Gumbo for the Soul Donna Y. Ford 2016-11-01 Rejection. Loss. Confusion. Pain. Our past and our future are intertwined. Each distinct memory becomes one life. What once hurt, eventually heals, and the lesson (or lessons) to be learned becomes one with our soul and our spirit. Our experiences provide strength instead of destruction. Our great-grandmothers, grandmothers, mothers -- all women of power who came before us -- were great descendants of the coastal lands of West Africa. They arrived in strange lands with their Gumbo - -their memories, rhythms, ingenuity, creativity, strength, and compassion. Their lived stories and conversation were recipes mixed with unique combinations of ingredients, dropped into the cast iron pot -- stirred, dropped in, seasoned, dropped in, stirred again, and again, and again, until done. This Gumbo is savory like the soul, carefully prepared, recipes rich with what our foremothers brought with them from their homeland. They brought the best of what they had to offer. Gumbo or Gombo is a Bantu word meaning 'okra'. Okra is a rich vegetable that serves as the base (or gravy) for a delicately prepared stew. (Today's Gumbo cooks use a 'roux' as the base- see the recipe on page 3). Gumbo's West African origins have been modified over the past two centuries by people of varied ancestry: Native American, German, Spanish, and French (Moss, 2014). It is essential to understand the manner in which Gumbo is prepared: each ingredient must be placed into the stew at its specified time so that it can cook in and savor its own flavor. When completed, Gumbo is usually served over grits or rice. Gumbo has become a cornerstone of life in African-descended communities across the south and southwest spanning from South Carolina to Louisiana and Texas. Gumbo is a treasure... a reminder of the greatness that lived in the village in a time of strength

and abundance...a reminder of the resilience and richness of our people over generations. This book -- a collection of memoirs written by Women of Color is shared to inspire and motivate readers. The authors of these precious, soulful stories are from across the globe and represent various backgrounds and professions. What these women have in common, though, is their drive to tell their story. Stories of pain, discovery, strength, and stories of beginnings. Many of the experiences, as difficult as they may have been, made the women who they are today. Telling these stories to a new generation will empower and encourage them in their experiences no matter how troubling or challenging (Harris, 2015). These stories, like our foremothers offering their Gumbo, present the best these women have to offer. These authors want the world to know that deep inside of each of us is a rich, vibrant, purposeful beginning. As our lives develop and we are "stirred and stirred again", like Gumbo, our experiences begin to shape who we are and who we become. When the stirring is complete, a comforting meal -- one that says no matter what has gone into the dish, it's going to be amazingly magnificent!! The authors hope these stories will inspire and motivate girls and Women of Color to trust their experiences -- whether good or bad -- to help them become. Our becoming means that after all that life has thrown our way, we are strong, purposeful, and powerful people who are a great treasure to a world that sometimes rejects and ignores our existence. Embedded in this book are stories of abuse and triumph, sadness and victory, disappointment and resilience, discovery and victory. We are very proud to be the keepers of these rich recipes. They represent the first in what we hope will become a collection or series of inspirational memoirs that will be shared to help others live out their destiny and become the women they were born to be.

A Great Big Girl Like Me Victoria Sturtevant 2010-10-01 In the first book-length study of Marie Dressler, MGM's most profitable movie star in the early 1930s, Victoria Sturtevant analyzes Dressler's use of her body to challenge Hollywood's standards for leading ladies. At five feet seven inches tall and two hundred pounds, Dressler often played ugly ducklings, old maids, doting mothers, and imperious dowagers. However, her body, her fearless physicality, and her athletic slapstick routines commanded the screen. Sturtevant interprets the meanings of Dressler's body by looking at her vaudeville career, her transgressive representation of an "unruly" yet sexual body in *Emma* and *Christopher Bean*, ideas of the body politic in the films *Politics and Prosperity*, and Dressler as a mythic body in *Min and Bill* and *Tugboat Annie*.

