Works The Eternal Feminine ... Carolyn Wells (1862-1942) was an American poet and writer of detective and mystery novels, as well as children's books, best known for her Fleming Stone Detective Stories.

The One That Got Away Joe Clifford 2018 In the early 2000s, a string of abductions rocked the small upstate town of Reine, New York. Only one girl survived: Alex Salerno. The killer, Ken Parsons, was sent away. Life returned to normal. No more girls would have to die. Until another one did. It's been seven years since Kira Shanks was reported missing and presumed dead. Alex Salerno has been living in New York City, piecemealing paychecks to earn a livable wage, trying to forget those three days locked underground and her affair with Sean Riley, the married detective who rescued her. When Noah Lee, hometown reporter with a journalistic pedigree, requests an interview, Alex returns to Reine and Riley, reopening old wounds. What begins as a Q&A for a newspaper article soon turns into an opportunity for money, closure and--justice. The disappearance of Kira Shanks has long been hung on Benny Brudzienski, a hulking man-child who is currently a brain-addled guest at the Galloway State Mental Hospital. But after Alex reconnects with ex-classmates and frenemies, doubts are cast on that guilt. Alex is drawn into a dangerous game of show and tell in an insular town where everyone has a secret to hide. And as more details emerge about the night Kira Shanks went missing, Alex discovers there are some willing to kill to protect the horrific truth. In the modern vein of Dark Places and Mystic River, *The One That Got Away* is a dark, psychological thriller featuring a compelling, conflicted heroine and a page-turning narrative that races toward its final, shocking conclusion. Praise for *THE ONE THAT GOT AWAY*: "A great book! I devoured it. Taut, pacey and with a powerful sense of place, Joe Clifford's *The One Got Away* is an intelligent and astutely observed piece of American small town noir." --Paula Hawkins, New York Times bestselling author of *The Girl on the*

Train and Into the Water "Joe Clifford is a gifted storyteller with a knack for crafting characters who are entirely human. The One That Got Away is dark and unforgiving, a chilling crime novel with the perfect touch of tenderness that will keep readers turning the pages with haste. This is one book you won't be able to put down. --Mary Kubica, New York Times bestselling author of The Good Girl and Every Last Lie "The mystery of The One That Got Away sucked me in, but it was the emotional punch of Alex Salerno's return home that broke my heart. With its sharply observed characters and setting and crime-thriller pace, its tough exterior belies a vast, unexpected tenderness. I cannot not quit thinking about this book." --Emily Carpenter, author of Burying the Honeysuckle Girls and The Weight of Lies "It's not often that I read a top-notch thriller with layers of emotion buried within each page. On the surface, Joe Clifford's story of a young woman who survived a kidnapping and returns to her hometown to investigate a seemingly similar disappearance is compulsively readable, but when you dig a little deeper, you discover there's so much more to unpack. The On That Got Away is by far Clifford's best and most fully realized novel to date, and might well be the most rewarding thriller I've read this year." --Jennifer Hillier, author of Jar of Hearts

The Golden Handle Josh Berman 2011-02 Wendy's life has been anything but typical. Her father raped her on her sixth birthday, and yet she still lives in the same apartment in Manhattan with him, although he's become such an emotionless figure that she's hardly forced to communicate with him anyway. In fact, she's hardly as concerned with him as her mother, Stella. Dense, materialistic, and needy, Stella is more interested in living vicariously through her daughter than actually raising her. And Wendy knows it. After a particularly icy argument on her seventeenth birthday, Wendy bolts. She's not coming back. The Golden Handle follows Wendy along through a week of sheer hell as she tries to find a sense of genuine happiness that she's lacked for eleven years, and Stella's desperate attempt to reconnect with her only daughter. But after a week laden with racism, murder, an apartment fire, kidnapping, and prostitution, will Wendy really be able to say it was worth it? Will Stella find a way to cope with her own rotten childhood and give her daughter the love she deserves? Does she even deserve a second chance?

Sugar, Spice, and Everything Nice Frances K. Gateward 2002 From the Wizard of Oz to Lolita, from the Heathers to the Spice Girls, images of girlhood have been projected on the silver screen in myriad ways. Whether a girl is taught that "there is no place

like home" or is seeking adventure on her own terms, whether she is a seductress or a nerd, a babysitter or a murderer, films have depicted society's problematic expectations of girls together with the dreams, anxieties, and tensions experience by girls themselves. In examining the construction of girlhood from many angles, this collection of essays not only captures the richness of meaning behind "girl films," but also explores the recent resurgence of youth-oriented cinema and the relationship of young female viewers to that medium. The twenty essays approach to the construction of girlhood from a variety of perspectives, including reception, production, star images, and textual analyses, while exploring such topics as star power, the Riot Grrrl movement, coming of age, and loss of innocence. Among the characters given special attention are those in Gidget, Crooklyn, Titanic, Freeway and Girls Town. Written for general and academic readers, this work offers a lively, unprecedented discussion of gender in youth-oriented films.

Highball, Lawrence Treadwell 2022-06-30 Highball is an old signal from the train conductor to engineer that the train was clear to start from its stop and proceed at speed. Two green balls, one above the other, were the visual signal. Railroads were running long before motion pictures. Soon after silent movies were invented, directors liked trains in their films as railroading became an important business for America, passengers, and freight trains. From the beginning, Hollywood loved trains. In the book are over 450 films with the title, the year distributed, director, cast, producer/distributor, and an overview, which set forth the key train link. Hollywood produced all sort/type of films:

comedy, mystery, drama, Western, war, adventure, crime, construction, musical, and epic with combinations of genre. Every film in the book has a railroad link or connection of some sort, which makes this a stand-alone edition. Movies included begin in the Silent Era, 1920s, and continue to the present day. The Hollywood Golden Age through World War II produced great films and continued using different techniques and emphasis. Dangerous cargoes, revivals, scenarios, and technology reflect the extraordinary genius of moviemakers today. With jet aircraft, passenger train travel declined to the extent that passenger trains became too expensive for America's railroads to operate. In 1971, Congress created Amtrak, a quasi-public corporation, the National Railroad Passenger Corporation. Freight continued with the railroads, which today consist of five major train, class I companies: CSX, NS (Norfolk Southern), BNSF (Burlington and Santa Fe), UP (Union Pacific), and KCS (Kansas City Southern). Canadian Pacific (CP) operates both passenger and freight trains. Movies produced overseas are included with the United Kingdom being a large contributor to the book. The reference book is a must for all railroaders and movie lovers to recall their favorites and to see movies that they missed. All aboard!
