The Roommate - Rosie Danan 2020-09-15

'Laugh-out-loud funny, bananas sexy, and deeply romantic' Andie J. Christopher 'This book IS PURE JOY' Christina Lauren Clara Wheaton is the consummate good girl: over-achieving, well-mannered, utterly predictable. When her childhood crush invites her to move across the country, the offer is too good to resist. Unfortunately, it's also too good to be true. Suddenly, Clara finds herself sharing a house with a charming stranger. Josh might be a bit too perceptive - not to mention handsome - for comfort, but there's a good chance he and Clara could have survived sharing a summer sublet if she hadn't looked him up on the internet . . . Once she learns how Josh has made a name for himself, Clara realises living with him might destroy the reputation she's spent years building. But while they may not agree on much, both Josh and Clara believe women deserve better sex. What they decide to do about it will change both of their lives, and if they're lucky, they'll help everyone else get lucky too. Shameless - Gina L. Maxwell 2016-05-30

People say I'm shameless. They're right. I like my sex dirty. It takes a hell of a lot to tilt my moral compass, and I always follow when it's pointing at something I want. That goes double when it points straight at the one girl in all of Chicago who's not dying for a piece of me. She's all I can think about, and that's a problem, because she wants nothing to do with me. But I've seen her deepest secrets, her darkest fantasies, and they match mine to a fucking T. I want her. Bad. Now I need to show her how good it can feel...to be shameless. Each book in the Playboys in Love series is STANDALONE: * Shameless * Ruthless * Merciless

But he is head over heels in love with the older, powerful, gorgeous man who has selected him for the pleasures of submission. Ultimately, Alex decides to experiment with the power differential between them, and see if he can break through the armor that Grayson and his layers of Hollywood handlers have imprisoned him in. Will he be able to open Grayson up to real intimacy, or will he cause Grayson to end the relationship and cut himself off yet again? -- Unedited summary from the book.

The Shameless Hour - Sarina Bowen 2015-04-13

The girl who's had everyone meets the boy who has no one. For Bella, the sweet-talking, free-loving, hip-checking student manager of the Harkness men's hockey team, sex is a second language. She's used to being fluent where others stutter, and the things people say behind her back don't (often) bother her. So she can't understand why her smoking hot downstairs neighbor has so much trouble staying friends after their spontaneous night together. She knows better than to worry about it, but there's something in those espresso eyes that makes her second guess herself. Rafe is appalled with himself for losing his virginity in a drunken hookup. His strict Catholic upbringing always emphasized loving thy neighbor—but not with a bottle of wine and a box of condoms. The result is an Ivy League bout of awkwardness. But when Bella is leveled by a little bad luck and a downright sinister fraternity stunt, it's Rafe who is there to pick up the pieces. Bella doesn't want Rafe's help, and she's

through with men. Too bad the undeniable spark that crackles between the two of them just can't be extinguished. "The Shameless hour is a gift to any girl or woman who's ever been slut-shamed. Joe Dallesandro - Michael Ferguson 2015-02-17

The story of Warhol's greatest superstar The renowned photographer Francesco Scavullo has called Joe Dallesandro "one of the ten most photogenic men in the world." Springing to fame at the beginning of the sexual revolution in films such as *Flesh*, *Trash*, and *Heat*, Dallesandro, with the help of his mentor, Paul Morrissey, and pop artist Andy Warhol, became a male sex symbol in the film world unlike any before him. His casual nakedness and characteristic cool in the Warhol Factory's irreverent, now-classic films earned attention that crossed gender lines and liberated the male nude as an object of beauty in the cinema. In this biofilmography, an update and revision of *Little Joe, Superstar*, Michael Ferguson explores not only Dallesandro's Warhol years, but his troubled childhood on the streets of New York, in juvenile detention, as physique model, and on the run. Ferguson examines all of Dallesandro's films: the eight made with Warhol and Morrissey, including the X-rated *Frankenstein* and *Dracula*, the post-Factory career in both art-world and low-budget films abroad, and his works as character actor upon his return to America. Including new interviews with Dallesandro, photographs from the actor's personal collection, and an extensive biographical section, *Joe Dallesandro* is the ultimate guide to an underground film icon who, according to Andy Warhol, "everyone was in love with."

Watching the English - Kate Fox 2005-04-11

In "Watching The English" anthropologist Kate Fox takes a revealing look at the quirks, habits and foibles of the English people. She puts the English national character under her anthropological microscope, and finds a strange and fascinating culture, governed by complex sets of unspoken rules and byzantine codes of behaviour. The rules of weather-speak. The ironic-gnome rule. The reflex apology rule. The paranoid-pantomime rule. Class indicators and class anxiety tests. The money-talk taboo and many more ... Through a mixture of anthropological analysis and her own unorthodox experiments (using herself as a reluctant guinea-pig), Kate Fox discovers what these unwritten behaviour codes tell us about Englishness.

Alexander Sheldon likes order and control in his life. He isn't happy when his girlfriend invites another guy for a threesome. Alexander believes in monogamy, and he's never been good at sharing his things. It doesn't help that Christian rubs him the wrong way from the beginning. But what starts as animosity turns into something else. Something unexpected and very wrong. He was never supposed to touch Christian. He was never supposed to feel possessive of the guy. And he most definitely wasn't supposed to want Christian more than he wants his girlfriend. It's a recipe for disaster.