West African Youth Challenges and Opportunity Pathways Mora L. McLean 2019-10-21 This open-access edited collection, focusing on Ghana and Nigeria, offers a transatlantic, transnational exploration of barriers that threaten the wellbeing of West African youth—ranging from Black immigrant youth in the American city of Newark, New Jersey, to students in Almajiri Islamic schools in Northern Nigeria. Incorporating themes of migration, vulnerability, and agency and aspirations, the book conveys the resilience of African youth transitioning toward adulthood in a world of structural inequality. It thus crosses the academic divide between Youth Studies and African Studies, while challenging conventional framings of Black youth as deficient and deviant—positing instead their individual and collective creativity and assets. The contributors employ different methodological approaches, including field research and autoethnography, from varying multidisciplinary and practitioner perspectives.

Teaching Children's Literature Christine H. Leland 2022-11-17 Now in its third edition, this indispensable text offers a critical perspective on how to integrate children's literature into the curriculum in effective, purposeful ways. Structured around three "mantras" that build on each other—Enjoy; Dig deeply; Take action—the book is rich with real examples of teachers implementing critical pedagogy and tools to support students' development as enthusiastic readers and thinkers. The materials and practical strategies focus on issues that impact children's lives, building from students' personal experiences and cultural knowledge by using language to question the everyday world, analyze popular culture and media, understand how power relationships are socially constructed, and consider actions that can be taken to promote social justice. Each chapter features classroom vignettes showcasing the use of literature and inviting conversation; three key principles elaborating the main theme of the chapter and connecting theory with practice; and related research on the topics and their importance for curriculum. Thoroughly revised, the third edition includes new recommendations for teaching with a critical edge and exploring alternative approaches to standardized assessment. With more attention to culturally and linguistically diverse learners and addressing new topics such as censorship and controversial texts, the new edition is essential for courses on teaching children's literature and English Language Arts methods, and for every preservice elementary and middle school English teacher. A companion website to enrich and extend the text includes an annotated bibliography of literature selections, suggested text sets, resources by chapter, ideas for professional development, and recommendations for further reading.

A Nice Girl Like Me Rosie Boycott 2009-05-05 Rosie Boycott wasn't a typical 1960's Cheltenham Ladies College girl. By the age of 21 she had co-founded the feminist magazine Spare Rib and the feminist publishing house Virago, whilst experimenting with drugs, sex and booze. But she wanted more: more experience, more travel, more passion. An epic motorcycle trip through Asia with her boyfriend John Steinbeck Jr. ended in a Thai jail. But drugs weren't her real problem. Alcohol was. Drinking seemed to defeat the demons in her psyche - until it became clear that drinking was her biggest demon of all. How had a nice country girl turned into a drunk? Now a well-known journalist, ex-newspaper editor and chairman of the London Food Board, Rosie made it from the top to the bottom and back again. In this account of her life, she never shirks from the truth about herself - and in her honesty she gives hope to other women with addictions, addressing the hellish predicament of the alcoholic woman with passion and candour.

Life in Trans Activism, A. Revathi. As told to Nandini Murali 2016-11-21 When Revathi's powerful memoir, *The Truth About Me*, first appeared in 2011, it caused a sensation. Readers learned of Revathi's childhood unease with her male body, her escape from her birth family to a house of hijras (the South Asian generic term for transgender people), and her eventual transition to being the woman she always knew she was. This new book charts her remarkable journey from relative obscurity to becoming India's leading spokesperson for transgender rights and an inspiration to thousands. Revathi describes her life, her work in the NGO Sangama, which works with people across a spectrum of gender identities and sexual orientations, and how she rose from office assistant to director in the organization. Today she is an independent activist, theatre person, actor and writer, and works for the rights of transgender persons. In the second part of the book, Revathi offers the reader an insight into one of the least talked about experiences on the gender trajectory: that of being trans men. Calling several female-to-male trans persons her 'sons', Revathi puts before us their moving, passionate and sometimes tragic stories of marginalization, courage, resistance and triumph. An unforgettable book, *A Life in Trans Activism* will leave the reader questioning the 'safe' and 'comfortable' binaries of male/female that so many of us take for granted.

