*The Glow of the Dragon's Heart* - Willa Hart 2019-07-01

Who knew dragons could be so...hot? I grew up as a trashbag kid. I don't want to

even try counting how many foster homes I've lived in since I was orphaned at the age of five. When some long-lost relatives take me in during my last year in the system, I'm careful to remain on my best behavior. Finding family and living happily ever after has always been a secret fantasy, so getting the boot would be devastating. But these perfect strangers are turning out to be perfectly strange. Like when they tell me dragons are real and my great-aunt's husband just happens to be one. Um... But before I can pack my few belongings and bolt, I see the evidence with my own eyes. Then I catch sight of my new uncle's five gorgeous nephews and decide...maybe dragons aren't so bad after all. *The Glow of the Dragon's Heart* is the prequel to the *Harem of Fire* series.

Casey is Dan's twelve-year-old daughter - though they barely know each other. She's starting four weeks of treatment for a benign tumour,

and is scared this summer could be her last. When Gemma, Dan and Casey meet one scorching July, the connection is instant. Yet they're all used to protecting themselves from heartbreak by keeping their distance. Now that fate - and a small, scruffy terrier - have brought them together, can they find the courage to connect?

**Single Until...** - Shajuana R.

Ditto 2023-02-09

One thing is for certain, we serve a God that wants you to succeed in relationships. More importantly, your singleness matters to God. God wants you to discover who you are in Him while single. Prayerfully, if you are single, God wants you to understand your value and that you can experience victory even when you are by yourself.

Singleness is not a curse. Your value doesn't decrease. Your worth shouldn't be questioned. No one should ever look over you because you are focused on your relationship with Christ. If you have ever felt lonely, experienced depression because you are single, cried yourself to sleep because someone broke your heart, this devotional is to help restore those broken pieces.

This is the perfect time "while single" to become who God has called you to be. You are a royal priesthood, a chosen generation, and your relationship with Christ is the most important relationship that you and I have to steward over while single. Desperation will encourage you to get ahead of God and settle, but destiny will inspire you to wait on God's best. I made a choice over twenty years ago, as a teenager, to pursue purity and the presence of God. I made a vow to God that I would stay single until my heart lined up with God's Word. I

prayed that God would use my singleness to help this next generation and young adults to have a strategy to deal with singleness in a kingdom way. Single Until is a resource to embrace your singleness and to walk in the confidence of the Lord.

*Free to Be* - Shirin Etessam  
2023-06-20

Do you find yourself feeling unfulfilled? Unworthy? Like you've checked all the boxes and built a life, a career, a

family but still, something is missing? From an early age we're taught that in order to be worthy, to find true happiness, to be "somebody," we have to accomplish many things. We become achievement machines, always grasping for the next big win to send a signal to the world—and to ourselves—that we've "made it." That we are happy. But do we ever "make it," really? Are we truly happy not in the "#livingmybestlife" and "#blessed" way in which we caption our social media pages, but from a truly contented place of inner peace and joy? One where the yearning for the bigger house, the better job, the younger, more pliable spouse takes a backseat to the yearnings of our hearts and souls, a place where contentment just "is"? We're often told to follow our heart; that fragile, fickle organ at the center of our physical being. What's really meant by that idiom is to follow our soul; that all-knowing, ever-wise space within all of us. But most people have been disconnected from their souls for so long,

they have no idea where to find it...let alone how to follow it. Free to Be is a simple six-week process of liberating your soul. With easy-to-digest daily exercises, it will lead you toward a life of deep fulfillment and lasting contentment. (That is, if you let it!) If you were given a guide that could reset your life—rewrite your story—right here and now, would you? If your answer is yes, let's begin. "Good advice and a simple helpful program for inner well-being." —Jack Kornfield, Author, Buddhist practitioner, Spirit Rock Meditation Center Founding Teacher

Moments of the Heart - Dorice Horenstein 2019-10-29

Our heart has a tremendous influence on how we view life, how we act, and how we build relationships. The Heart of the Matter - Kas Hawes 2023-10-28

This is a unique story. It is the story of a doctor and the many patients she sees every day. A tale of the diversity of life, the uniqueness of individuals and the impact of deprivation on the health of society. It is a book about being human, the challenge of being on the front line, trying to heal with kindness while fighting an inexorably rising tide of need. The crisis in general practice is in its ascendancy. Overworked GPs are burning out and leaving in droves. At the heart of the NHS, GPs are the entry point for healthcare in the UK, the champions of patients and

guardians of the gates to specialists. A role that is essential, but not always understood or appreciated. We will all meet disease and death in our journey through life. We will all meet a GP, need a GP. The Heart of the Matter is the story of a single day in the life of a general practitioner working in the UK today.
