She Is My Child - Tammy Coulter 2022-06-07

In 2007, fourteen-month-old Ava was diagnosed with Morquio Syndrome, a rare, progressive, genetic disorder for which there was no treatment. The jarring news left her mother Tammy reeling and wondering what the

future held for her daughter. As the days following the diagnosis blurred together, Tammy saw two paths before her—fall apart or fall into the arms of the Lord. For a time, she did both, struggling with her emotions one moment, feeling God’s peace the next, all while continuing to care for her young family. Slowly, through near-constant prayer and Bible study, her burgeoning faith grew stronger than her fear and distress, leading her to a path she hadn’t seen—one that would test her even more and offer help for Ava. In *She is My Child*, Tammy Coulter shares her spiritual journey, alongside Ava’s physical one, from diagnosis to surgeries to a long-anticipated Morquio clinical trial that had them flying to Chicago every week for more than two years. She reveals the most difficult moments and the greatest victories, as well as the humorous situations she and her daughter so often encountered, while highlighting God’s provision and what He taught her along the way.

Blood and Frost - Scott Nicholson 2016-02-26

"Nobody thrills like Nicholson does. Nobody." -- J.A. Konrath, Origin The thrilling conclusion to the ZAPHEADS post-apocalyptic series. Five months after a doomsday solar event, Mackie Dailey has settled in with a group of survivors at a remote college campus. Mackie is haunted by his former life as a hired gun for ruthless drug lord Lucas Krider, but even the apocalypse offers no escape from the past. Krider has established his own camp and preys on Mackie’s addiction and rage. But their personal battle is buried in a larger war with the mutant Zapheads who threaten the extinction of the human race. Then a mysterious infant turns their world upside down. Can Mackie save his friends and help them build a better future, or will he destroy them all in his quest for revenge? Look for the other post-apocalyptic series in the ZAPHEADS universe, AFTER and NEXT. ----- "Always surprises and always entertains." - Jonathan Maberry, Patient Zero "One of the most thrilling writers working today." - Blake Crouch, Wayward Pines keywords: dystopian, science fiction, horror thriller, mutants, crime, action adventure, J.L. Bourne, Justin Cronin, Brian Keene, Walking Dead, zombies, post-apocalyptic survival horror, Doomsday fiction, Guillermo del Toro, fallout, David Wellington, technothriller, military, science fiction, T.W.

Enchanted Flight - Donijo Ash 2013-04-30

Surprises, adventures, and intrigue fill this spellbinding story. When a vile 'worse than death two hundred year' spell is cast on Ian and Deborah, it changes their lives forever. They discover an unusual friend and soon learn that their new home will be taken from them by a ruthless greedy banker. With help, and following their hearts, the pair take on a daring magical quest to a strange world beyond the moon to save the farm. Zor Zanger (the evil giant), unexpected events, dragons, dinosaurs, and a boiling volcano add to the earthlings' frightening perils. A simple fairy tale turns into a wild and brave struggle for freedom. The companions learn about friendship, devoted love, and a yearning desire to survive. Tears, smiles, and terror fill the pages of this heartwarming tale with its unusual revelations.

The Binna Binna Man - Meme McDonald 1999-09-01

BOORI MONTY PRYOR: AUSTRALIA'S CHILDREN'S LAUREATE 2012-13
'The Binna Binna man is a big fulla and he stinks like a goat. He can be good and heal you, but if you poke fun at him then you can get into big trouble, like die.' In Binna Binna country you should watch where you go, even on a night when life is so stuffed up that nothing matters any more. You go wandering too far and you might come face to face with your worst nightmare - the Binna Binna man. Filled with laughter and affection, this is the powerful story of a boy who is learning that if you forget where you come from you get weak. That to stay strong you must listen to the old people with your eyes and your ears - and your heart. A companion to *My Girragundji*.

Sleeveless - Natasha Stagg 2019-10-08

Essays and stories on fashion, art, and culture in the New York of the 2010s. We were supposed to meet Rose McGowan at Café d'Alsace after the party, but she cancelled at the last minute. I saw on Twitter that she had been hit with a drug possession charge, which she insisted was a scheme to keep her Weinstein dirt quiet. I hadn't even read her Weinstein story... I still wanted to know that the articles were being published, and in large quantities, but reading stories of abuse and humiliation was as stupefying as a hangover. I didn't feel empowered; I only felt more hopeless. I wanted to watch the patriarchy go up in flames, but I wasn't excited about what was being pitched to replace it. If we got all of it out in the open, what would we have left? My fear was that guilt would destroy the classics and there'd be no one left to fuck. All movies would be as low-budget and as puritanical as the stuff they play on Lifetime, all of New York would look like a Target ad, every book or article would be a cathartic tell-all, and I'd be sexually frustrated but too ashamed to hook up with assholes, or even to watch porn. —from

