Girls on Film - Alicia Malone 2022-03-14

Film reporter Alicia Malone brings a collection of personal essays looking at the representation and impact of women on film. In addition to personal anecdotes and analysis, this book weaves in interviews from a diverse group of well-known women working in cinema today.

"So Very," "so Fetch" - Mary Larken McCord 2008

In the mid-1990s, two discourses of girlhood emerged in both the popular and academic spheres. Consolidated as the girl power discourse and girls in crisis discourse, the tension between these two intertwined discourses created a space for new narratives of female adolescence in the decade between 1995 and 2005. As sites of cultural construction and representation, teen films reveal the narratives of girlhood. The films under consideration serve as useful exemplars for an examination of how such discourses become mainstreamed, pervading society's image of female adolescence.

Girls, on Film - Stephanie McDevitt 2018

"Welcome to the debut issue of 'Girls, on Film,' a digital zine hopelessly devoted to movies released between 1980-1989. In every issue, we will discuss a handful of movies that revolve around a particular theme. And what better way to kick off a zine about 80s than to talk about movies related to music?"--Page 2.

Girls on Film - Zoey Dean 2008-08-01

Girls on Film is the wickedly funny and risqué sequel to the bestselling A-List that takes readers behind the scenes of the intoxicating world of Hollywood glitterati. Seventeen year-old Anna ("pronounced Aaaanah") Percy has moved from posh Manhattan to the even more posh Beverly Hills, California, where she's living with her estranged dad for the rest of the school year while her mother travels to Europe with a friend. The fast times of Beverly Hills most beautiful and glamorous people drive the page-turning action of this irresistible, stylishly written novel.

Girls on Film - Victor McClure Type 2016-11-28

WARNING: This book is NOT for minors, but it does feature some of the

most beautiful models along the east coast that we've had the pleasure to shoot in our travels. With insight behind the scenes to help you get to know LMDB models better. We like to think of this as a book of art, and hopefully you do as well. This is our second book, but as much as we shoot you're sure to see more coming soon! You can find more of our censored work on IG under: VBLAZINMAG

"Welcome to Girls, On Film, the fanzine that is hopelessly devoted to 80s movies! Each issue features eight movies that share a particular theme, and this time we're spilling tea with a selection of 80s movies based on true stories"--Page 3.

Girls on Film - Gregg Olsen 2014-08-12

What if you discovered that everything you thought you knew about yourself was a lie? Rylee is fifteen. She comes home from school one afternoon to find the most shocking thing possible - her father dead, with a knife through his heart, and a key clutched in his hand. Her mother's purse is on the counter, but she appears to be long gone. A message in blood is written on the floor...R. U. N. With her brother in tow, Rylee begins a dark journey, one that will uncover horrific and chilling crimes and lead her to an unexpected and gruesome discovery about her real father and what - or who - is behind his insatiable desire to kill. By the journey's end Rylee's childhood is a long way behind her...GIRLS ON FILM is the first title in the new Vengeance series, following Rylee as she begins to piece together the story of her life and to avenge unpunished crimes starting with her own.

Girls on Film: Witty Life Lessons from Alicia Malone #1 Best Seller in Photography Criticism & Essays, Movie Guides & Reviews, Movie Reference With humor and honesty, Girls on Film looks at the good, the bad, and the unfairly written women in film. This collection celebrates the power of cinema, media, culture and the faces of girls on film. Insiders from a Nerdy Film Lover. Weaving together life lessons with

movie history, film reporter Alicia Malone celebrates the power of cinema and the women who shone brightly on the big screen, while also critiquing hidden messages in films. Alicia connects film analysis with her own journey of self-discovery —from growing up as a nerdy film lover in Australia to finding her voice as a woman on television. Each Movie has a Hidden Message. What messages and life lessons have been taken from these movies of the past —positive, negative or sometimes, both? Alicia Malone highlights many films, some with life changing moments and others with a tribute to feminist authors and messages. In this modern approach to film reviews and women, you'll find essays on: Hidden messaging and life lessons in films The journey of women's history in film Breakdowns on movie stereotypes like the the femme fatale Women nonfiction lovers who enjoyed Where the Girls Are, or feminism books like Extraordinary Women In History, When Women Invented Television, or Renegade Women in Film and TV, will love Girls on Film.

Girls on Film - Bethany Guida 2011-11

In The Pleasure Groove - John Taylor 2012-09-13

With Duran Duran, John Taylor has created some of the greatest songs of our time. From the disco dazzle of debut single 'Planet Earth' right up to their latest number one album All You Need is Now, Duran Duran has always had the power to sweep the world onto its feet. It's been a ride - and for John in particular, the ride has been wild, thrilling... and dangerous. Now, for the first time, he tells his incredible story - a tale of dreams fulfilled, lessons learned and demons conquered. A shy only child, Nigel John Taylor wasn't an obvious candidate for pop stardom and frenzied girl panic. But when he ditched his first name and picked up a bass guitar, everything changed. John formed Duran Duran with his friend Nick Rhodes in the spring of 1978, and they were soon joined by Roger Taylor, then Andy Taylor and finally Simon Le Bon. Together they were an immediate, massive global success story, their pictures on millions of walls, every single a worldwide hit. In his frank, compelling autobiography, John recounts the highs - hanging out with icons like

Bowie, Warhol and even James Bond; dating Vogue models and driving fast cars - all the while playing hard with the band he loved. But he faced tough battles ahead - troubles that brought him to the brink of self-

destruction - before turning his life around. Told with humour, honesty and hard-won wisdom, and packed with exclusive pictures, *In the Pleasure Groove* is a fascinating, irresistible portrait of a man who danced into the fire... and came through the other side.
