. The Open Access version of this book, available at <https://www.taylorfrancis.com/books/9781351851329>, has been made available under a Creative Commons Attribution-Non Commercial-No Derivatives 4.0 licence.

The Advocate - 2005-01-18

The Advocate is a lesbian, gay, bisexual, transgender (LGBT) monthly newsmagazine. Established in 1967, it is the oldest continuing LGBT publication in the United States.

Living Apart Together - Cynthia Grant Bowman 2020-12-29

Argues for legal reforms to protect couples who live apart but perform many of the functions of a family Living Apart Together is an in-depth look at a new way of being a couple and "doing family"—living apart together (LAT)—in which committed couples maintain separate residences and finances. In Bowman's own 2016 national survey, 9% of respondents reported maintaining committed relationships while living apart, typically spending the weekend together, socializing together, taking vacations together, and looking after one another in illness, but maintaining financial independence. The term LAT stems from Europe, where this manner of coupledness has been extensively studied; however, it has gone virtually unnoticed in the United States. Living Apart Together aims to remedy this oversight by presenting original research derived from both randomized surveys and qualitative interviews. Beginning with the large body of social science literature from outside the US, Cynthia Bowman examines the prevalence of this lifestyle, the demographics of people who live apart, their reasons for doing so, and how these individuals manage finances, care during illness, and many other aspects of family life. She focuses in particular detail on three key demographics—women, gay men, and the elderly—and how individuals from these groups engage in LAT behavior. She finds that while these living arrangements are more common than previously believed, there are virtually no legal protections for the people involved. Bowman concludes by proposing a number of legal reforms to support the caregiving functions LAT partners perform for each other. Living Apart Together makes an important case for formal recognition of this growing but largely overlooked family structure.

When Your Gay or Lesbian Child Marries - Deborah M. Merrill 2016-01-14

Massachusetts became the first state in the country to legalize same-sex marriage in 2004, and after the landmark decision of Obergefell v. Hodges in 2015, same-sex marriage is legal in all fifty states. More than 70,000 same-sex couples have married in the U.S. Although these couples have the right to marry, it is not

without its costs to their families, particularly to their relationships with their parents. Some parents may not accept their child's decisions; others don't understand how marriage may be different for their children or the obstacles that they may face in being part of a same-sex union. *When Your Gay or Lesbian Child Marries: A Guide for Parents* examines how same-sex marriage changes the relationships between parents and their gay or lesbian adult children. It is also a guide for parents to better understand how parent/child bonds are transformed from the time of the child "coming out of the closet" to the raising of his or her own children. It will also serve to help parents understand the contours of same-sex marriage and their child's struggles as he or she navigates marriage, parenthood, and family relationships over time. Based on interviews with married (or previously married) gay men and women who had at least one parent alive during their marriage as well as parents who have both a married gay/lesbian child and a married heterosexual child, the author offers stories from people who illustrate a range of experiences. From coming out, to raising children, from wedding day ceremonies to separations and divorce, the stories found in these pages show how families can come together or fall apart, but also offer hope and guidance for those who want to be supportive parents and in-laws, and to adult children who hope to maintain healthy relationships with their parents after marriage.

Wednesday's Child - Peter Robinson 2013-09-24

From New York Times bestselling and Edgar Award-winning author Peter Robinson comes a suspenseful and frightening tale of the connection between a missing child and the murder of a young man in the sixth book of the critically acclaimed Inspector Banks Mystery Series. A well-dressed couple claim to be social workers responding to abuse allegations and pressure Brenda Scupham into allowing them to take her seven-year-old daughter, Gemma, into protective care. When they fail to return, Brenda realizes her catastrophic mistake, and soon Chief Inspector Alan Banks is on the case. As days pass, Banks and his colleague, Detective Superintendent Gristhorpe, begin to lose hope, but then a body is found in the ruins of a nearby lead mine, and the two cases begin to connect in a chilling, horrifying way.

New York Magazine - 1987-03-02

New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's

consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

Gay Men's Relationships Across the Life Course - P. Robinson 2013-06-11

This book examines the life stories of a diverse sample of gay men from nine major international cities. Through their relationship stories, old established patterns of gay life are compared with new, emerging patterns of fatherhood, friendship and parenting.

HIV Survivors in Sydney - Cheryl Ware 2019-04-12

Inner-city Sydney was the epicenter of gay life in the Southern hemisphere in the 1970s and early 1980s. Gay men moved from across Australasia to find liberation in the city's vibrant community networks; and when HIV and AIDS devastated those networks, they grieved, suffered, and survived in ways that have often been left out of the historical record. This book excavates the intimate lives and memories of HIV-positive gay men in Sydney, focusing on the critical years between 1982 and 1996, when HIV went from being a terrifying unidentified disease to a chronic condition that could be managed with antiretroviral medication. Using oral histories and archival research, Cheryl Ware offers a sensitive, moving exploration of how HIV-positive gay men navigated issues around disclosure, health, sex, grief, death, and survival. *HIV Survivors in Sydney* reveals how gay men dealt with the virus both within and outside of support networks, and how they remember these experiences nearly three decades later.

To Survive on this Shore - Jess T. Dugan 2018-05

Nuanced view into the complexities of aging as a transgender person

Sexuality, Rurality, and Geography - Andrew Gorman-Murray 2012-12-27

This edited book offers a detailed examination of the interstices of ruralities and sexualities over a number of different countries, focusing a geographical lens on the relationships between sexualities and the spaces and tropes of rural life. Collectively, the contributors reveal how sexual identities, imaginaries and experiences are understood and practiced in relation to intimacies, institutions, mobilities, communities, and economic and social modes of production and consumption.

The Changing World of Gay Men - P. Robinson 2008-10-31

This ground-breaking book explores the experiences of gay men and their understanding of what it meant to be gay in the 20th Century: from when homosexuality was illegal though the less repressed but no less difficult eras of gay liberation and the HIV-AIDS epidemic.