Trans Representations in Contemporary, Popular Cinema Niall Richardson 2022-08-23 This book analyses how contemporary genre cinema represents trans-identified characters. Informed by key debates within transfeminism, queer theory, contemporary trans studies - and engaging with the concerns voiced by gender critical feminism - this culturally oriented book critiques the representation of trans characters in a range of cinematic genres, including the musical, period costume drama, the road movie, melodrama, coming-of-age stories, and romances. The case studies address the ways in which trans identifications have been coded within the narrative and stylistic expectations of the genres. Are genre films successful in affirming trans identifications or do they reinforce trans stereotypes and anti-trans discourses? This is a timely and accessible book, which addresses Anglophonic, European and Latin American cinemas, and is ideal for students studying courses in Film Studies, Media Studies, Cultural Studies or Gender Studies.

Unorthodox Deborah Feldman 2012-02-14 Now a Netflix original series! *Unorthodox* is the bestselling memoir of a young Jewish woman's escape from a religious sect, in the tradition of Ayaan Hirsi Ali's *Infidel* and Carolyn Jessop's *Escape*, featuring a new epilogue by the author. As a member of the strictly religious Satmar sect of Hasidic Judaism, Deborah Feldman grew up under a code of relentlessly enforced customs governing everything from what she could wear and to whom she could speak to what she was allowed to read. Yet in spite of her repressive upbringing, Deborah grew into an independent-minded young woman whose stolen moments reading about the empowered literary characters of Jane Austen and Louisa May Alcott helped her to imagine an alternative way of life among the skyscrapers of Manhattan. Trapped as a teenager in a sexually and emotionally dysfunctional marriage to a man she barely knew, the tension between Deborah's desires and her responsibilities as a good Satmar girl grew more explosive until she gave birth at nineteen and realized that, regardless of the obstacles, she would have to forge a path—for herself and her son—to happiness and freedom. Remarkable and fascinating, this "sensitive and memorable coming-of-age story" (*Pittsburgh Post-Gazette*) is one you won't be able to put down.

Writing Women's Communities Cynthia G. Franklin 1997-11-01 Beginning in the 1980s, a number of popular and influential anthologies organized

around themes of shared identity—Nice Jewish Girls, This Bridge Called My Back, Home Girls, and others—have brought together women’s fiction and poetry with journal entries, personal narratives, and transcribed conversations. These groundbreaking multi-genre anthologies, Cynthia G. Franklin demonstrates, have played a crucial role in shaping current literary studies, in defining cultural and political movements, and in building connections between academic and other communities. Exploring intersections and alliances across the often competing categories of race, class, gender, and sexuality, Writing Women’s Communities contributes to current public debates about multiculturalism, feminism, identity politics, the academy as a site of political activism, and the relationship between literature and politics.

Our Doctoral Journey Nicole A. Telfer 2022-05-31 Data from the Education at a Glance in 2019 states that less than 2 percent of the United States’ and world’s population holds a doctorate degree. Germane to this fact, the National Center of Education statistics reported that, in the 2018-19 academic year, of the doctoral degrees awarded to women, only 10.9 percent were awarded to Black women compared to 63.6 percent awarded to White women in the U.S. Black women who are interested in pursuing a doctorate, already in doctoral programs, or in their field of doctoral work are in crucial need of resources, community, and support. This memoir, “Our Doctoral Journey: A collection of Black women’s experiences,” serves as a resource and toolkit for Black women doctors, future doctors, and professionals. Prepare yourselves to read transparent and ground-breaking stories from 24 co-authors, ranging from doctoral students to doctors to professionals, who, with great tenacity, have chosen to share their doctoral experiences. Undeniably, this memoir will give you hope, motivation, and determination to choose what is best for you and persist in your program or in your field of work. As the saying goes, “We’re all that we’ve got.”
