

His Love From Miami Her Gangsta From Brooklyn

Billboard - 1995-09-02

In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform. Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends.

Encyclopedia of World Crime: S-Z, supplements - 1989

New York Magazine - 1987-10-19

New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

Tough Jews - Richard Cohen 2013-06-18

Award-winning writer Rich Cohen excavates the real stories behind the legend of infamous criminal enforcers Murder, Inc. and contemplates the question: Where did the tough Jews go? In 1930s Brooklyn, there lived a breed of men who now exist only in legend and in the memories of a few old-timers: Jewish gangsters, fearless thugs with nicknames like Kid Twist Reles and Pittsburgh Phil Strauss. Growing up in Brownsville, they made their way from street fights to underworld power, becoming the execution squad for a national crime syndicate. Murder Inc. did for organized crime what Henry Ford did for the automobile, and Tough Jews is the first in-depth portrait of these men, a thrilling glimpse at the muscle that made possible the success of gangster statesmen such as

Bugsy Siegel, Meyer Lansky, and Lucky Luciano. For Rich Cohen, who grew up in suburban Illinois in the 1980s taunted by the stereotype of Jews as book-reading rule followers, the very idea of the Jewish gangster was a relief; for once, a Jew in jail did not have to be a white collar criminal. With a clear eye and a comic sensibility, Cohen looks beyond the blood and ultimately encounters each of these ruthless killers' matzo-ball heart. Tough Jews shows what can happen when a member of the tribe combines brains, heart, and a dangerous determination never to back down.

The Last Jewish Gangster: The Early Years - David Larson 2022-05-10
"A captivating and different kind of story" about the life of Bugsy Siegel's godson, from the author "who captured his voice" (Nick Pileggi, author/screenwriter of Goodfellas and Casino). In 1944 Brooklyn, newborn Michael J. Hardy is rejected by his mother so she can run with gangster Bugsy Siegel, Hardy's godfather. Shirley Rook rose to the top of the criminal ranks. As the Queen of New York City crime, she laundered Mob money, ran the city's largest bookmaking operation, and handed payouts to dirty cops, politicians, and judges. To win his mother's love and respect, Hardy became a fearless gangster. Throughout his career as a mercenary, he robbed banks and drug dealers alike, ran a kidnapping ring, and even became a hired gun. At his lowest, he ended up doing time for his mother's counterfeiting operation in Mexico's most dangerous prison. Hardy's criminal code of conduct combines elements of tough Ukrainian Jew and warm Southern Baptist, whether dealing with family and friends or fellow inmates during a combined twenty-six years spent in prisons and jails. He maintained this characteristic gregarious strength throughout his astonishing life in which Hardy was shot eleven times, committed fourteen hits for the Mob, twice wore wires for Rudy

Giuliani to nab dirty cops, wrote a letter to JFK to get out of military prison, choked the Hillside Strangler, shared prison time with notorious criminals, and even spent ten years in Hollywood, cast in non-speaking roles in B-movies. "A fascinating character study of an unapologetic criminal. David S. Larson masterfully weaves this tale in Michael Hardy's own words, resulting in a powerful, inside story of a gangster's life."

—Cathy Scott, Los Angeles Times-bestselling author

Casper - Childress 2013-09-21

This sexually charged, unfriendly tale of money and murder explodes when Casper's high-rolling uncle gets himself murdered. Casper is then forced to hit the streets harder than ever to prove he's much more than a ghetto prince whose had everything handed to him on a platinum platter... but, in the midst of a Guerra (war) with a former affiliated set, Casper becomes enthralled by a Puerto Rican bella (beauty) who wants nothing to do with someone like him; due in part to her close family ties to a Latin King clan hailing from the Bushwick section of Brooklyn.

Billboard - 2002-12-14

In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform. Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends.

Weekly World News - 1981-07-14

Rooted in the creative success of over 30 years of supermarket tabloid publishing, the Weekly World News has been the world's only reliable news source since 1979. The online hub www.weeklyworldnews.com is a leading entertainment news site.

