The Guyde Howie Reith 2016-11-19 *The Guyde* is the most comprehensive men's dating and self-improvement book ever written, designed to be everything you need to transform into the most confident version of yourself. There are no lines or routines; instead you'll find exercises and information to improve your self-esteem, social skills, and other elements integral to social success. Everything in these pages is backed with scientific evidence, and when I say scientific evidence, I mean cited peer-reviewed literature, not pop evolutionary psychology or the "law of attraction." You won't be reading anecdotes telling you about my "successes" or opinions; you'll be learning the practical steps necessary for the specific changes you want to manifest in your life. *The Guyde* is divided into four sections: Part I - Psychology Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more. Part II - Social Skills For many men, the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your body language and vocal tonality to project confidence and charisma. Part III - Physical Attractiveness Part III will teach you how to improve your physical features. The first two chapters detail the most clinically effective approaches to diet and exercise. We'll also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating The final portion of *The Guyde* deals with dating, in this version, in a heterosexual male context. You'll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and "ghosting." You'll learn how to interact physically while being sensitive to your date's wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into, and you'll come to understand a bit about what it's like to date from a woman's perspective, including many of the cultural factors they face that most men don't understand. *The Guyde* is a labor of love. I wrote it to be everything I wish I'd known when I was younger, the sorts of things that turned my life around for the better. I hope it does the same for you.

The Need to be Liked Roger Covin 2011-05 Almost everyone has a fundamental need to be liked by other people. It is a healthy and normal part of life. However, the need to be liked can also be associated with emotional, behavioural and even personality problems. The Need to be Liked is a book that explores the dark side of this human need. The author (Dr. Roger Covin) is a clinical psychologist who weaves together psychological research with his own clinical experiences in order to present a unique and original way of thinking about the need to be liked. Drawing on research and theory from various fields of psychology, Dr. Covin explains how people's experience with painful rejection shapes their way of thinking about themselves and others. Readers will learn how problems with the need to be liked can lead to depression, anxiety and other mental health concerns. Dr. Covin describes how the need to be liked expresses itself in numerous ways, ranging from subtle behaviours to aspects of one's overall personality. For example, the need to be liked can affect... ..being overly career-driven ...alcohol and drug use ...promiscuity ...one's excessive focus on appearance ...the decision to remain in an abusive relationship ...rumination about past relationships ...being overly self-critical or perfectionistic ...continually entering into relationships where you find the wrong partner ...sabotaging relationships Finally, Dr. Covin provides useful strategies and suggestions for how to manage problems with needing to be liked and dealing with rejection. The Need to be Liked is a fascinating and timely examination of a topic that affects the vast majority of people. Grounded in current research and theory, and articulated through Dr. Covin's experiences as a therapist, this book is a must read for those who have ever wondered - why do I need to be liked?

Nice Guy Unfinished Phil Torcivia 2016-02-02 Relationships - Who needs them? Relationships have become more exhausting than exhilarating. Is it just me? When I'm single, I'm prowling for my love. It's costly to my sanity and to my wallet, trying to determine if she likes me--then doing things to make her like me more (and get naked). When I'm in a relationship, I'm juggling texts, dates, her family gatherings, and baseball, doing my best to avoid disappointing my lover. Is it better to be married or single? Do you wonder what life would be like on the other side? When married, how peaceful single life could be. When single, how marriage might cure loneliness. Having been on both sides, I'm unsure which is better. There are great parts of both. Either way, you'll relate to these essays. Whether you're male, female, or something in between; whether you're eighteen or eighty or something in between--you're going to relate to the following pages in some way. I guarantee it. I also guarantee I will push your buttons. I'll make you giggle and piss you off. That's intentional. I just hope you're entertained by my relationship disasters. Heck, maybe my mistakes will save you from a similar fate (another pet). Let's drink, drink, and be single. Enjoy the ride, my friends. If you ever see me at my

office (a bar), put a hand on my shoulder, share a frosty beverage, and let's steer each other away from the dangerous cliffs of love.

Dear James Joy LaTorre, M.S. APRN- CNP 2022-05-13 It's ironic how stories end. Painful experiences remain locked within your shattered soul until life, through orchestrated circumstances, hands you the key to unlock the rusted metal bars that held you a prisoner far too long. This book was written for women who have loved deeply, only to find themselves effortlessly thrown aside. It was written for mothers who were left standing alone holding an innocent child. May these penned words find their way into the darkest places of your heart, releasing you from pain, regret, and rejection completely. Dear James is a raw, honest, gut-wrenching personal journey through grief. It is the story of a shattered past, an uncertain future, and the struggle of a mother and daughter to find wholeness.

The Spanish Love Deception Elena Armas 2022-02-08 A wedding. A trip to Spain. The most infuriating man. And three days of pretending. Or in other words, a plan that will never work. Catalina Martín, finally, not single. Her family is happy to announce that she will bring her American boyfriend to her sister's wedding. Everyone is invited to come and witness the most magical event of the year. That would certainly be tomorrow's headline in the local newspaper of the small Spanish town I came from. Or the epitaph on my tombstone, seeing the turn my life had taken in the span of a phone call. Four weeks wasn't a lot of time to find someone willing to cross the Atlantic-from NYC and all the way to Spain-for a wedding. Let alone, someone eager to play along with my charade. But that didn't mean I was desperate enough to bring the 6'4 blue eyed pain in my ass standing before me, Aaron Blackford. The man whose main occupation was making my blood boil had just offered himself to be my date. Right after inserting his nose in my business, calling me delusional, and calling himself my best option. See? Outrageous. Aggravating. Blood boiling. And much to my total despair, also right. Which left me with a surly and extra large dilemma in my hands. Was it worth the suffering to bring my colleague and bane of my existence as my fake boyfriend to my sister's wedding? Or was I better off coming clean and facing the consequences of my panic induced lie? Like my abuela would say, que dios nos pille confesados. The Spanish Love Deception is an enemies-to-lovers, fake-dating.
