Never mind that one unforgettably intense and heated night they shared-and the unexpected consequences. Because Kinsley's determined to have Rhett . . . and she'll do anything to prove they're meant to be. But Rhett can't afford to get distracted by the mind-blowingly hot night he spent with Kinsley, or the insatiable hunger he still feels for her. She's off-limits. Especially now that Rhett's been investigating the members of a vicious biker gang who have invaded his town, and they're intent on putting Kinsley out of business-permanently. Suddenly, all of Rhett's protective instincts have taken over. Because no one threatens Kinsley on his watch. Not now. Not ever. And Rhett's ruthless enough to protect Kinsley no matter the cost. Bastard Bartender - Lauren Runow 2021-05-21

Meeting a man in Vegas is easy. Finding one to settle down with? Not so much. When I relocated to Sin City for my job, I decided this was my fresh start to get away from old habits, including my penchant for dating the wrong type of guy. Namely, bad boys. So, I came up with an experiment to make me expand my dating horizons. I can only talk to men whose name begins with a certain letter of the alphabet. After I meet them, we hang out, and we might date for a short period of time, but if he's not the one I move on to the next letter. It's easy, and it leads me to meeting all kinds of new men until one night at the bar, a very sexy bartender discovers my little plan. The cocky bastard of a bartender is Nicolás Antonio Santiago, and he's as gorgeous as his name.

Enthusiastic, charming, and clever, Nic takes to my love life with interest and helps me with my pursuits. We become fast friends, and he whisks me on his wild adventures. His impulsive ways become addictive, and while I've been trying to stay away from bad boys, I find myself falling for one. As our relationship grows intense, I have to push my desires aside and stay the course. Nic doesn't do love or relationships. Even if the sexual tension between us is palpable, I have an experiment to finish, and the next letter in my list is far from N. They say what happens in Vegas stays in Vegas. My fear is when I leave, my heart will stay here too.

The Mammoth Book of Hard Bastards - Robin Barratt 2011-02-24

They know who they are and what they're capable of - cross them at your peril. No real hard bastard needs to brag or bully; most are modest, thoughtful and quiet. They have nothing to prove, as opposed to wannabe tough guys, who may pump themselves full of steroids or devote themselves to the study of a martial art, but can they handle themselves during an aggressive confrontation? It is the real hard bastard's absolute willingness to fight literally anyone, his ability to be uncompromisingly violent, his complete lack of fear, and unwillingness to admit defeat that makes him stand out in a crowd. A real hard bastard exudes an unmistakable air of confidence and authority. The full list of Hard Men is: Geoff Thompson (Former British nightclub bouncer and world-famous martial artist. Now a BAFTA-award-winning writer); Thomas Silverstein (America's most dangerous prisoner); Arthur White (Once one of London's most notorious debt collectors. Now reformed and a Christian); Tom Taylor (A former US Presidential bodyguard); Don Murfet (Minder to the rock band Led Zeppelin); Charlie Bronson (Britain's most violent prisoner - also an artist and writer); Gary Alexander (Full-contact fighting champion of North America); Roy Shaw (British bare-knuckle fighting champion; Ali vs Tyson; Hard Bastards: what exactly are they?); Noel 'Razor' Smith (Former British gangster serving multiple life sentences); Street Kings & Bare-Knuckle Fighters (the toughest of them all); Mike Tyson (Boxer); The Krays (Britain's most infamous gangsters); Dave 'Boy' Green (British boxer); Luciano Leggio (Sicilian gangster); Bob Honiball (Martial arts expert currently training Eastern European special forces); Peter Rollack aka 'Pistol Pete' (New York City gang member); Gregory Peter John Smith (Australian bandit); John Brawn (Ireland's hardest man, martial artist and bouncer); William Coss (Just a regular US citizen put in an extreme situation); Mickey Francis (Manchester's most notorious football thug and gangster, now a professional wrestler); Jake LaMotta (Boxer); Vladimir Bogomolov (Soviet bodyguard); Big Joe Egan (Probably the hardest white man on the planet); Dennis Martin (Doorman, bodyguard and Liverpool's hardest man).