Sleeveless Eve Babitz meets Roland Barthes in *Sleeveless*, Natasha Stagg's follow up to *Surveys*, her 2016 novel about internet fame. Composed of essays and stories commissioned by fashion, art, and culture magazines, *Sleeveless* is a scathing and sensitive report from New York in the 2010s. During those years, Stagg worked as an editor for *V* magazine and as a consultant, creating copy for fashion brands. Through these jobs, she met and interviewed countless industry luminaries, celebrities, and artists, and learned about the quickly evolving strategies of branding. In *Sleeveless*, she exposes the mechanics of personal identity and its monetization that propelled the narrator of *Surveys* from a mall job in Tucson to international travel and internet fame.

White Fragility - Robin DiAngelo 2019-02-07

The International Bestseller 'With clarity and compassion, DiAngelo allows us to understand racism as a practice not restricted to "bad people." In doing so, she moves our national discussions forward. This is a necessary book for all people invested in societal change' Claudia Rankine *Anger*. *Fear*. *Guilt*. *Denial*. *Silence*. These are the ways in which ordinary white people react when it is pointed out to them that they have done or said something that has - unintentionally - caused racial offence or hurt. After, all, a racist is the worst thing a person can be, right? But these reactions only serve to silence people of colour, who cannot give honest feedback to 'liberal' white people lest they provoke a dangerous emotional reaction. Robin DiAngelo coined the term 'White Fragility' in 2011 to describe this process and is here to show us how it serves to

uphold the system of white supremacy. Using knowledge and insight gained over decades of running racial awareness workshops and working on this idea as a Professor of Whiteness Studies, she shows us how we can start having more honest conversations, listen to each other better and react to feedback with grace and humility. It is not enough to simply hold abstract progressive views and condemn the obvious racists on social media - change starts with us all at a practical, granular level, and it is time for all white people to take responsibility for relinquishing their own racial supremacy. 'By turns mordant and then inspirational, an argument that powerful forces and tragic histories stack the deck fully against racial justice alongside one that we need only to be clearer, try harder, and do better' David Roediger, Los Angeles Review of Books 'The value in White Fragility lies in its methodical, irrefutable exposure of racism in thought and action, and its call for humility and vigilance' Katy Waldman, New Yorker 'A vital, necessary, and beautiful book' Michael Eric Dyson

Twenty-First Century Celebrity - David C. Giles 2018-09-13

David Giles examines digital culture's impact on established celebrities from traditional media while charting the rise of new forms of celebrity such as vloggers and influencers, offering novel insights on topics such as parasocial relationships, micro-celebrity, memes and celetoids.

Pediatrics - Thomas Morgan Rotch 1896

Outlawed - Anna North 2022-02-15

A REESE'S BOOK CLUB PICK * INSTANT NEW YORK TIMES BESTSELLER * BELLETRIST BOOK CLUB PICK * INDIE NEXT SELECTION * LIBRARY READS SELECTION * AMAZON EDITORS' CHOICE * WASHINGTON POST BEST OF THE YEAR The "terrifying, wise, tender, and thrilling" (R.O. Kwon) adventure story of a fugitive girl, a mysterious gang of robbers, and their dangerous mission to transform the Wild West. In the year of our Lord 1894, I became an outlaw. The day of her wedding, 17 year old Ada's life looks good; she loves her husband, and she loves working as an apprentice to her mother, a respected midwife. But after a year of marriage and no pregnancy, in a town where barren women are routinely hanged as witches, her survival depends on leaving behind everything she knows. She joins up with the notorious Hole in the Wall Gang, a band of outlaws led by a preacher-turned-robber known to all as the Kid. Charismatic, grandiose, and mercurial, the Kid is determined to create a safe haven for outcast women. But to make this dream a reality, the Gang hatches a treacherous plan that may get them all killed. And Ada must decide whether she's willing to risk her life for the possibility of a new kind of future for them all. Featuring an irresistibly no-nonsense, courageous, and determined heroine, *Outlawed* dusts off the myth of the old West and reignites the glimmering promise of the frontier with an entirely new set of feminist stakes. Anna North has crafted a pulse-racing, page-turning saga about the search for hope in the wake of death, and for truth in a climate of small-mindedness and fear.