George Raft - Everett Aaker 2013-04-19

In the early 1930s, George Raft, an actor and dancer from New York City's Hell's Kitchen, gained a name for himself playing stylish and charismatic gangsters in films like 1932's original Scarface. Raft's own real-life connection to the New York mob added frightening authenticity to his portrayals, and his star quality coincided with the peak years of the Hollywood factory to produce a remarkable track record of successful

movies. Highly regarded during his lifetime as a performer, his reputation as an actor suffered a steep decline after his death. This definitive study of all of Raft's films offers intimate insight into all of his productions, including casts, characters, technical credits, and story synopses, and dispels a number of myths surrounding his legendary career.

Real Love - Andrew Ross 2013-11-05

In *Real Love*, Andrew Ross, one of our preeminent social critics, explores the vital connection between economic life and cultural expression. From the consequences of cyberspace for work and play to the uses and abuses of genetics in the O.J. trial, from world scarcity to world music, Ross interrogates the cultural forms through which economic forces take their daily toll upon our communities and environment. Examining the effects of debates about race, technology, ecology, and the arts on social and legal change, Ross focuses in particular on how demands for certain forms of cultural justice often go hand in hand with injustices of other sorts, and shows why cultural politics are a real and inescapable part of any argument for social change.

She Fell in Love with a Miami Kingpin - Tee Jae 2019-06-20

Brooklyn had everything she's ever wanted with her fiancé Chris Issac known to the streets as Gator with the exception of kids from the love, money, and loyalty she had it all or so she thought. A swoop by the Feds in the middle of the night uncovers a secret that will change her life forever. Finding out that the man she spent the last decade of her life with was never hers from the beginning. She cuts all ties with him but not before she's forced to repay a debt he owed to his new connect...Khadi Santana. Uprooted from her perfect life in Atlanta and moved down to the sunny skies in Miami, where she falls head over heels for Khadi. Ultimately, she's hesitant to jump right back into love after the betrayal from Gator and the constant reminder from him that he will murk any man she even thinks about getting close too, Brooklyn disrespects Gator's wishes and is ready to put her heart into Khadi's hands but a twist of threats and tragedies may lead to her losing her one chance at REAL love. Khadi Santana is not to be tested in these streets

and everyone knows this in the dirty south. Him and his ruthless brothers, Khaddo and Khaza have the dope game on lock. Following his father's footsteps and putting the Santana's name back on the map, he built an untouchable empire running it with an iron fist. Thinking he'd never love another woman after his late girlfriend's demise; whom he lost due to the casualties of war. He vowed to never love another until he meets Brooklyn Trase. What was supposed to be a debt owed to him turned out to be his second chance to love again but his gangster gets tested when the ones he loves the most, gets hurt... Walk with Brooklyn and Khadi as their worlds get shaken up by their new enemy.

New York Magazine - 1992-02-03

New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

[Blood, Bullets And Bodies](#) - Imani M. Tafari-Ama 2017-06-11

Fifth Edition The true story of Blood, Bullets and Bodies: a critical multimedia exposé about the factors subverting the political will to act in the best interest of the poor, even when explicit just cause exists for such altruistic action to take place... Blood, Bullets and Bodies is a strange and paradoxical story that needs to be read as much as it needs to be told. It is a riveting story of sex, violence, political intrigue and survival by any means necessary. The book is a literary mirror that provides a revealing and frightening reflection for a self-destructing society to see itself profiled in the throes of its own possible demise. Sure to stir controversy, the new book contains a compelling rendition of the historical circumstances that have made crime and violence - bullets, blood and dead bodies - the number one problem in late 20th and early 21st century Jamaica. Despite the historic One Love Peace Concert and the Peace Truce in 1978, young gunmen seem to have gone wild ever since. Using a variety of sophisticated methodological tools including

literary sources, oral interviews, ethnographic studies and the lyrics of popular Reggae songs, Imani Tafari-Ama details the influences and implications of this violent social discourse for everyday performances of femininity and masculinity in Kingston's inner-city environment as well as in the wider Jamaican society. Tafari-Ama's stated objective in publishing her thesis as a book is to separate fact from fiction in order to find real and enduring solutions that will reduce the distressing flood of blood, bullets and bodies that is overflowing the streets of Kingston. She hopes that by highlighting some of the facts and exposing much of the fiction about life below the poverty line, her provocative book will be a catalyst in motivating the political and community willpower necessary to find and implement the real-time solutions that she proposes in her suggested Options for Development.

