[The Island of Lote](#) - Emily Kinney 2012-03-01

Milo Hestler is a lonely, unusual, fourteen-year-old girl. She is constantly moving from home to home with her oblivious parents. The only friend she has is her conscience, whom she has named Bob. Her only comforts are cooking and listening to hip-hop. When her family moves yet again, Milo is bullied mercilessly by her classmates. Such treatment prompts her to travel to Australia for summer camp. During the plane ride, Milo awakens to find the plane deserted and about to crash. After parachuting into the ocean, she discovers she is near an island. Milo passes out, and upon waking, learns she was rescued by a boy named Simon, who is cute, but can't speak English. Not able to understand him, she accidentally says yes when he asks her to marry him. He leads her to a small town on the island, where they locate someone who can translate for them. Milo is outraged to hear that she is engaged to Simon and wants to call it off, but learns that this island has rules that cannot be broken. She must go through with the marriage against her will. After learning about the trick

he played on her, Milo hates Simon, though it is obvious that sixteen-year-old Simon really likes her. What will happen next on The Island of Lote?

The Writing on the Wall - Manisha Mishra 2018-11-10

Countless reminiscences and an audacious personality, that was fiction for Liam Sandler. The kind that dares to linger in shadows, that's him; a 14-year-old who'd rather have a veil of invisibility than 9k followers on Instagram. The world was of irrelevance to him, all he needs is solitude and Shakespeare. Liam is the apotheoses of 'bullied' but when Nicholas Santiago unintentionally saves him from a bout to death, Liam lets his bird fly free. With a deal of protection and friendship, will the two ever be able to put apart their differences and see themselves in the same frame? When light collides with darkness, and water battles fire, one overwhelms the other. With them defying norms of society, will fate ever accept them?

To my crush - Brendon Thutso 2019-10-15

This book is a concoction of the poet's thoughts on a person they have an unquenchable crush on. The poet is not a very direct person and uses metaphors, riddles, and many other language tricks to embody what they intend to say. In the poem, "The Dream", the poet talks about watching the earth flood as he sits at the brink of the cumulonimbus, but as he continues through the poem it unravels to the reader that the poet is not talking about the real flood or cumulonimbus, instead the poet uses all those meteorological terms as a way to censor their language. In many other poems like "imagine", the poet expresses their love and admiration for their crush and the things they wish they could do together. contact: brentee01@gmail.com (author)

How to Quit Your Crush - Amy Fellner Dominy 2020-05-04

Mai Senn knows Anthony Adams is no good for her - no matter how hard she might crush on him. She's valedictorian; he's a surf bum. She's got plans, he's got his art. Complete opposites in every way. Vinegar and baking soda, they once joked. A chemical reaction that bubbled. Yeah, they bubbled. Maybe still do. Good thing Anthony's got the perfect plan: two weeks to prove just how not good they are together. Whoever can come up with the worst date—something the other will seriously hate, proving how incompatible they truly are—wins. Like taking a snake-phobe to the Reptile House at the zoo (his idea). Or a cooking class where they don't even get to eat the food (her idea). It's all about the competition, and it's meant to help them finally crush their crushes. But it wasn't supposed to be so hot. Or so fun. And when Mai's future becomes at stake, will she be able to do the right thing and quit Anthony forever?

Saudade Adieus - SRI NANDHINI M 2022-02-17

Running water will keep running but the river is eternal. Just like that, friends may move on but, friendship is ceaseless. The pride of a good friendship can only be felt at the moment of parting. The division will teach us more than the lessons of the friendly party. Team syavi is here with this anthology "Saudade Adieus" to express the mixture of blissful and downhearted moments on the day of valediction among friends in schools and colleges. With the valuable contribution of thirty five co-authors, this anthology leaves a message that "Bidding farewell is an inevitable phase of human life."

The Dateable Rules - Justin Lookadoo 2004-02-01

Take Wild at Heart by John Eldredge and The Mystique of a Woman by Jean Lush and turn it into something that gets the attention of busy teens and you begin to understand The Dateable Rules. This interactive guide takes up where Dateable left off and walks teens through the Bible's insights about men and women. Guys will learn that God loves adventure and that there's a difference between a spiritual and a physical adventure. They'll also learn how to be a gentleman (open her door and carry the box of leftovers from dinner, etc.) Girls will learn that beauty is defined by God, not supermodels, and that if they talk too much, they lose. They learn the secrets of staying confident and letting a guy lead.

How It Works: Bible Study: a study that can be used by an individual couple or a whole youth group. Focus Group: a time when guys and girls get the lowdown on each other's gender. Guys and girls or groups can talk about what they learned in the week's study and discuss the truths of Scripture. Workbook: offers lots of things for readers to do, from writing down all the bad things they have said about another person and confessing them to God to going back to the point in time when their femininity or masculinity was squashed and allowing Jesus to redefine that moment. Each section is filled with interactive activities that help students better understand God's plan for men and women. The Dateable Rules isn't about teens getting more dates; it's about learning to understand the opposite sex and making good choices based on the truth!