[Frank](#) - James Kaplan 2010-11-04

'At last, Sinatra has the biography he deserves' - The Irish Times Frank Sinatra was the best-known entertainer of his century - infinitely charismatic, more legendary and notorious than any other public personality of his era. But no matter what you think, you don't know him. In this critically acclaimed biography, James Kaplan reveals how Sinatra made listening to pop music a more personal experience than it had ever been. We relive the years 1915 to 1954 in vibrant detail, experiencing as if for the first time Sinatra's journey from the streets of Hoboken, his fall from the summit of celebrity, and his Oscar-winning return in From Here to Eternity. Here is the book that, finally, gets under his skin.

His Savage Was Her Weakness - Tya Marie 2017-10-22

Life has been anything but easy for twenty-year-old Nubia Monroe. After witnessing her parents' execution at her tenth birthday party, Nubia hasn't been the same. The lavish lifestyle that came with being the daughter of the notorious Apollo Monroe was snatched from under her feet, forcing her to become the foster child her evil aunt never wanted. After years of dealing with her uncle's hand problem, Nubia goes from a plaything to a punching bag for her husband, Vincent. Believing that Vincent is the best thing to happen in her life since the death of her parents, Nubia suffers in silence until she meets Maine. A notorious hustler by day and ruthless hustler by night, Jermaine "Maine" Emerson is as savage as they come. Born a child soldier in Sierra Leone, Maine was given the opportunity for a new life in America working as a hitta for Sampson, a distributor for the Solares Cartel and an infamous gangsta known for his heartless antics. Maine's first mission: kill Apollo Monroe's family, including his daughter. With a heart made of steel, Maine slaughters her family relentlessly, but there is something about ten-year-old Nubia that gives fifteen-year-old Maine pause. He spares her life, and the two never cross paths again until Maine catches Nubia being beaten on the street by her husband. Although he has everything he could ask for—money, cars, and his pick of women—Maine is drawn to the broken Nubia and the mystery she brings. As he tries to repair her broken spirit, he has no idea that he's responsible for it. In the middle of Nubia and Maine's battle of the hearts, is Nubia's best friend, Shahani. After losing the love of her life in a gunfight, the kept Shahani takes refuge on a pole, rebuilding her life one dance at a time. She meets the suave and charismatic Donovan, who takes her from dancing and introduces her to the world of pimping. While Donovan is focused on building his empire, Shahani has other dreams in mind, one of which is opening her own hair

salon. She's content with building with Donovan until a chance encounter with Sampson leaves her sleeping with the enemy. Again.

New York Magazine - 1989-10-09

New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

Film, Television and the Psychology of the Social Dream - Robert W. Rieber 2013-11-18

This book demonstrates how social distress or anxiety is reflected, modified, and evolves through the medium of the motion picture. Tracing cinema from its earliest forms, the authors show how film is a perfect medium for generating and projecting dreams, fantasies, and nightmares, on the individual as well as the societal level. Arising at the same time as Freud's influential ideas, cinema has been intertwined with the wishes and fears of the greater culture and has served as a means of experiencing those feelings in a communal and taming environment. From Munsterberg's original pronouncements in the early 20th century about the psychology of cinema, through the pioneering films of Melies, the works of the German expressionists, to James Bond and today's superheroes this book weaves a narrative highlighting the importance of the social dream. It develops the idea that no art form goes beyond the ordinary process of consciousness in the same way as film, reflecting, as it does, the cognitive, emotional, and volitional aspects of human nature.

Hip-Hop Revolution in the Flesh - G. Thomas 2009-02-16

An extended study of the writings of Lil' Kim, the multi-platinum selling Hip Hop artist. Examines Lil' Kim's anti-sexist, gender-defiant and ultra-erotic verse alongside issues of race and the politics of imprisonment. This is the first study to apply the tools of literary criticism to Hip Hop's lyrical writings.
